

Not looking for anything serious

August 14, 2021 | 1 upvotes | by [biscotti-raspberry](#)

Just want to test the waters. On an upcoming "hangout". 1. What's a good, short, response to this? 2. Is she also looking for something casual like I am? Is it okay to show my card and say I am as well?

Is this what her bio says? If that's the case she's more than likely looking for casual relationships.
