This is your life on easy mode

Antisocial_Nihilist • 16 points • 24 March, 2023 10:20 AM

Her male looksmatch roped in high school.

Yet she makes \$18,000 a month on OnlyFans.

Society is gynocentric. Women are payed to exist, men must pay to exist.

[deleted] • 1 point • 24 March, 2023 10:50 AM

SOCIETY IS WHITE WOMAN PRIVILEGE. SHOW ME AN EXAMPLE OF A NON-WHITE WOMAN GETTING THIS TREATMENT. ***YOU CANT.***

TetsuoTamayaka • 1 point • 25 March, 2023 11:03 PM

Her looksmatch can't rope because he would break the ceiling

Flesh_Pillow5 • 1 point • 4 April, 2023 09:49 PM

Would you say a woman is an NPC by default?

500mgofShower • 3 points • 24 March, 2023 06:09 AM

yessir

[deleted] • 0 points • 24 March, 2023 10:49 AM

White women = LIFE ON EASY MODE BECAUSE NON-WHITE SIMPS WHO THINK WHITE = GOD.

fatsackguy47 • 15 points • 24 March, 2023 12:18 AM

i found out about her on IG. shes a morbidly obese woman with a pretty attractive skinny boyfriend and a successful only fans.

btw if you can't tell it is in fact over

Lainsel[S] • 16 points • 24 March, 2023 12:34 AM

Lol yea. "Femcels" or "forever alone women" don't exist

fatsackguy47 • 15 points • 24 March, 2023 12:36 AM

exactly. if you go on r/foreveralonewomen you'll see posts of women talking about how they cant get chad and how they only get approached by future betabux orbiters lmao.

Lainsel[S] • 10 points • 24 March, 2023 12:42 AM

Brutal. The whole sub is them judging men by the chads who pumped and dumped them

sneakpeekbot • 1 point • 24 March, 2023 12:36 AM

Here's a sneak peek of /r/ForeverAloneWomen using the top posts of the year!

in the first post the ogre man is any non-chad man who isn't invisible to women (chadlite)

Lainsel[S] • 9 points • 24 March, 2023 12:47 AM

LMAO they're coping so hard

fatsackguy47 • 6 points • 24 March, 2023 12:50 AM

it's crazy cuz we know it's true. we know how women rate men. the ogre man or "unattractive man who rejected them" they sometimes refer to is most likely some high tier normie or chadlite. literally 70th percentile in looks.

[deleted] • 0 points • 24 March, 2023 10:50 AM

****White** femcels don't exist.**

Opening_Pattern_301 • 2 points • 24 March, 2023 10:23 AM

a pretty attractive skinny boyfriend

surely he is not in because of her looks, so what does he gets out of it? and i say that because this isnt the most charismatic woman in the world evidently.

Male gold diggers exist too

fatsackguy47 • 2 points • 24 March, 2023 03:03 PM

they were broke before OF

[deleted] • 1 point • 25 March, 2023 01:24 AM

It's over

Lucr3tius • 10 points • 24 March, 2023 02:42 AM

I fucking hate this timeline.

500mgofShower • 7 points • 24 March, 2023 06:25 AM*

Brutal, this women SMV mogs me back to the hills of Guanajuato ☐

FortniteAbobus • 3 points • 24 March, 2023 02:22 AM

Dead knees and heart failure. Miserable creature.

atmhere11 • 2 points • 26 March, 2023 02:59 AM

Y'all are so mad at this LOL. It's men fault that this whale can lock in thousands per month. Many men are

spiritually vacant and let their nut take control of their lives to their detriment.

[deleted] • 2 points • 26 March, 2023 03:02 AM

This is such a good blackpill to send to normies

Lyzard96 • -5 points • 23 March, 2023 11:18 PM

It's not women's fault a lot of guys like big girls. We live in a society that allows a diversity of opinion and preferences. Get over it.

fatsackguy47 • 19 points • 24 March, 2023 12:15 AM

diversity for women, for men ur either chad or invisible.

Rammspieler • 8 points • 24 March, 2023 03:16 AM

Based and factpiled

Lyzard96 • -1 points • 24 March, 2023 12:15 AM

Bullshit.

fatsackguy47 • 15 points • 24 March, 2023 12:21 AM

OKC and other studies which explore how women rate mens looks and what women find attractive in men say I'm right.

Would you like to read them?

EDIT: I just read ur last post your obviously a troll.

Lyzard96 • -2 points • 24 March, 2023 12:22 AM

No. Fuck OkCupid.

It's a dating sight. They have an agenda to sell more memberships.

fatsackguy47 • 13 points • 24 March, 2023 12:31 AM

yeah nothing screams "join our app" like "most men are ugly according to women"

Lainsel[S] • 13 points • 23 March, 2023 11:24 PM

completely misses the point

Smh

Lyzard96 • -5 points • 23 March, 2023 11:27 PM

What's the point then?

Lainsel[S] • 13 points • 23 March, 2023 11:38 PM

"It's over"

Lyzard96 • -5 points • 23 March, 2023 11:59 PM

What's over?

[deleted] • 11 points • 24 March, 2023 12:11 AM

Life as non-chad is over

Lyzard96 • -3 points • 24 March, 2023 12:14 AM

☐♀☐ jfc grow some balls, stop feeling sorry for yourself and clean your damn room. Then go out and find someone.

[deleted] • 7 points • 24 March, 2023 12:17 AM

Im unlike anything you probably imagine I am despite what my comments here suggest. I have my life in order , I'm a researcher, I go out and can make connections , I had dates etc. but it's just a fact that my bum friend who doesn't clean his room and lives off this mom , goes on tinder and bangs women left and right just because he looks good

Lyzard96 • 0 points • 24 March, 2023 12:20 AM

Yeah okay, good looking men (and generically attractive women) get more attention. That's not a death sentence for "non-chads" lmao. You said it yourself. You can make connections and get dates even though you're not as conventionally good looking as your chad friend.

fatsackguy47 • 10 points • 24 March, 2023 12:34 AM

all that time, effort and money just to get with a girl who doesn't even want you because your not chad.

tragic.

should've spent all that time/money/effort getting leg lengthening and facial plastic surgery and hitting the gym instead.

reeeeadnendn • 10 points • 24 March, 2023 12:02 AM

The point is that even the most lardass woman can still find an audience of desperate, lonely men to profit from. There is no empirical data to extrapolate an average income on OF, so anecdotal evidence like this is extremely useful.

Lyzard96 • 2 points • 24 March, 2023 12:09 AM

Some of them aren't desperate and lonely though. BBW fetishes exist.

reeeeadnendn • 12 points • 24 March, 2023 12:28 AM

Makes no difference, your rebuttal is irrelevant. If men were getting pussy IRL, what financial incentive is there to pay for subpar pictures?

Last-Post20851 points 24 March, 2023 10:22 AM [recovered]

BBW fetishes exist.

Why don't BBW fetishes exist for women who are into fat men? Why is it universally men into BBW?

The fact is women have a very narrow idea of their ideal man. While men are interested in a wide range of women.

Lyzard96 • 1 point • 24 March, 2023 01:50 PM*

Because women don't watch porn as much. Our viewer demographic in the porn industry

is underrepresented.

I like dad bods.

That was my point in the first place. Men have a wider range of attraction than women (generally, not always). I don't know why it's pissing you off so much. It's not your problem. Are you forced subscribe to this woman's only fans?

Hyena_Utopia • 7 points • 23 March, 2023 11:54 PM

Those guys would all be with a slimmer, taller, cuter girl if given the choice. They're just what they can get, but don't believe for a second a normal healthy person, male or female can truly fall in love with someone like this. Men and women are extremely similar.

In your world view it seems like men are non-shallow beings who have a varied taste. They're not. Just like women like the same type of men, men like the same type of women, beautiful ones. Some near incels settling for whales doesn't change anything.

[deleted] • 2 points • 24 March, 2023 10:51 AM

They are non-white men who worship whiteness like gods because they're obsessed with white vagina. Stop making pity stories for white female supremacist non-white scums.

Lyzard96 • 0 points • 24 March, 2023 12:03 AM

This whole evo-psych bs has to stop. Yes. People do have varied taste actually. And women don't like the same type of men. I like chubby/thicc dad-bod guys myself.

There's a whole ass porn industry for BBW girls don't give me that crap lmao.

Rammspieler • 6 points • 24 March, 2023 03:14 AM

Why is there a shit-ton of BBW porn but virtually no BHM porn? Why is body positivity pretty much exclusively female-only but men are still told to hit the gym and make gains? Kinda makes ya think□

Lyzard96 • 0 points • 24 March, 2023 03:16 AM

... liking dad bods is a thing.

Women don't generally watch porn as much. Porn is skewed towards men's preferences anyway.

Rammspieler • 4 points • 24 March, 2023 03:19 AM

Yet the biggest consumers of the most nastiest and degrading porn genres and lesbian porn are... Women?

Lyzard96 • 1 point • 24 March, 2023 03:27 AM

No. The biggest consumers of visual porn in general are men. Period. The minority of women who do watch porn may watch those things but not the majority of the entire audience.

Rammspieler • 4 points • 24 March, 2023 03:38 AM

So are you admitting that women are less sexual than men?

Lyzard96 • 1 point • 24 March, 2023 03:39 AM

Probably. I don't know. Some women have high libido. I don't but I sometimes watch erotic content. Everyone is individual.

500mgofShower • 3 points • 24 March, 2023 06:13 AM

Where do I find women like you? I feel like y'all just cap for the internet when you say you like thicc dad bod guys, because obviously I wouldn't be in my predicament rn if it was true

Lyzard96 • 1 point • 24 March, 2023 01:56 PM

Approach women. Inb4 rape accusations: the internet is not irl. It only shows you insane women who scream rape at every man that speaks to her because it gets more views.

500mgofShower • 2 points • 24 March, 2023 08:56 PM

approaching hasn't done shit for me really, this is during the nighttime at clubs and bars. Just nothing but one word answers and disinterest in their voice and body language. I know daytime approaching is really futile so I don't really try on that end.

I wanna know where to find women that are into big boys so I can stop wasting my time and destroying my mental health slowly. Where do y'all hang out? what should I look for when trying to find y'all? I know these sound like childish questions but I'm really stressed and just want something to put my mind at ease

Lyzard96 • 1 point • 24 March, 2023 08:58 PM

Do you go anywhere else? Parks, the grocery store... anywhere.

500mgofShower • 2 points • 24 March, 2023 09:03 PM

No I realized approaching during the day was a waste because you're just interrupting people going about their daily life.

Night time approaching, even though hasn't brought me luck so far, has the best luck because people are drinking and are more social.

Lyzard96 • 1 point • 24 March, 2023 09:08 PM

People aren't *always* doing things or busy.

500mgofShower • 2 points • 24 March, 2023 09:12 PM*

alright bro I see where this convos gonna keep going..
probably have 0 clue how hard it is to date as a man

Medical-Performer324 • 1 point • 16 May, 2023 01:35 PM

This society has fallen. At least in the west
