

# **THE BEST OF RATIONAL MALE – YEARS ONE/TWO/THREE (If you haven't read this yet, do it now.)**

We've had quite a recent uptick in new subscribers so I wanted to bring some quality red pill material to the top for a while.

If you're new or you haven't read all of our sidebar information, I recommend that you do so. And if you haven't read Rollo's best-ofs, then you should make these next on your reading lists:

**[Best of Rational Male - YEAR ONE](#)**

**[Best of Rational Male - YEAR TWO](#)**

**[Best of Rational Male - YEAR THREE](#)**

---

I hope everybody has a safe holiday. We've got more announcements coming up soon, so check back.

Rational Male is the holy scripture of The Red Pill.

What is this?

shestaresback • 1 point • 6 December, 2016 05:28 PM

Do you have any suggestions for getting the most out of your reading?

Rollo-Tomassi • 1 point • 7 December, 2016 06:30 PM

I would start with Year One. Then I'd suggest getting the book. A lot of guys tell me they like to highlight parts of it, and they re-read sections. I actually make the least amount of royalties on the print copy, but this is the version of the book I put the most time into (I'm a designer) and it's more easily shared with friends who you think would read it if it's a book and not on a RP blog.

I intended the book to spark discussions.

Then I would move on to the other Best of Years and Preventive Medicine. Book 2 was meant for RP men to share with their non-RP friends.

To add, during his last AMA, built a handy little set of crib notes. There's a ton to get through, and many found it helpful

Is all this backed up on TRP.red yet? This sub might be in a target for the upcoming thought police, I mean, 'fake news' crackdown.

redpillschool[S] • 24 points • 25 November, 2016 07:05 PM

Yup.

OhAndOneMoreThing • 7 points • 27 November, 2016 09:50 PM

Also, please BUY his books. I know he is already a successful person even without his writing, but at the end of the day we should continue to send a message (\$\$\$) that will inspire others to share their thoughts. One of the best books I've ever read, and I have read a ridiculous amount of books.

\*AND the thought police can't steal it!

Year 4 and 5 are here: <https://therationalmale.com/2015/08/28/the-best-of-the-rational-male-year-4/>  
<https://therationalmale.com/2016/09/05/the-best-of-the-rational-male-year-5/>

I'll check back on this thread.

dr\_warlock • 15 points • 26 November, 2016 02:29 AM

Instead of separate tabs, you should have one tab called 'archives' that acts as a drop down menu for the individual years.

Auvergnat • 39 points • 25 November, 2016 06:14 PM

I'll go further: if you haven't read at least the sidebar and the Rational male best of year 1, **you shouldn't be posting**.

10211799107 • 9 points • 25 November, 2016 07:11 PM

A different system to filter the shit posts would be great. Problem is, if you lock TRP down to no posts, and they have to be reviewed first, it'll clog up all the approvers' mail boxes and it'll become a full time job. I try to come back once every two weeks and read top posts rather. Downside is I could miss out on a good'ish post.

SW9876 • 2 points • 29 November, 2016 10:23 PM

I'll go further: If you aren't a RP god you should be posting. Too many people think what they have to say is important.

RPFlame • 2 points • 25 November, 2016 07:50 PM

Well, now I know what I'm gonna start reading next week.

iamz3ro • 8 points • 26 November, 2016 12:43 AM

Pure textual gold here folks. I guarantee that if you visit TRP, these posts/books will improve your life.

fcjnews • 7 points • 26 November, 2016 06:16 AM **[recovered]**

Do the books cover everything in these roundups?

Rollo-Tomassi • 10 points • 26 November, 2016 08:22 PM

Yes, but they are expanded upon too.

nyxlucis • 2 points • 29 November, 2016 08:29 PM

I've read bits and pieces of year one back near when it was written and never took it to heart.

Would you suggest reading the books instead of the posts?

Rollo-Tomassi • 6 points • 29 November, 2016 10:00 PM

Only if you have friends you think would benefit from the books you can pass on to them.

Alternately, you can read it in public, in Starbucks or on a plane, leave it where others can find it, put it into your school library, and thus let it be the prompt for discussion.

atm6311 • 5 points • 26 November, 2016 12:17 AM

I've read bits and pieces of year one back near when it was written and never took it to heart. I was probably 16 or something at the time in my defense. Thanks to OP. will be reading it all ASAP.

mr\_nate\_ • 5 points • 26 November, 2016 03:17 AM

who needs books when you have 3 volumes of mass content?

RCMasculinity • 3 points • 26 November, 2016 06:11 PM

It's amazing to me how many ppl argue on here and who obviously haven't even read the sidebar. If you aren't going to better yourself, why are you here? Rollo is ESSENTIAL. Read it. Or buy the audio and listen to it as you go about your day.

Justmyniche • 4 points • 26 November, 2016 09:57 PM

Just got it on Audible. Can't wait to listen

se\_raph • 2 points • 26 November, 2016 06:31 PM

Note to self: read this when I get home

anabolic92 • 2 points • 27 November, 2016 10:11 PM

Just started the book today, bought both of them

Kyros1 • 2 points • 29 November, 2016 02:31 AM

Please get all this in a pdf / kindle format (mobi or azw3), free or paid. Thanks.

redpillschool[S] • 3 points • 29 November, 2016 02:15 PM

It's available for purchase:

<https://www.amazon.com/Rational-Male-Preventive-Medicine/dp/1508596557>

newbie80 • 1 point • 30 November, 2016 11:04 PM

I read the first one, is that a compilation of year 1 and preventive medicine a compilation of year 2?

Rollo-Tomassi • 1 point • 7 December, 2016 06:34 PM

PM is a standalone book that outlines what men can expect from women at various stages of their maturity. There are TRM essays, but I expand on them quite a bit in the book.

newbie80 • 1 point • 7 December, 2016 08:09 PM

Thanks for clearing that up.

coffee\_34 • 2 points • 30 November, 2016 09:36 PM

RedPill is growing like a weed! I don't know how to feel about this...

On one hand, more people are being helped... on the other hand, the competition is getting steeper.

[deleted] • 1 point • 1 December, 2016 08:03 AM

Less pussy faggots in the dating scene benefit us all man

JustinDX • 1 point • 5 December, 2016 04:00 AM

Despite RP community growing, yes there may be more aware BP on their way to RP... however there is still 90%+ male race that are BB as fuck!

coffee\_34 • 1 point • 5 December, 2016 05:25 AM

I'm glad. I don't want my secret weapon to be available to everyone.

MrNatemare • 2 points • 5 December, 2016 10:07 PM\*

This book is one of the most enlightening books I have read in my life. It was so good that after listening to it as an audiobook, I bought a hard copy and made sure that it stays on my bookshelf. I still take it out every now and then and read a section of it.

It connects all the dots you see in real life about how women behave. When you see the full picture, your mind is instantly blown.

clavabot • 2 points • 26 November, 2016 02:27 AM

I just started reading the book, I can say that there is soo much value to be gained from it.

guifawkes • 1 point • 30 November, 2016 03:55 PM

These are great, wish I had discovered these sooner....maybe then I wouldn't have lost the one lol /s

Also, I used the spritz plug-in to read through these at 400 words per minute. It's pretty nifty and you can read a large essay on the toilet easily before your legs go numb. <http://spritzinc.com/get-spritz>

The real Red pill:

Doesn't matter in the US how awesome you are, it's still a pyrrhic victory.

I'm listening to the audiobook of this. I'm only on chapter 6 of 40 something, and i'm blown away.

[deleted] • 1 point • 4 December, 2016 07:45 PM

Where are you listening to it/ where did you find it?

Stonish • 1 point • 4 December, 2016 03:16 PM

Does the book itself contain everything neccessery or is there more?

Jalato\_Boi • 1 point • 6 December, 2016 01:35 AM

Is the 'The Rational Male' paperback identical to the Best of Rational Male - YEAR ONE?

MasterStas • -1 points • 30 November, 2016 07:00 AM

Who thinks of this shit and writes it ALL down lmao. Too much to read!
