You think Spotify would actually take it down?

I sent one in. The overall chat took around 20 minutes but there were gaps waiting on the Spotify Agent "checking" the podcast. This was the response I got:

Thanks for waiting. Thanks for sharing your thoughts with us. If there's anything else we can help you with, let us know.

I'll be passing this on to the right team here at Spotify.

Yeehaw, I'm going to contact them, too. Let's see if they pull this bitch off the air.
