

Billy Ray is a predatory pedo who exploits power imbalances to sleep with 30 year old children!

Billy Ray Cyrus is engaged to a girl who is one year younger than Miley who he allegedly met on the set of Hannah Montana I literally want to puke and die. Also their FaceTune use is so weird what is even going on.

and the gross men have come to defend their groomer king... fuck off idc if she's almost 30 he's over 60 & allegedly met her when she was a teenager. he was married longer than she has been alive and she's younger than most of his kids. it's FUCKING GROSS AND WEIRD.

just because it's legal doesn't mean it's not fucked up & gross & predatory. I've dated and been with people twice+ my age and trust me there's a fucking reason why these people, usually men, go for partners WAY younger than them. there's a huge power imbalance.

This is how feminists roll.....change the definition of pedophilia to suit your own agenda.

Algoresball • 20 points • 20 October, 2022 10:37 AM

Saying a 30 year old woman should be treated like a child is very sexist

AyowhatsgoodG • 35 points • 20 October, 2022 02:26 AM

Doesn't sound like they dated when she was a teenager so I don't really see the problem here. I think it's interesting how they also deliberately use words like "Girl" to make it seem like she's 14 or something. She's almost 30 years old and can make her own choices!

BloomingBrains • 28 points • 20 October, 2022 07:10 AM

Silly MRA, don't you know women are mentally children and can't be held responsible for their own choices or consent to sex even when they're 30? Oh and by the way, we're the party that is pro women.

I've dated and been with people twice+ my age

Who would've doubted

Why shame her for this?

punkerthanpunk • 8 points • 20 October, 2022 10:53 AM

I don't think a relationship with 30 years age difference is healthy at all but how the hell is this grooming? Do they even know the definitions of the words they use? They way they use these words like "grooming, power imbalance etc" is like a kid who discovers new words and repeats them all the time.

My main issue is meeting her when she was a teenager. I have the same issue with that elderly woman who hooked up with the 20 something guy she met when he was underage. Be careful when looking it up, they have a Twitter with... themselves...(the horror)

mishka_444 • -20 points • 20 October, 2022 12:07 AM

why is his love interest younger than his own children?

gozzff[S] • 22 points • 20 October, 2022 12:13 AM

Why not?

mishka_4441 points 20 October, 2022 12:26 AM [recovered]

do you actually not see the issue ☐

Rolaid-Tommassi • 26 points • 20 October, 2022 01:53 AM

Are you suggesting that a 30-year-old woman is incapable of making adult decisions? Because that sounds like misogyny to me.....

gozzff[S] • 25 points • 20 October, 2022 12:37 AM

Well, actually I do. It's called envy and the fear of being replaced by a younger girl in old age.

mishka_4441 points 20 October, 2022 12:48 AM [recovered]

its called predatory behavior bae

ExpertRacer • 22 points • 20 October, 2022 01:35 AM

How, she's nearly 30 years old, they just love each other, if she were underage or only just of age then yeah it'd be weird, but there's no issue here

mishka_4441 points 20 October, 2022 04:46 PM [recovered]

a 10 year age gap is not okay, a 20 year age gap is absolutely disgusting. Its not right.

djb1983CanBoy • 9 points • 20 October, 2022 06:19 PM

So a 50 and a 60 relationship is not ok?

Once youre an adult, society deems you responsible for your own actions.

You may not like it or agree with it, and think its wrong, but society says its not wrong. Because ideally something that is wrong is illegal.

Do you think she was groomed? Manipulated? Etc? That would make it wrong. But simply an age difference? That is not wrong.

intactUS_throwaway • 3 points • 21 October, 2022 12:00 PM

The only predator I see here is people like you trying to police the behaviour of a grown woman who can make her own decisions.

bluemonie • 8 points • 20 October, 2022 08:01 AM

Nope, if this was a 60 year old woman with a 30 year old dude. You would not care. Just keep that same energy please.

mishka_444 • 0 points • 20 October, 2022 04:46 PM

literally how did u come to this conclusion

bluemonie • 8 points • 20 October, 2022 05:07 PM

This type of posts only seem to appear when the man is older than the woman.

TheLWMA • 5 points • 20 October, 2022 06:11 PM

Not that I am encouraging dating people who are young enough to be your child, but you're removing any agency the woman has.

She's 30 years old. She's not some impressionable teenager.

Idk, what if they're actually in love? I just don't think that the default response to something like this should be calling a relationship between consenting adults "gross". (Personally believe that the age of consent/adulthood should be increased to 25 (seems more logical than 18, based on what I've read on brain development) so I'm not advocating for 22 year olds dating 60 year olds being ok but when you are above 25 ,you should be able to date whoever you want without anyone raising an eyebrow)

Older men aren't your property.
