He is proof of JBW

CrabMasterOG1 points 22 August, 2022 02:47 AM **[recovered]**

My 5'10 decent looking white mate went to the Philippines (on holiday because it's cheap, not an incel looking for sex) and was asked to impregnate multiple women.

Like within 10 minutes of meeting them.

Crazy different world over there.

IHateNormis • 6 points • 22 August, 2022 02:54 AM*

Yeah, white males are very fortunate to have this option. It is depressing as an ethnic male but what can you do?

kokorwqac • 2 points • 22 August, 2022 05:47 AM

<https://youtube.com/shorts/LVAMk5xUtqY?feature=share> Black man in thailand, as i said it is pretty much applies to any race

revente • 2 points • 22 August, 2022 08:50 AM*

Well it's not like any of those women who fuck men only because they're white, are viable relationship material.

Yeah, it's better to have an option of an easy lay, than not to have, but it doesn't really change anything meaningful in your life.

NotARussianBot1984 • 1 point • 21 December, 2022 08:31 PM

Non viable relationship? Why?

Sounds like cope. I'd be Chad in Thailand, being able to bring a girl out of poverty is huge.

Here in CANADA they just tax me to death to give money to single moms, nad I don't even get laid lol

revente • 1 point • 21 December, 2022 08:36 PM

No you won't be a chad. You'd be an uber-beta.

And those women who obviously chose you for your race and wealth, are literally the worst material for a relationship.

You want to be with someone who has other qualtiy options and chooses you because she likes you because she likes you for who you are.

NotARussianBot1984 • 1 point • 21 December, 2022 08:44 PM

Uber beta to a young slim hot women in a country where I'm the best she can get, I can retire at 35, and is more traditional than Canada, sounds like.78.37% of a win.

I don't need perfect.

revente • 1 point • 21 December, 2022 09:59 PM

Sure. When you're starving, even the shittiest, dirtiest fast food will seem like a feast.

But, i guarantee you'd not be able to eat that crap for extended periods of time.

Also, I just meant that those women will treat you like a beta in no time. Which means much more misery than when you're lonely.

NotARussianBot1984 • 1 point • 21 December, 2022 10:08 PM

I'm here for a good time not a long time.

To me, not much better in life than being treated like a Chad, even if temporary and only Chad Lite.

What else am I gonna do? Go travel to Europe like a good little consumer?

Most things solo in life are quite bland outside achieving life goals like promotions and hitting new PRs in the gym

revente • 1 point • 21 December, 2022 10:11 PM

Sure. I was talking about the context of relationships. If you want just casual sex then go for it, why not.

kokorwqac • 3 points • 22 August, 2022 05:39 AM

I knew many men of all races who did got laid easily in southeast asia tbh, having american citizenship alone is a bonus to them

IHateNormis • 3 points • 22 August, 2022 06:11 AM

White has an advantage

kokorwqac • 2 points • 22 August, 2022 09:25 AM

True to an extent however it's not like black, asian, middle eastern or even indian dudes here have a particularly hard time here

[deleted] • 3 points • 22 August, 2022 10:36 AM

The most brutal blackpill to swallow is the race pill without a doubt.

ScrimmyBingusTwo • 6 points • 22 August, 2022 01:44 AM

I've been familiar with this particular incel and his story for quite a while and I don't doubt that he did this legitimately. He seems like an absolute nutjob but he did inspire me to try Tinder with my location set to Southeast Asia after I struggled to get 10 matches in the span of a month where I live in the USA. Surprisingly, I got tons of matches there (mostly in PH and Thailand) and had women messaging me first which was a huge shock to me. Whether the women were actually attracted to me or were just looking for a foreign betabuxx is a different story.

revente • 3 points • 22 August, 2022 01:43 AM

So what is your question?

Wide-Illustrator2906 • 3 points • 22 August, 2022 07:27 AM

Outside of being physically or mentally ill, no white guy should be an incel. There are literally millions of women of color who would gladly date a white guy.

BumblingBeta • 5 points • 22 August, 2022 11:51 AM

You have to travel abroad for it though. Women of color in the west are just as picky as any other woman.

kokorwqac • 1 point • 22 August, 2022 09:23 AM

In thailand or philippines literally any race of foreigner can easily get laid, i think the effect of jbw is true to an extent but a lot more exeggrated than originally thought of, i met many white incels that i personally thought weren't even bad looking

Proof of what i'm saying: <https://youtube.com/shorts/LVAMk5xUtqY?feature=share>

NotARussianBot1984 • 1 point • 21 December, 2022 08:34 PM

Yes of course, but who cares about just not being incel.

If you're options is single obese moms that want to use you, getting laid is just a trap for more child support.

Wide-Illustrator2906 • 1 point • 22 December, 2022 01:06 AM

The way so called incels bitch and moan, they obviously care. Truthfully, they aren't incels, just guys who don't like their options.

Being sexless is not a death sentence, you can do something about it. You can lose weight, get fit, travel, make more money and work on their social skills. I literally did all of these things because I hated my options so I don't feel sorry for them in the least bit(especially the white ones).

If you are a white man who's simply in decent shape, with your own car and own place, you can pull pretty asian, black and Latino women just off that. I've seen 5/4 fit bald white guys pull black women who are 8's with ease.

NotARussianBot1984 • 1 point • 22 December, 2022 02:31 AM

Hi, I'm white man, fit from 7 years of power lifting 5x5 and greyskulls to 195lbs and 5 7 with 31 in waist.

Only girls I've been able to pull from social groups, cold approaching, and tinder has been obese girls

But thankfully since I'm educated, white collar professional with some investing experience and now 500k USD saved up, I just sugar date.

Dating is hard, even from decent men. Girls that are young and healthy want EVERYTHING in their man. The hottest girls I dated when I was a teen b4 tinder (I don't count pre OLD) complained I was short.

But I'll just retire at 40 to philippines, and sugar date in mean time. Life at bad, but vanilla dating blows

BlackPillPusher • 2 points • 22 August, 2022 09:54 AM

No man with a 100\$ is an incel.

kokorwqac • 1 point • 22 August, 2022 05:46 AM
