

2 weeks from now will be my birthday. I will be turning 25. I'm going to go to an escort and just get it over with.

98 was a tough year

Don't even bother with an escort. It is not the real thing. It is basically paying to jerk off. It is even worse because your hand cares about you more than a whore would. It is a waste of money and I think you will rightfully feel scummy afterwards. You will never get the full experience with an escort, there is no need to feel bad about being a virgin at any age, especially as a man.

Cope

gruckendud • 1 point • 6 March, 2023 03:00 PM

How is that cope? I suppose you are bluepilled? You really think that in the age where female hypergamy is at it's highest men should regularly expect sex?

do not do it women do not deserve the money

Yeah instead of assuming responsibility and showing himself what he's missing out on he should just scream in this sub about how unfair life is until time stops.

Have fun, express your desires, and, pay for a full night if you can. You might cum super fast the first time so having time to go again will help. Fuck the haters, get the most out of it.

Do some research, find reviews if possible.

You'll feel worse after an escort. Do you really want to live the rest of your life with the idea that you had to pay a prostitute money to lose your virginity?

You will not feel better, you can even argue you'd feel worse.

TaxNegative161 • 0 points • 4 March, 2023 06:08 PM

I would be infinitely prouder of him than you as a father or older brother.

platinirisms • 3 points • 4 March, 2023 06:28 PM

You would be proud that your own virgin son felt so ashamed of his own inability to get laid that he paid a prostitute to sleep with him?

Why?

no_bling_just_ding • 2 points • 4 March, 2023 09:17 PM

you shouldnt reply to him he's admitted before that he intentionally says the least useful thing he can think of

TaxNegative161 • 1 point • 4 March, 2023 06:33 PM

No, I'm proud that instead of standing there and screaming at an obstacle, he navigated it with options realistically available to him. If he was like you tho I'd fire him onto the sun.

platinirisms • 3 points • 4 March, 2023 06:51 PM

Options for... what exactly? To have sex? How is that going to make him happy or feel better about himself?

Prostitution is just a luxury version of masturbation. It's like taking drugs for people who feel nothing without drugs.

Lol you sound like a 1950s house wife being very concerned about dungeons and dragons.

blebbyroo • 0 points • 4 March, 2023 05:14 AM

Spend the money in Vegas and get the escort there probably will be a really fun time

no_bling_just_ding • 3 points • 4 March, 2023 07:37 AM

blebbyroo • 2 points • 4 March, 2023 07:58 AM

Acearl • 1 point • 4 March, 2023 07:33 PM

Like any woman, some escorts will be great, some empty and vacant. Don't let your first experience be the defining one. I wouldn't do it all the time, but maybe once or twice a year. Depending on what you can afford and the availability in your area. Nothing wrong with using an escort. It's as old as humanity.
