

# Guys, what can a homely looking woman ever hope to do to become attractive to you?

I don't mean butt ugly, I mean homely, average, mediocre in terms of looks. What other things can she bring to the table that would make her irresistible? Or is she a lost cause in terms of you ever wanting to be with her?

Show a bit of affection.

Definitely a highly valuable trait to have.

Sexual enthusiasm

RatDontPanic[S] • 2 points • 9 December, 2022 03:54 AM

That's what I'm talking about. For me that trumps everything.

I don't know what you mean by average, to me average girl is pretty, maybe you don't think so.

Depends on the guy she wants, and what she wants out of him.

The average girl can get hot guys to bed.

Most probably they won't commit.

Specify?

Dudes on here only seem to want the hottest babes. I used the word homely to suggest the kind of woman they wouldn't see as their first choice, looks-wise.

I think most dudes here would give their lives for a month with an average girl who's truly attracted to them

RatDontPanic[S] • 2 points • 9 December, 2022 03:39 PM

That is true!

Mydragonurdungeon • 2 points • 9 December, 2022 02:33 AM

That kind of girl usually is attractive to me but being very feminine

you misdefined homely anyway ive been going for average women most of the time who rejected me (i generally steer clear of stacies) and this is what drew me to them:

show affection

have hobbies

being sportive

having strong personality i.e. willing to disagree with others and do her own thing (not talking about hedonism)

show support even in hardship

im turned off by women that attract too many guys to begin with so im fine

Be slim, spunky, affectionate, enthusiastic.

If you're hot you're hot, if you're not you're not.

You can't replace raw sexual attraction with anything else. It is non negotiable.

For you, maybe.

A desire to be a good homemaker. Want to have kids, raise and teach them, clean the house, cook for the house, suck dick, be quiet, smile.

Gym out

RatDontPanic[S] • 1 point • 9 December, 2022 04:37 AM

How far out?
