

This better not have been any of you

1156 upvotes | 1 April, 2017 | by NihilistMonkey

So it's Friday night and I'm practicing on my piano, smoking some weed with a plate (former LTR but demoted for bad behavior) when she starts commenting about how hungry she is. I've got plenty of food at my place but she doesn't want to cook. She wants pizza but is broke and I'm not interested in spending any money.

She jokingly says "You think I can convince my friend to buy me a pizza and drop it off?" I'm not really paying attention, sure yeah whatever, I think nothing of it. An hour later lo and behold, this dude shows up with a pizza, chats with her for a few outside, and leaves. Even in my inebriated state I'm a little dumbfounded.

Apparently he originally wanted to take her out to pizza but she told him that she was chilling with me that night, and he settled for a kiss on the cheek as payment. So this dude knew she was staying at some other guy's house, pays for and delivers a pizza to said house, then leaves.

That's pretty much it, not too much to be learned from this other than "don't be that guy." I don't normally make posts but this little event stood out to me and I felt the need to share.

Even when I orbited a girl for over a year and was at my worst I would never pull shit like this. Poor guy.

jackandjill22 • 121 points • 2 April, 2017 12:55 AM*

I know girls who've referred to dudes like this in private when they're not around as "sugar daddy's or pushover's" because they're aware he has no chance but he doesn't .

RedPope • 15 points • 3 April, 2017 10:07 AM

Sadder still, most of these guys aren't clueless. They know they have no chance. But they've fooled themselves into thinking they don't have any other course. Zero abundance mentality, 100% oneitis, and covert contracts, all rolled up into one miserable pile of shame. Knowing they're failing, but not knowing why.

SJHammer • points • 3 April, 2017 03:38 PM **[recovered]**

Is that what a sugar daddy typically is. I would have thought the arrangment be 100% better.....I give you money and take care of you financially to some degree(varies on both their parts), and you bend over whenever the fuck I want and be extra slutty for me.

salezman12 • 6 points • 3 April, 2017 07:47 PM

That is what a sugar relationship is. Women who wanna get sugar but don't wanna give any sugar are called rinsers.

beginner_ • 33 points • 2 April, 2017 06:36 AM

Exactly. I just have a hard time to believe that. I was pretty much at the rock bottom in terms of dating but I would have never done something like that.

They have no pride and no feeling of shame, like public marriage proposals.

aznredpill • 6 points • 2 April, 2017 08:18 AM

Why are public marriage proposals bad?

anthero • 52 points • 2 April, 2017 08:39 AM

The failed ones make great youtube compilations.

Burlaczech • 1 point • 25 April, 2017 12:35 PM

if you are into cringe, then sure. it makes me feel really bad (but yea, I still watch it, I cant help myself. Just like watching other people get hurt makes me happy. I suppose the tragedy of others makes me feel better?)

beginner_ • 11 points • 2 April, 2017 04:22 PM

Because it's almost blackmailing her. She knows you will be humiliated if she says no plus she herself will look ungrateful to say "no" to such a "romantic" gesture. You are putting her on the spot in public.

It's not fair. And what is the point? You win nothing doing it. in fact you should not marry but besides that, you can only lose. It's just a stupid idea.

jvpewster • 4 points • 4 April, 2017 01:20 PM

I'm not big on marriage as a whole, but most non idiots talk about marriage before the actual proposal so they have a pretty good idea going in.

Burlaczech • 1 point • 25 April, 2017 12:37 PM

talking about marriage with a woman before proposal is like asking her whether she wants to sleep with you. dont do that, they dont want it that way.

jvpewster • points • 25 April, 2017 12:44 PM [recovered]

That's retarded and I wouldn't care if someone "didn't want" to talk about it. Sleeping with someone is a night long commitment (honestly if there was any ambiguity to consent you fucking bet I'm going to clarify with words)

Just a proposal costs a fortune. If you're not an absolute chump you won't be afraid to have conversations about your futures and how you see the other fitting into them. No you don't have to say "hey im going to ask you to marry me on the 22nd... what will you answer?"

Burlaczech • 1 point • 25 April, 2017 01:07 PM

I get your point and we probably agree, but just use different words. it is okay to talk about the future and marriage in general, but you cannot ask her, whether she wants to marry you casually, because she would get upset and say you ruined the moment.

She wants the drama, the act, the emotions connected with it. Just like sex, you just dont talk about it, you do "the signals", you play the game and look how she responses.

He's not a "poor guy" at all. He deserves all future cuckings in every way.

menial_optimist • 152 points • 2 April, 2017 02:21 AM

This isn't a us vs them mentality. Those guys are people too. They're just still plugged in by inexperience and most feminist/single mom brainwashing. Most of us here were at some point around the same mindset as the guy in OPs story. A decent man would take the advice from the OP and genuinely hope that the bluepill from the story one day wakes up and changes himself for the better.

karpethian • -28 points • 2 April, 2017 02:54 AM

Yes, but at the same time they deserve every second they get screwed. Just like I deserve every Pound I still haven't worked off.

killking72 • 13 points • 2 April, 2017 05:16 AM

It's the equivalent of being brainwashed to the point where you do not think about your fat. The only thoughts are "damn stairs are hard"

Ganaria_Gente • 29 points • 2 April, 2017 05:16 AM

Beta guys that get exploited like this are the inevitable consequence of living in a gynocentric society. Most of us were born into similar brainwashed lives.

Men who get unplugged are just very rare. So I can't shit on this dude, knowing all of us were like him.

That's the power of brainwashing.

[deleted] • 8 points • 2 April, 2017 10:35 AM

The guy OP spoke about is a special breed of retarded. Let's be honest most of us even in our bluepill days wouldn't dream of pulling shit like this. I think the /u/karpathian is correct in saying he deserves every cucking that comes his way. It's people like him that get in government and make laws that further harm men in society as a whole. Extremely beta men like that guy are a danger to us all.

menial_optimist • 33 points • 2 April, 2017 03:33 AM

Sure but reveling in that fact is just bad character.

kidjs • 9 points • 2 April, 2017 03:54 AM

I agree, he allowed it to happen. He does not deserve to be victimized. He is no way in heck a 'poor guy'. He acted based on his rationality, my friend. His act of 'kindness' was simply his best action at that moment.

Zokalex • 46 points • 2 April, 2017 02:13 AM

This a power we men, give to them. We have this weird reverence to vagina

[deleted] • 26 points • 2 April, 2017 10:38 AM

It's not wierd it's just fucking nature. It's like saying humans have a weird longing for good tasting food. It's nature, not weirdness.

Zokalex • 3 points • 2 April, 2017 12:08 PM

It is weird, it's part of gynocentrism. You ask a guy if he'll do anything ridiculous a girl asks in order to fuck her and they always reply: "pussy is pussy, man".

mc_md • 22 points • 2 April, 2017 12:56 PM

It's nature, dude. There's an evolutionary concept called the nuptial gift, wherein the male compiles a shitload of resources and hands it over to the female in order to fuck her. Happens across tons of species. We do it, too, but some of us are smart enough to realize what a raw deal that is.

dankvibez • 8 points • 2 April, 2017 01:39 PM

The thing is, it actually isn't such a bad deal. That's why it is done so much in nature. The problem is, NOW it is a bad deal. Technology like the internet has enabled dating apps, hook up culture etc. Also now females can actually acquire resources at similar levels to men. So it takes a lot more to woo them, and you get a lot less for it.

Also, the media portrays sluts as female "players", when they really should be shunned.

mc_md • 9 points • 2 April, 2017 01:42 PM

It's done so much in nature because females invest a lot into child bearing, and males relatively little. Now women can easily extract resources from any individual male or from all of them via the state. The nuptial gift doesn't buy you anything and it gets taken from you for all women all the time anyway.

Zokalex • 1 point • 2 April, 2017 01:55 PM

Aha, I know it's natural. But we humans should know better. Men who don't treat women like goddesses actually get laid quite often and many times more than other men.

DysfunctionalBrother • 1 point • 2 April, 2017 04:51 PM

exit_sandman • 84 points • 2 April, 2017 12:31 AM

This.

As long as a guy has *any* hope whatsoever that niceguying the shit out of a woman will ultimately bring the result he's told of all the fucking time (that one day she'll know what she *truly* wants and will remember that he was the only one who treated her decently), he'll continue to bend over.

akatsukirp • 81 points • 1 April, 2017 08:43 PM

haha. I once had a girl say "I'm sunday fundaying so hard, and since you aren't around can you buy me a pizza and have Dominos deliver it to me?" fuck no.

Be the receiver of pizzas, in college I had a girl send me a pizza while she was away =).

empatheticapathetic • 54 points • 1 April, 2017 08:58 PM

I saw a comment on here earlier today that was a perfect explanation of this behaviour. Don't expect them to feel shame for trying shit like this, think of them more as a door to door salesman. They're selling you affection or hope or whatever you're looking for and they're just wondering if you'll take them up on their offer/deal. If not, no biggie, was worth a shot. The difference is we've been sold the wrong deal in the form of the 'blue pill' (I hate saying that) so we don't understand they're just saleswomen.

akatsukirp • 51 points • 1 April, 2017 09:01 PM

They do sell hope. And like a good salesman they aren't butthurt when you say no, they don't even remember it, they just move on.

[deleted] • 14 points • 2 April, 2017 02:08 AM

you should have just had it delivered with cash on delivery (as usual)

[deleted] • 2 points • 2 April, 2017 08:51 PM

Damn. That sucks. I would never give a chick a favorite shirt of mine. If she wants a shirt, she can have one of the generic Hanes black or white t shirts. Those things are pretty cheap and I can find hundreds of those in a freaking Target or any other store.

I just stuck it in my pocket, grabbed my coffee and left. Later I saw that it wasn't a phone number that she had given me, but the URL of a web site. I thought, whatever, I'll check it out later. When I did look it up, it was one of these gofundme kind of sites, and she had put up a page describing the trip to Central America that she wanted to take. Holy crap!, I thought. She told me that in middle school this guy would try to give her a sandwich every day at lunch. She refused, thinking it was his sandwich, cuz she didn't even notice that he always had two (this guy was literally making an extra for her every day). I just sat there dumbfounded after that story. I mean, I had a beta phase, but my autistic tendencies made it pretty minimal (nothing very bad).

I think women's hypergamy is accelerating and i think the 80/20 rule is heading more towards 90/10. I think betas will get ever more desperate and do increasingly outrageous shit in coming years. Watch this space.

ChadThundercockII • 5 points • 2 April, 2017 12:17 PM

I find the SM to get weirder as I only participate out of lust for the hunt. I get my orgasm by paying for it.

But then when I start gaming random girls, I notice an inflated sense of value in most them. Also, the competition is not even trying. They keep talking to the same girl for weeks on end without escalating. While I go for the number on the first meeting.

If it is going to be 90/10 any time soon, it would be the guys' doing.

[deleted] • 5 points • 2 April, 2017 08:54 PM

But then when I start gaming random girls, I notice an inflated sense of value in most them.

I have noticed this so much. I would consider myself a decent looking guy who is in great shape and at bars or clubs, even the ugly chicks are hard to hook up with. It's funny when you see disgusting chicks on dating sites with a long list of requirements and many of them are absolutely crazy.

It's getting to the point where I just want to focus on making as much money as possible and occasionally get my rocks off through a happy end massage or paying for sex. As pathetic as that sounds, still cheaper in the long run than pay for a crazy expensive engagement ring and possibly getting divorce raped.

ChadThundercockII • 5 points • 3 April, 2017 03:23 PM*

As pathetic as that sounds, still cheaper in the long run than pay for a crazy expensive engagement ring and possibly getting divorce raped.

I don't consider the financial aspect of sex anymore. The best se I had was with prostitutes. They make you feel like a god among men and they do things to you that make you feel whole and satisfied. It is rare to find a girl who will suck your dick and take it like a chap, like a pro would do. Plus, you don't give a fuck about them which makes it more fun when you are with them.

I decided I would get a beat up car, amass as much wealth as possible, get a sick house, keep fuckign pros, then game hotties for the hell of it when an opportunity offers itself.

This may be the single most effective game plan ever. Sort of like the sexual market 4 hours week.

[deleted] • 4 points • 3 April, 2017 03:56 PM

I assume you meant beat up car. Depending on how much money I make, I really have decided I don't need to buy the most expensive car I can afford. Just a decent one that gets me from Point A to Point B and is fuel efficient. I don't even need a house depending on where I live. Just a nice 1 or 2 bedroom apartment in a city.

ChadThundercockII • 4 points • 3 April, 2017 04:14 PM

Righr on. I came to these conclusions after a long conversation with y uncle who is living the high life right now. He said to get the cheapest most reliable used car I can find. Get a small house that I can resell when I outgrow it. These things will give e the opportunity to travel, ride awesoe bikes and live comfortably well into my death bed.

JacksOnJaxOff • 2 points • 7 April, 2017 04:55 AM

There is something to be said about having a nicer car though. If you spend a lot of your life driving, then you really should invest in a car that looks good, drives good, and is comfortable.

But most importantly within your means.

Aarxnw • 22 points • 2 April, 2017 02:40 AM

Girls make horrible friends

Dude... Girls make awesome friends, why the fuck would you not make friends with a decent girl (personality wise) who you weren't attracted to? Female friends are an invaluable asset to have, sure they're useless in terms of reliability and loyalty and don't compare to male friends, but there are countless reasons to make plenty of female friends, as many as you can in fact. If you really need me to state a few then I will, but I shouldn't have to.

Girls that you've dated make horrible friends, if that's what you meant.

Hltchens • 17 points • 2 April, 2017 02:54 AM

useless in terms of reliability and loyalty

Aka, they're god awful friends. Stop calling them friends because that's not what they are.

Aarxnw • 4 points • 2 April, 2017 02:59 AM

You've got it all wrong, unless you're being pedantic and implying that its okay to have them as acquaintances, but not to call them 'friends'.

Hltchens • 5 points • 2 April, 2017 03:11 AM

I have plenty of female acquaintances. And that isn't pedantry.

happy_fart • 7 points • 2 April, 2017 03:11 AM

I'm going to agree just on the fact that female friends will do their best to hook you up with their female friends, that is, if they are truly friendship material.

[deleted] • 4 points • 2 April, 2017 06:47 AM

Female friends are good to observe and reinforce red pill teachings.

Whisper • 11 points • 2 April, 2017 02:17 AM

You do realize that no one here cares, right?

Werkzeug81 • 21 points • 2 April, 2017 03:08 AM

A girl I was with had a guy from her dorm bring her "sleep over bag" which include pajamas and toothbrush. To a frat house... At 1 in the morning...

HumanSockPuppet • 8 points • 2 April, 2017 04:42 AM

Hope she changes those toothbrushes regularly.

Overkillengine • 11 points • 2 April, 2017 07:29 AM

She's scrubbin her teeth with *something*, and I doubt it is toothpaste!

MrBellsprout123 • 34 points • 2 April, 2017 02:55 AM

I fucked some girl I worked with last night after a party. About 4 o clock in the morning she tells me her best friend is picking her up from my place. I ask her if he's gay, she says no.

magikmausi • 13 points • 1 April, 2017 09:06 PM

Man, I thought I had settled into "beta" hood after getting into a serious LTR and focusing 100% on my business, but I was wrong. THIS is beta.

brewmastermonk • 2 points • 2 April, 2017 02:04 PM

This sounds like what is supposed to happen.

5v1soundsfair • 11 points • 1 April, 2017 11:19 PM

Inb4 half the sub crucifies you for smoking the reefer. You naughty boy.

ChadThundercockII • 4 points • 2 April, 2017 12:19 PM

I would have been happier if he smoked soe DMT and went all Buddha on her ass.

xthebatman • 20 points • 2 April, 2017 03:12 AM

Once I had a girl buy me groceries, and she had her bf unload them from the car as she chatted me up in the living room. It was strange. I felt kind of bad for the guy.

SPER • points • 2 April, 2017 10:52 AM [recovered]

That is super strange, I can't even imagine how this would all go down lol

xthebatman • 5 points • 2 April, 2017 04:05 PM

It was nuts. I didn't have sex with her because I felt bad for him.

bolupua • 7 points • 3 April, 2017 03:51 AM

Being nice worked for the bf then.

Jaquestrapp • 1 point • 7 April, 2017 01:16 AM

FailingBillionaire • 11 points • 1 April, 2017 10:44 PM

What kind of piano do you have and what would you recommend for a total beginner? I started playing guitar 6 years ago, but would like to transition, because I am more of a piano guy.

[deleted] • 8 points • 2 April, 2017 02:12 AM

Just go on craigslist and get a piano for free. Little old ladies give away beautiful acoustic pianos constantly as they downsize and get arthritis. Figure out your logistics beforehand so you can be the guy who can pick it up today - if you want to spend money, spend it on bringing a piano tuner with you to evaluate it before you

haul.

Wolffy93 • 6 points • 2 April, 2017 12:22 AM

Yamaha with weighted keys A grand piano is great, if you have the money and the ability to get it tuned every now and then

If not, regular ol yamaha weighted keyboard. Weighted being important. The contrast between Plastic and a regular piano is yuuuge

FailingBillionaire • 1 point • 2 April, 2017 11:44 AM

You think this is a good investment?

butter_coffee • 5 points • 3 April, 2017 12:19 AM

There was a post I saw a while back (NSFW) where a girl sent this guy a nude with smileys covering the important parts and said "send me a pizza and youll get the rest ;)"

The guy went to the pizza website, got all the way to submitting her address info, then sent her the screenshot. He didn't buy the pizza for her. She didn't know and sent him her nudes, and after a while asked when's the pizza coming?

[deleted] • 6 points • 3 April, 2017 02:50 AM*

jesus christo bro..... That pussy must have some kind of power on these boys because cot damn. Just reading this makes me cringe and a little paranoid. Serious. Ol boy kissed her on the cheek. Meanwhile for all knows you could have just blasted sperm, or slapped your dick on her cheek bro.

Like I said the shits out of hand.I really think the amount of porn young males are watching has something to do with this whole phenomenon going on. I really do.

OneLifeSucks • 6 points • 3 April, 2017 08:02 PM

Free porn has dudes fucked up

[deleted] • 5 points • 5 April, 2017 12:22 AM

I dont know mane, but I really think binge watching porn and masturbating excessively are not good things to do at all. A lot of these so called pseudoscience type things regarding masturbation and the effect it has on humans engaging in the behavior, might actually be seen as legit as time goes on.

[deleted] • 6 points • 3 April, 2017 05:28 AM

The fuck is wrong with young men? Is it just being raised by single mothers? What?

OneLifeSucks • 5 points • 3 April, 2017 07:59 PM

Single alpha widowed mom with 4 younger sisters. Surprised I didn't turn out worse.

Moonboots606 • 6 points • 2 April, 2017 04:16 AM

That's sad and terribly pathetic. I'm no Red Pill guru, but any man with a semblance of self respect wouldn't go

for that kind of bullshit.

NothingIsPermanent64 • 6 points • 2 April, 2017 10:56 AM

It's like feminism and the pizza company got a deal going on.

Maybe that's why most of them are fatties.

Praecipuus • 8 points • 2 April, 2017 02:40 AM*

I hope you didn't eat that pizza. God knows if the dude came on it from the build up of getting a peck or something.

GeminiEngine • 17 points • 2 April, 2017 03:19 AM

Nah, this shit does happen.

terereaholic • 1 point • 2 April, 2017 11:24 PM

But is it that bad? Are some orbiters that dumb?

I seriously can't believe it. I've been a mild beta some time in my life, but this low or giving free shit, hell nah dawg. The most I did for a girl was to buy a shot of tequila and I didn't even found her attractive, just out of total pity.

GeminiEngine • 3 points • 4 April, 2017 04:46 AM

Yes.

My first exposure, I was a senior in high school (14 yrs ago). A girl calls me to help with a tire change. I get there and her boyfriend is there. I check the trunk not only is there a tire in the trunk, so is a jack and 4-way. I started laughing and tell her that her bf could do it, he has everything. Surprised I did that, I was incredibly blue pill back then.

Recent exposure (2 months ago), my demoted LTR but we have a kid together, **MY STUPIDITY**. I told her I would be too tired to cook after working an unscheduled 12 hour shift. She apparently put a few posts out on social media and I come home to two guys who are confused about the other one being there, one with godfather's pizza and the other with some hyvee deli chicken. I grab a leg and a slice sit down and eat. I suggested they eat some too since they bought it but they felt uncomfortable staying. They understood helping me and my son's mother out since we are separated but trying to raise a good kid. Supposedly they had issues with the other one being there.

machimus • 11 points • 2 April, 2017 04:34 AM

It does. I was with this girl for awhile and he used to buy her all this stuff, clothes, ice skates, you name it. I was skeptical and asked her if she knew he expected a return on all this stuff, she didn't care. I didn't care either, I just didn't want her to get murdered when he snapped.

AssMaster95 • 6 points • 1 April, 2017 11:50 PM

Nope if she wants it she's paying for it

Balldogs • 3 points • 2 April, 2017 03:39 PM

Huge red flag when a chic is that much of a user. Watch your back. You swallowed the pill, but she will "cut your throat" given the chance.

I'd demote to her parasite then block her number.

diomedes777 • 2 points • 3 April, 2017 04:54 AM

A few months ago my friend and I set up a Tinder account using a fake Facebook profile of a girl we made, just to test RP truths. In that night we had 2 men deliver pizza, ordered and paid for, to our house because we were "so busy studying" and we "promised we'd make it up to them".

I should really do a post about this because it was absolutely fucking mindblowing.

fingerthemoon • 2 points • 3 April, 2017 06:31 PM

You gave your address to strangers on tinder and scammed them. Smart move.

fakefalse • 2 points • 3 April, 2017 04:24 PM

I was chasing a girl years ago. We had two dates. Seemed to be going well. So I popped in to her work one day with two coffees. Figured it was a "nice" thing to do. She was in the parking lot with a co-worker and was being weird. I realized he was an interest of hers and that she was trying to protect her investment in him by brushing me off and being dismissive/disrespectful.

Stunned by this revelation, I found myself handing over the second cup, despite all this and was disgusted with myself. I hesitate just enough as I held it out, that as she went to grab at it I let it go and it fell at our feet.

I wasn't being malicious or trying to flip her the bird or anything. I was more concerned with not being a sucker and being able to look myself in the mirror.

Mckallidon • 7 points • 1 April, 2017 08:03 PM

Mckallidon • -39 points • 1 April, 2017 10:58 PM

Faggot who likes little boys with a month of lurking trolls and then tells me to read sidebar. Hilarious. This charlatan hasn't even limped into stage one yet and already projecting HAM. Can't even read. I say girlfriends, plural, and responds with she, probably because OP has only fingered one girl in his life.

Haha after reading your post history I shouldn't have even responded. Your trolling skills are at least as weak as your life game.

SgtBuchanon74 • 28 points • 1 April, 2017 11:01 PM

Are you going to lose frame or remain stoic like an oak tree? Based off projection, alphas dont get shaken up so easily unless it really hurt them inside. I have been here since all the reformed betas like you have completely ruined it. You are making a fool of yourself, young boy. I will only say this *one* more time, and one time only. Read the sidebar.

[deleted] • 1 point • 2 April, 2017 09:01 PM

Yeah, I eat pizza on the weekends every once in a while, the Digiorno pizza or Newman's Own pizza that you put in the oven, sometime Domino's and I'm shredded. At the same time, most of my diet costs of meat, veggies and rice or pasta.

Tommy_407 • 3 points • 2 April, 2017 02:11 AM

OK, agreed regarding the diet however some of the younger dudes can eat pizza and still stay shredded. At 29, I cannot.

What's wrong with eating pussy?

Aarxnw • 2 points • 2 April, 2017 02:53 AM

Nothing, but do you really want your tongue where so many cocks have probably been? You really have to have faith in that girl, and since she's probably a plate going round and round on the CC.. I mean ever since I started reading this sub and looking back on my past LTR, how broken it was and how many cocks I'm sure she took, I just wanted to scrub my tongue with a fucking wire brush.

jallfairs • 2 points • 2 April, 2017 03:56 AM

Reminds me of a game i used to play with a chick i used to see. We'd go out to bars and see how many drinks we could score off random chumps buying her drinks- she'd go ask if they'd buy her a drink, then order 2 and bring one back to me.

Fun times.

You do realize that women don't have to put out, AT ALL, to get what they want from thirsty betas, Right? Just keep them orbiting with the slim hope of ever moving forward and they'll be at her beck and call.

[deleted] • 3 points • 2 April, 2017 09:11 AM

I hear that, but as someone who could not have possibly been more beta - I still have issues believing that betas like the one in OP exist. Maybe I'm naive still.

runwidit • 2 points • 2 April, 2017 02:08 PM

I'd bring a pizza to a friend, even one of the opposite sex, just because I'm friends with them.

Hard to believe, I know!

Comments like yours are the reason so many outside of this sub have an issue with you guys. You are just thrown off in a terrible way.

UrRealDad • 5 points • 3 April, 2017 06:00 AM

Friends don't ask friends to drop off pizza and leave. Doing so demonstrates a lack of respect for your time, resources, and companionship. If your "friends" are doing this, they see you as a sucker, not a friend. Don't be a sucker.

Sir_Distic • 1 point • 2 April, 2017 06:36 PM

I'm working with a guy who is dating a woman. They met 2 months ago, she was 7 months pregnant. She gave birth Friday. He still hasn't had sex with her. So he's taking care of her while she's pregnant with another man's kid and already had a daughter from her marriage.

Trust me, worse men exist.

whyalwaysm3 • -6 points • 2 April, 2017 01:55 AM

Highly doubt this happened. You have a former girl over and she's just casually sitting there watching you play piano? LOL okay... you know how corny this sounds right? The really sexy chicks aren't out chilling with dudes who are playing the piano, they're out with a real man. Unless of course you paid her to be there.

Tommy_407 • 15 points • 2 April, 2017 02:15 AM

Real men play instruments and do bad ass things with their hands. I agree piano isn't as alluring as let's say guitar, but if he's good at it then it works for him.

He never said she was super sexy. He said she was his ex gf.

Maybe their both Asian and their culture forces piano upon them as an instrument. Either way you're being a dick.

Wycked_x • 7 points • 2 April, 2017 05:37 AM

As a musician that majors at a jazz school, the really sexy chicks love drinking wine and feeling classy beside a skilled musician. How much classier can you get than playing piano, having a joint and a couple of drinks?

By the way, it's the classy feels all for less than 15 bucks.

whyalwaysm3 • 1 point • 6 April, 2017 10:53 PM

Joint, playing piano, couple of drinks... LOL unbelievably corny. No wonder you're on this sub trying to figure out how to get girls and keep them. Here's a hint; don't be so fucking cringy. No woman in this world thinks it's sexy that a man can play the piano.

I'm an MMA fighter, and you play the piano, who do you think she wants to fuck and go home with? ☐

Wycked_x • 1 point • 15 April, 2017 11:00 PM

you should try being good at music sometimes, it's a lot of fun ;)

I play piano, guitar and sing.. girls come over and ask me to play songs and never want me to stop. a "real man" lmao. You know how many bitches would bend over backwards to fuck musicians? Too bad they're not real men hahah.

whyalwaysm3 • 1 point • 6 April, 2017 10:50 PM

Yeah actual musicians. Not some self absorbed social retard playing the piano after inviting a girl over. Lmao so corny!

WolfOfAnarchy • 7 points • 2 April, 2017 05:44 AM

Real men do whatever the fuck they want. Seriously.

You're completely on the wrong track.

WiiWynn • 4 points • 2 April, 2017 09:31 AM

Dude... just... what?! This is some ignorant shit here. I don't play any sports, workout just enough, but play

the fuck out of guitars and piano.

Right now, I'm recovering from a threesome with LTRs. Every man has their strengths if they know how to use them. Don't hate because you're tone deaf.

whyalwaysm3 • 1 point • 6 April, 2017 10:49 PM

Who the fuck invites a girl over and then plays the piano while she sits there watching? Do you know how corny and cringy that is? 100% positive it's a made up story.

Also I'm not "tone deaf", I'm just socially aware enough to know how cringy that is.

wheresMYsteakAt • -10 points • 1 April, 2017 07:40 PM

That was me bro, the pizza was purchased using a dnm cc I bought for 1 dollar. Sorry, when you get a text "pizza = blowjob later?" what's a man to do? Also clean your bathroom up a little, it's disgusting.

theONE843663 • 4 points • 2 April, 2017 12:39 AM

Why the downvotes? This is pretty obvious April fools bait.

wheresMYsteakAt • 5 points • 2 April, 2017 01:17 AM

It had nothing to do with April fools, it was a dickhead joke to show that sometimes "that guy" isn't the beta you think he is. In the scenario I said, the OP could be "that guy" that provides a place to chill, weed to smoke and comfort and the dude he thinks is a beta could just be some dude that bought a bunch of pizza with a stolen credit card and dropped one off to her. He may have even fucked her in OP's house before. He's an orbiter and she told him that it's for her in OP and he chats for a few moments then leaves....ok bro. That's what she told you.

If there is something I've learned about women it's when they will sometimes beless than fully honest about other guys. He's either a "real man" who is the super boyfriend that is so good to her friend or he's the little dick loser. Many readers will recognize little dick loser, he's the guy that she cheated on you with but then went back to you. When she dumps you, you suddenly have the little dick though.

Just seeing way too many posts where the OP is the alpha and the other dude is some beta schmuck and it's not (only) because I don't believe the OP it's in many cases probably truly how they feel but it's usually because the female has made them feel this way.

Let's take an honest look at the OP. He's with a "plate" that he admits was LTR but he demoted for bad behavior (which means other guys), on a Friday night, at his house spending time with her to the point of while he is practicing a skill/hobby he enjoys, instead of sending her home he lets her linger.

bredleymartin • 3 points • 2 April, 2017 04:31 AM

There's a million angles too look at from. End of story is both are betas cause girl gets what she wants at the end using her pussy as currency.

theONE843663 • 6 points • 2 April, 2017 01:36 AM

Joke or not... Delivering pizza to a bitch at another's place is always beta. You're over-analytical bro.
