

To all the whatevermaxxing folks out there, here is how it works in the real world, you can cry about it, you can not like it, but this is how it is for the vast, vast majority of men.

Most Men come to terms with their shortcomings as far as looks by like 20/21 & then figure out what to do to make it work. Fat, short, ugly.. the solution is always the same. Develop game, workout, or get money. Usually 2/3 or all 3. No think pieces on desirability needed.

Just don't allow yourself to be betabuxxed. I've seen it happen with family and friends and those guys do *not* get treated well.

BoogersAndSugar • 5 points • 18 October, 2022 12:04 AM

I've seen it, too. Ugly men's "relationships" are NOTHING to be jealous of! The constant disrespect, the resentment, the excessive demands....If a girl's "attraction" to you is the settling kind, she WILL treat you horribly. The only reason those guys even stay with the settling whore is because they were dumb enough to marry her and now their life will be even *worse* if they want out. There's a REASON so many married men tell their single counterparts not to do it!

shreyastalpade • 4 points • 17 October, 2022 08:18 AM

Story time bro.

FastBananaViral • 6 points • 17 October, 2022 04:20 AM

If you're ugly, nothing you do matters. "Game" is snake oil, saying words will not get females to like you

De_Carabas_of_Below • 0 points • 17 October, 2022 04:55 PM

So... explain why Anna Nicole Smith got married again?

FastBananaViral • 5 points • 17 October, 2022 11:53 PM

Anna Nicole Smith got married for money. She had a child with another guy while married to the billionaire lmao

De_Carabas_of_Below • 0 points • 18 October, 2022 09:36 AM

So "if you're ugly, nothing you do matters" is complete bollocks then?

Thanks for proving my point.

BurnaAccount1227 • 8 points • 16 October, 2022 06:26 PM

Sure, if your face is at least slightly below average or better and/or you're tall.

If you're just fucking ugly, no amount of whateverthefuck-maxxing is going to overcome it.

BlackPillPusher[S] • 3 points • 16 October, 2022 06:26 PM

I find that having money always works, no exceptions.

BurnaAccount1227 • 11 points • 16 October, 2022 06:29 PM

The problem with relying on money is that you attract people that have no actual interest in *you*. They just want your money or whatever status being with you can offer them. The dynamic is completely different. Can it get you random sex? Sure, probably. But you are highly unlikely to find a healthy relationship going that route.

De_Carabas_of_Below • 2 points • 17 October, 2022 05:01 PM

Untrue. Women find resources *attractive*. It's one of the key male roles.

Which caveman do you think the cavewomen wanted as their mate - the one who was superficially good looking, or the one who brought home the mammoth meat, fought off the sabre-tooth tigers, and was in charge of the tribe? So, resources, muscles and status.

Conversely, which cavewoman did the caveman want? The one that was likely to not-die after getting pregnant and giving birth. So, young and healthy. Wide hips, big boobs.

BigDino1 • 1 point • 11 January, 2023 08:56 AM

There weren't ugly people back then but I get what you're saying

BlackPillPusher[S] • 3 points • 16 October, 2022 06:31 PM

Here's the thing, nobody except your family and maybe some of your friends actually give two shits about "you" as a man, if you ain't useful you're nobody in this world, you can see how that shit works real well in divorce courts, which is how most marriages end.

INTP-1 • 2 points • 16 October, 2022 07:02 PM

The statistics I've seen is that 41% of first marriages end in divorce, so that means nearly 59% don't, and that's not nearly as bad as people generally think it is. Men have to be inherently useful, yes, because we are inherently disposable as well. But that's not all there is. Look at all the women who end up trapped in relationships with abusive men and keep coming back for more like they're a glutton for punishment. You don't have to look very far to see reality is far more complex than people give it credit.

BlackPillPusher[S] • 3 points • 16 October, 2022 07:31 PM

Depends where you are on the planet, here they are around 68% or so, and don't forget about all the cheaper to keep her and other bullshit men have to deal with, but that's your rake, you're welcome to take a step.

INTP-1 • 1 point • 17 October, 2022 03:19 AM

Where is 'here' my friend?

RatDontPanic • 2 points • 17 October, 2022 06:01 AM

Yeah a lot of that 59% are undead marriages with dead bedrooms and a total decline in affection.

Men have to be inherently useful, yes, because we are inherently disposable as well.

And that is the law of gravity pulling *all* relationships downward.

RatDontPanic • 1 point • 19 October, 2022 02:38 PM

This is the way.

SilentFroggy • 5 points • 16 October, 2022 06:40 PM

I don't know why people don't understand that there's a huge disrespect of being a beta.

BlackPillPusher[S] • 4 points • 16 October, 2022 06:41 PM

There's a huge amount of disrespect in being a man period.

SilentFroggy • 3 points • 16 October, 2022 06:43 PM

Yeah we know, unless you're chad.

We are just trying to get the word out.

BlackPillPusher[S] • 2 points • 16 October, 2022 06:44 PM

Or you can, you know, work on your finances and hit the gym once in a while.

SilentFroggy • 4 points • 16 October, 2022 06:47 PM

Who said I wasn't? A lot of guys do, we just don't do it for women.

RatDontPanic • 2 points • 17 October, 2022 06:02 AM

Or you can, you know, work on your finances

And get taken to the cleaners

Fact

ElectricBugs • 0 points • 17 October, 2022 07:58 AM

Sop embrace your ugliness and go after ugly women. Like why wouldn't you just stay in your lane.

BurnaAccount1227 • 2 points • 17 October, 2022 03:12 PM

.... Did you miss the part where I said even unattractive women will reject you just as easily as someone with more options? In my experience the meanest and most cruel rejections come from women I didn't find particularly attractive at all. Someone attractive, decent chance they just say no or they're not interested and I just thank them and move on. That isn't what happens at all with less attractive women, in my experience.

ElectricBugs • -1 points • 17 October, 2022 03:19 PM

Ah so you're a man but have experience as an unattractive woman?

Many women get treated like shit if they are less attractive. Men have really made up fantasies over women being put on some pedestal while they are treated like crap. lol.

I was being facetious but a lot of men really do not try as much as they think but expect more than they might bring to the table.

BurnaAccount1227 • 2 points • 17 October, 2022 03:37 PM

... What? I'm talking about my experience as a man getting rejected by unattractive women. You

seem lost. I'm well aware that I'm worthless and as a result I have effectively no standards. I'm not saying anything against the fact women get treated like crap. Men suck. My only point was "staying in my lane" doesn't help any when less attractive women also reject you, often times more harshly than other women.

Wear a blindfold during sex

SolidPuzzleheaded984 • 3 points • 16 October, 2022 07:03 PM

What even is "game"?

BlackPillPusher[S] • 1 point • 16 October, 2022 07:29 PM

Basically having a personality and a sense of humor, it's not as big of a deal as most PUA types would have you believe but it helps.

SolidPuzzleheaded984 • 7 points • 16 October, 2022 07:53 PM

Ya I don't think that's gonna make a difference in terms of the avg guy getting the hot girl lol

BlackPillPusher[S] • 1 point • 16 October, 2022 07:53 PM

Exactly, the most foolproof way is being loaded.

ElectricBugs • 1 point • 17 October, 2022 07:59 AM

Being attractive through charm and charisma. It's somewhat manipulative but better than being an incel.

DrBLEH • 2 points • 17 October, 2022 02:17 PM

It's manipulative to have a personality?

ElectricBugs • 1 point • 17 October, 2022 02:57 PM

No. Using charm and charisma can be viewed as manipulative. Game is about using what you have to your advantage, which includes manipulating others usually.

warramite • 1 point • 17 October, 2022 11:45 AM

If you're rich or famous you automatically have it to women

platinirisms • 0 points • 17 October, 2022 09:37 AM

Out of the good 10+ men who I've introduced to the gym, only 1 stuck with it. Out of **all** the men I know, less

than 10 actively and regularly go the gym.

In terms of weight change, most men have went from a healthy weight to overweight. Less than 5 have went from overweight to healthy weight.

In terms of money... that's just based on their job, they're not actively grinding for money like XP in a video game.

Most men my ass, your average man is an overweight dude with no sense of style, no muscle, and he makes medium wage for his age (aka not rich). *Most men* passively go through life while barely improving themselves in any noticeable way.
