

For a man, is having a high body count impressive?

October 24, 2022 | 0 upvotes | by [MasonSub4](#)

I'll post something later about this idea I've been sitting on. I just wanted some consensus first.

No, being born with the genetics females like isn't impressive

[deleted] 25 October, 2022 03:10 PM

[permanently deleted]

no_bling_just_ding[M] • 2 points • 25 October, 2022 04:31 PM

don't make things personal

platinirisms • 7 points • 24 October, 2022 10:14 PM

No. The quality of the women matter too. Having a high n-count is not impressive if it's all obese women.

DivineDaedra • 4 points • 24 October, 2022 10:23 PM

Or addicts. My cousin has mad STDs from getting it on with homeless women in exchange for drugs.

RedditsOlderBrah • 5 points • 25 October, 2022 03:11 PM

Wow. It's almost like it's the stupidest fucking metric for worth ever devised and should never be talked about again.

LiftSushiDallas • 4 points • 25 October, 2022 01:45 AM

No, because the number says nothing about the quality. The women could have been paid for, fat or ugly, or only fucked him for a specific reason unrelated to the man's game, status or attractiveness, such as to get revenge on an ex or current boyfriend.

If he has a high notch count of quality women because he's charming, affable, fun to be around, looks good, etc., then I wouldn't say it is "impressive" but it would make me look favorably on him.

tired_hillbilly • 4 points • 25 October, 2022 04:19 AM

I voted yes, but I need to clarify. It's impressive in the sense that it is a challenging thing to do. But not all challenging things are good things. Robbing banks is really challenging, and the North Hollywood bank robbers were great at it, but it was still super immoral.

High N count is a sign a man is effective, not moral.

Glad-Discount-4761 • 3 points • 25 October, 2022 04:49 AM

Sex is designed for man so man having high n count will always be impressive

gilamonster69 • 2 points • 25 October, 2022 04:05 AM

A man who is able to control his animal desires is to be desired by women and admired by other men.

DivineDaedra • 2 points • 24 October, 2022 10:21 PM

No. He could pay for it, he could be involved in drugs (addicts will do a lot of stuff for discounted or free drugs), or he could legitimately be very charismatic and charming.

FishTank341 points 24 October, 2022 08:48 PM [recovered]

Absolutely, everyone who said no is coping.

Peacesquad • 0 points • 24 October, 2022 09:17 PM

Facts. It's very impressive

Best_Illustrator_137 • 1 point • 25 October, 2022 02:12 AM

No need to go any further..it is hard as man to get sex so men who get lot are more respected by their peers, women think differently and experience the world differently so ofc it's not impressive to them..end of story.

hari_hbp • 1 point • 25 October, 2022 02:44 AM

Yes. A man with a high count probably is really attractive, fun-to-around, charming and has an amazing personality. Women are picky and a lot of them picked him - it is impressive.

Hyena_Utopia • 1 point • 26 October, 2022 10:39 AM*

Any guy with superior genetics can have a high body count. It doesn't impress anyone because it is completely inconsequential for anyone but yourself and the girls. Since they are on birth control/get abortions the sex might have aswell never happened.

Having lots of beautiful babies with beautiful women, that is impressive.

MasonSub4[S] • 1 point • 26 October, 2022 06:52 PM

why you gotta spoil the surprise? XD

Hyena_Utopia • 1 point • 26 October, 2022 09:59 PM

Not sure what you mean bro.

Peacesquad • -2 points • 24 October, 2022 09:17 PM

100%. A man has to have and bring value and earn that abundance. A woman doesn't. MEN AND WOMEN ARE NOT THE SAME

rurunoa • 2 points • 25 October, 2022 09:03 AM

yeah an abundance of stds and baby mamas

no_bling_just_ding • 3 points • 25 October, 2022 12:03 PM

rurunoa returns with a banger

Peacesquad • 0 points • 25 October, 2022 04:28 PM

Women actually have more STDs then men

no_bling_just_ding • 2 points • 25 October, 2022 04:32 PM

any source on this? just wanna know

Peacesquad • 0 points • 25 October, 2022 05:20 PM

Google it

no_bling_just_ding • 2 points • 25 October, 2022 05:29 PM

that isnt very convincing, i know the cdc says every sexually active woman over 23 needs to

get tested yearly for chlamydia but not much more

Peacesquad • 0 points • 25 October, 2022 05:38 PM

Women carry more then men I assume because women are more sexually actively then men and have more partners too

rurunoa • 2 points • 25 October, 2022 04:43 PM

im not gonna have sex with women so idc

Peacesquad • 1 point • 25 October, 2022 05:20 PM

"I don't care about facts"

rurunoa • 2 points • 25 October, 2022 05:25 PM

the question is from your perspective is it impressive if men have a high body count? why does it matter if women get stds when me as a straight woman is not gonna have intercourse with them. it doesnt affect me. so it is not impressive from my women perspective

Peacesquad • 1 point • 25 October, 2022 05:34 PM

Ok

Rook_Cross • 1 point • 31 October, 2022 10:08 PM

This is due to anatomy. Same thing happens with homosexual men.

Peacesquad • 1 point • 1 November, 2022 01:04 AM

So I'm correct.

DisasterPeace7 • 0 points • 31 October, 2022 04:49 AM

Depends on how it's done

A man banging 20 really hot model chicks is impressive, a guy banging 40 ugly chicks, nah, not to mention prostitutes and all that

Lost-Zebra6453 • 1 point • 24 October, 2022 11:21 PM

If a woman is so easily impressed by a man sleeping with lots of women you need to recalibrate what you find impressive

(I'm a woman)

I wouldn't care if he had a lot or not it's not impressive to have a lot. I'm impressed by things like travel experience and career growth

Wide-Illustrator2906 • 1 point • 24 October, 2022 11:43 PM

Yes. Even fucking 50 fat girls takes a little bit of skill and a amount of fitness.

debatelord_1 • 1 point • 25 October, 2022 08:59 AM

I think multiple long term relationships with attractive, high quality women is impressive.

no_bling_just_ding • 1 point • 25 October, 2022 12:09 PM

well either you:

- spent a shitton of money you could have used for more productive pursuits to get there
- had the right genetics so you could get it with no effort in which case it's not much more impressive than a woman getting it
- committed crimes to get there that i wont go into on this subreddit
- reached a status where you could easily do it with no effort in which case it's not the bodies that are impressive but the status (and you can easily lose it if you screwed the wrong woman)

Rook_Cross • 1 point • 31 October, 2022 10:06 PM

He's got issues that likely won't ever stop. Not valuable long term. Not valuable short term unless you're into that. Might be attractive outwardly but that doesn't build a happy life. R strategists are only impressive for bad reasons.
