You're not creating any tingles for her, you're bad at sex, could be she's cheating on you, could be a comfort test. There's so many possible reasons. We need more context.

She's all over me. Calls me at least twice a day. Significant SMV gap - she has some self esteem issues and says I'm the best hottest boyfriend she's ever had. But lately she just will dry up in the middle of sex. She talks about how it's good - never complains or anything like that, but she'll dry up in the middle to the point where it's hard to stick my dick in her.

Ah you mean physically dry.

Try using lube, maybe her body is just built like that. Also really work that foreplay. Remember this, sex is about mentality as much as it is physical. Turning her on mentally is as important as turning her on physically. She needs to feel 'wet' in order to get 'wet'

Read the Sex God Method if you need help with turning her on mentally.

So I shouldn't worry about her cheating etc? Like I said she seems to be all over me. Even asks me to stay with her several days at a time. Just work on things in the bedroom eh?

Yeah, get her wet. She's probably not feeling turned on during sex.

Unless she was a lesbian she's probably not going to get wet for a pussy

Lol keep writing your shitty poems midget incel ☐

Edit: Just realized your a /ForeverAlone poster. Like your legitimately an incel who's never touched a girl. Now I feel bad, I take back what I said

I'm not a midget, wtf. I'm only like 3'3."

It's like the perfect height to ride a scooter into some women in the name of incelism, and blame it on getting blinded by the glint from your bald head so I don't go to jail.

I'd rather be balding and 6'1 then be a 5'8 manlet who gets no pussy lmao. But hey all seriousness bro I heard they're hiring at your local midget tossing tournament. You should volunteer so you don't have to work at the dollar store anymore.

Yeah I was looking for something else, I've pretty much picked this place clean. Maybe like a 50 cent store or something, just somewhere I can jack off at where customers can look and see, get a felony or two for some bad boy cred.

Midget tossing sounds pretty cool. What is it? You find three more midgets that each pay you \$1,000 and I find three more midgets that each pay me \$1,000. Like some kind of pyramid scheme. Plus we can even rake in the profits, too.

Might actually have some money now, first time in my life. What do you do in a situation like this? I could take out a fuck ton of credit card debt or buy some shitty stock options, the possibilities are endless.

Could even pick you up a bottle of lube for all the wet pussy you're drowning in, if you want. I'd offer a box of tampons, but there's so many pussies out here nowadays that they're in short supply. And I'd know what short supply is like, cause I'm like 2,4" and my dick has a literal black hole in it.
