SmarmyPapsmears • 12 points • 9 December, 2022 07:53 PM

No? Everyone gets old. He probably fucked hundreds of women in his lifetime.

puddingdesperation[S] • 0 points • 10 December, 2022 11:35 AM

it wouldnt be hurtful if you were already subhuman, but losing beauty is tragic.

Glad-Discount-4761 • 1 point • 10 December, 2022 05:22 AM

Only hurtful for women

NotARussianBot1984 • 11 points • 9 December, 2022 07:23 PM

social\_mule • 8 points • 9 December, 2022 07:34 PM

People grow old. What a fascinating revelation.

takethelovepill • 1 point • 9 December, 2022 10:35 PM

No shit huh. Heavens, people just don't stay 27 forever! ☐

SwimmingTheme3736 • 7 points • 9 December, 2022 08:10 PM

Everyone grows old so what?

debatelord\_1 • 5 points • 9 December, 2022 08:31 PM

Agepill is brutal. It's so depressing to see people decay.

At least chads have their memories of young love.

HateSpeechFanBoy • 3 points • 10 December, 2022 03:23 AM

Chad ages slower. Tom Cruise, Johnny Depp and Brad Pitt can still play male romantic leads

puddingdesperation[S] • 1 point • 10 December, 2022 06:50 AM

most of their fans aren't young women + they aren't 80

Glad-Discount-4761 • 1 point • 10 December, 2022 05:24 AM

Yeah.Male chad Actors age so good that even your daughter will get paired with them to play young couples.

He can still get girls.Men' value doesn't decrease as they are valued for resources and what they provide so he still have that.

Age Pill is more real for women because once woman reach 30,she don't have value so she become useless.So please don't try to cope by comparing it to man.

puddingdesperation[S] • 1 point • 10 December, 2022 06:49 AM

you're older and come from a south asian country if i'm not wrong, what you say hardly applies to a western country amoung younger women.

Glad-Discount-4761 • 2 points • 10 December, 2022 07:51 AM

If it doesn't apply,you wouldn't be coping or posting here

puddingdesperation[S] • 1 point • 10 December, 2022 08:14 AM

i'm not even old lol
