I have read many crazy stories but still I get surprised.

Like wtf.He killed his son?

Thats it.I am saying this is cap or maybe op is faking story to see reaction

lostwanderer28 • 4 points • 24 September, 2022 05:49 PM

Right? Who would admit that their lover is someone who killed his own son? What? Why is he not in jail yet or something? Where is the FBI when you need them? They should stop watching me lmao.

anonimity, like that old saying goes: "give a man a mask and he will reveal his true self"

Hekinsieden • 2 points • 25 September, 2022 09:50 PM

"who is currently in prison for murdering his infant son"?

no_bling_just_ding • 10 points • 24 September, 2022 03:24 PM

this sounds fake

Meh... most women are like this to some degree.

anonymous-platypus1 • 5 points • 24 September, 2022 07:13 PM

Are we??? How so?

BlackPillPusher[S] • 2 points • 27 September, 2022 02:22 PM

I mean, hybristophillia is a real and fairly common thing, but I wouldn't go as far as to say most women are hybristophilliacs.

Cobra_x30 • 1 point • 27 September, 2022 11:03 PM

Look, this topic is very complicated. It isn't the criminal conviction itself that attracts most women. Instead it's the idea of being dangerous.

BlackPillPusher[S] • 1 point • 27 September, 2022 11:06 PM

If the idea of a man being assertive, motivated and capable being attractive to women is news to you then I guess you will have to do a lot more reading to do.

lostwanderer28 • 7 points • 24 September, 2022 05:47 PM

Bro, what is going on lol? I would like to call "FAKE" but knowing this earth and the atrocities people are able to do...

Lost-Zebra6453 • 6 points • 24 September, 2022 10:08 PM

I think fake too . Clearly fan fiction to show women love psychopaths and dark triad traits and are always thinking about their exes lol

If it is real all 3 adults in this story are trash

FastBananaViral • 7 points • 25 September, 2022 01:10 PM

Yep females will still say a lonely guy is alone due to his personality when guys who kill their infant son can get females attracted to him. I guess he killed his son with confidence and charisma

BlackPillPusher[S] • 3 points • 25 September, 2022 01:15 PM

Yeah he prolly had frame lol, what a trainwreck ffs.

RatDontPanic • 2 points • 25 September, 2022 06:03 PM

I mean, for real, they don't call it just world fallacy for nothing.

EnteFetz • 9 points • 24 September, 2022 01:27 PM

Stuff like that should be shown to every man who considers marriage.

h1shman • 0 points • 25 September, 2022 08:16 PM

That's has as much merit as showing this to people considering buying a home

boomershack • 3 points • 25 September, 2022 02:11 PM

That guy held so much masculine frame he made killing his own son attractive. ☐☐☐

infitofluxo • 7 points • 24 September, 2022 02:36 PM

I can't imagine a husband doing this to a wife. He might cheat her with her best friend but I couldn't imagine a man betraying his wife with a child killer from his youth. This is the kind of profanity some women are inclined to and they fail to address this in themselves when they are stereotyping males as aggressors or people without principles.

EviessVeralan • 1 point • 24 September, 2022 10:11 PM

I would argue cheating with her friend isn't much better than cheating with a criminal. She would have to not only heal from the damage he did by cheating but also from trust issues that may affect her ability to have close female friends in the future.

The criminal part damages her more than him.

infitofluxo • 3 points • 24 September, 2022 10:28 PM

Yeah but it feels sicker that some women are attracted to criminals and mean people

Admirable_Bee_8714 • 5 points • 25 September, 2022 07:29 AM

The modern day western woman.

Odd-Luck7658 • 1 point • 23 November, 2022 09:03 PM

She is married to a red pill man. Any wonder most divorces are initiated by women?

BlackPillPusher[S] • 1 point • 23 November, 2022 09:08 PM

Red pill men do not get married.

RatDontPanic • 1 point • 25 September, 2022 06:01 PM

Fuck me, this bitch is crazier than a bag of cats.
