Damn, I always got so sad seeing her comments and how much she really believed women (which means herself) were worthless

I hope she finds peace

i think she just got unlucky being born in india and all because as far as i know even 90 year old granny is valued more by society and by tinder algorithm than 80% of men in their supposed prime

but yep im sad too, she told me she'd miss me

Yeah so many people in the world have a hard life because they hey weren't born to a first world country,

While we can't minimise the struggle a lot of us have within first world countries it's important to remember how different first world problems are and how blessed we are

no_bling_just_ding[S] • 3 points • 26 February, 2023 09:35 PM

how blessed we are

how blessed *you* are. i live in morocco, with the wages and norms of third worlders and a dating market that offers me no comfort.

Apologies, when i said "we" I meant those of us in a first world country

no_bling_just_ding[S] • 7 points • 26 February, 2023 09:28 PM

she told me and sent me a note on discord

Antisocial_Nihilist • 3 points • 27 February, 2023 02:56 AM

Damn, that sucks. I remember her mentioning she was depressed a few times.

Last-Post2085 • 1 point • 27 February, 2023 01:46 PM

How do you know she really killed herself though? Do you have any news or information relating to a tribunal or burial? What if she sent that and just decided never to log back into Discord? You would never know?

no_bling_just_ding[S] • 1 point • 27 February, 2023 01:48 PM

she has passed away two days ago according to her brother who left me one last message before he will delete her discord account.

11/04/1992 - 02/27/2023

"I am deeply saddened to inform you that Ally04 passed away two days.

I am planning to delete her discount account which includes removing everyone from friends list

Just wanted to inform you I will do that tomorrow(or you can remove her)

Thanks for giving my sister good time

I wish you well for future "
