

virgin women who virtue signal about wanting virgin, still want chads.

Just a reminder to my fellow inkies, that any virgin women on this site that tells you that she wants low n count or virgin men, are first of all, virtue signaling to you, and second of all when they are fantasizing about their mythical future virgin husband, they are picturing some chad who was spoiled for choice, but had the morals to not participate in hookup culture and is then still a virgin as a result. They don't want some below average looking or ugly looking dude that's a virgin simply cause no girl wanted to fuck him. Just a reminder. □ □

Kind of like how virgin men want virgin attractive women who become sluts and love sex only for them ☐

Men don't care about appearance as much as women do

There are more studies saying men care more about. You can cherry pick anything you like and you found one that's in Spanish.

The point is both genders care. And men still want an attractive or average woman.

Which of you inkies to use ops word would like an unattractive and obese woman? No takers?

No, there aren't. If you think there are, share them. There may be some questionnaire studies where women **say** they don't care about looks, but their **actions** tell a different tale according to the study above. Still, if you have a study of any type to support your claim, I'd be willing to discuss it.

you found one that's in Spanish.

It's in both English and Spanish. You are responding to me in English so you shouldn't have problems understanding a study that's also written in English.

And men still want an attractive or average woman.

No, many men are more than happy to wife up uglies. You can say everyone cares about looks to an extent, but women care about looks disproportionately more than men.

Which of you inkies to use ops word would like an unattractive and obese woman?

Me.

Then explain how Lizzo has a boyfriend and Lena Dunham got married.

I think you meant to respond to blebbyroo

Men care about appearance less. Any female can get sex or relationships very easily no matter how they look, the reverse cannot be said.

As it should be. You're not entitled to Chad, bluepill.

blebbyroo • 3 points • 2 February, 2023 06:11 AM

No one is entitled to anyone. Your comment doesn't stick to the point though that men also want a woman they find attractive

~~virgin women who virtue signal about wanting virgin~~, still want chads.

When a female says she wants a virgin she means a Chad that has had females all over throwing themselves at him but he refused

no_bling_just_ding • 2 points • 2 February, 2023 09:42 AM

its the same thing guys want tbh, stacy who refused chad to marry his sub8 ass

InkieForBeingCurry • 3 points • 2 February, 2023 09:44 AM

Guys are way way way less picky, including the ones that want virgins

no_bling_just_ding • 0 points • 2 February, 2023 09:48 AM

i also agree

ultimately that woman will take a chad anyway and overlook his past if she has any trouble nailing what she wants and such is life

no_bling_just_ding • 1 point • 2 February, 2023 09:43 AM

tbh you wouldnt want a hypothetical femcel whose smv was so low no guy wanted to fuck her (those are extremely rare in reality but just for the sake of argument) i dont really see a difference here

aint no virgin woman crying herself to sleep at night because some allpilldebate user rejected her

Yes I would. Some femcels are just skinny neets that stay in the house all day.

no_bling_just_ding • -1 points • 3 February, 2023 09:58 AM

that femcel has high enough smv that more men than just you would want to fuck her or put a ring on her

Last-Post2085 • 0 points • 3 February, 2023 10:19 AM

No one knows they exist usually because they keep to themselves. I've fucked two femcels now and they hide away from society. One was a neet and the other works but has zero friends and just plays video games/watch TV when she isn't working. Neither of them have social media. It was completely random online luck how I found them.

Moggedagain • 2 points • 3 February, 2023 10:28 AM

Then they are not femcels anymore, normie.

Last-Post2085 • 0 points • 3 February, 2023 11:53 AM

normie.

lol. I'm autistic asf and yet I've still had sex with femcels. Stay jelly

Moggedagain • 3 points • 3 February, 2023 12:07 PM

Also pics or it didn't happen

Moggedagain1 points 3 February, 2023 12:06 PM **[recovered]**

Then you are not a part of the incel community, normie. Go do your NPC things instead of shitting up blackpill spaces bragging about having sex. Reported for bragging.
