

Seeking Men Ages 18-30 for Study of Sexual Initiation

October 17, 2022 | 5 upvotes | by [choffack](#)

Researchers from the Kinsey Institute are seeking participants for a roughly 25-minute online study of sexual initiation and peer opinions.

You are eligible if you...

- Identify as a man
- Are 18-30 years old
- Have been sexually active with another person before

Participation will include

- 1-time completion of an online survey taking roughly 25 minutes
- In exchange for your time, you may enter for a chance to win one of four \$50 [Amazon.com](#) gift cards
- [For more information or to participate, click here](#)
