

Girl not holding the door

8 upvotes | 23 February, 2018 | by empatheticapathetic

Alright this is a total mockery of asktrp but I'm curious. I was walking into a supermarket in a line of 5 people. I was at the back (in a rush) and in front of me is a hb8. Everyone else is just old women. Everyone is holding the door open for the next person. Quick hold and moving on, like 4 doors. But this bitch goes to great effort to not hold the door and rush into a quickly closing door so I have to open from scratch. For every single door.

Is it this a shit test or is it a total lack of respect?

I'll go drink some ammonia after this so you'll never hear from me again don't worry

Yeah, this was a shit test. You missed your opportunity to fuck this hotty, that is absolutely worth thinking about all day and posting on the internet over...

He should have agreed and amplified by running in front of her and holding the doors closed so she can't get out!

LOL

It was definitely annoying me.

FranklinThePlug • 13 points • 23 February, 2018 07:13 PM

She probably didn't give a fuck about you i'm sorry ☐

Lack of respect

empatheticapathetic[S] • -1 points • 23 February, 2018 07:31 PM

Well that's a bummer

refusewool • 7 points • 23 February, 2018 07:34 PM

Why? She's a girl. Don't take offence. You wouldn't post on an Internet forum if a kid chose not to hold a door open for you...

I know but just the simple lack of basic respect is a bummer. She's garbage if she's truly that useless but I was wondering if there was another side to it.

If it was a shit test, a low self esteem person would accept it. A normal self esteem person would get annoyed. And someone dominant enough who 'gets it' would use it as an opportunity to open and ask her why she needs putting in her place.

Ask yourself WHY.

Why does a girl think you don't deserve respect and that it's acceptable to let doors slam in your face?

Perhaps she was just a bitch.

But perhaps you don't look particularly muscular, well dressed, confident etc.

If it is the latter, you've got some work to do. Don't hamster the explanation. Either way, don't concern yourself with the opinions of children.

I don't know. I can't think of an obvious reason this girl should have disrespected me so I considered it may have been a shit test.

I know of girls who disrespect me. Usually it's race based. This girl was not white and neither am I. Another reason I considered it was a shit test.

Honestly, I look pretty good today. I had just been to yoga and my body felt great, big strut, just showered, on the way to a party (on the way now) and was picking up supplies. My presence was larger than 99% of the rest of my week. So for her to act so blatantly disrespectful in such circumstances...made me curious.

Thanks for your reply. No one else took this seriously ha.

Not everything is a shit test. I wouldnt be surprised if she didnt even realize you were there. Move on.

empatheticapathetic[S] • 1 point • 23 February, 2018 09:01 PM

She knew I was there and made eye contact with me before slipping through the first door. Hence why I took this so personally.

RedSkeller • 7 points • 23 February, 2018 10:56 PM

Plow through door glass and then pound that ass bro.

Always confront, that is so comical I love it.

God you people read way too much into everything

IronJohnKwando • 4 points • 24 February, 2018 02:35 AM

it's actually not about you at all. All about her, 100%. Not disrespect, not a shit test, she probably didn't acknowledge your existence. 100% in her own world which revolves 100% around her

Cheers. This makes sense without my ego getting involved

mrHappyPotatoe • 2 points • 24 February, 2018 05:57 PM

Girls IQ is reversely equal to her beauty.

MattyAnon • 2 points • 9 May, 2018 06:38 PM

(looking through the post history as requested by OP)

Is it this a shit test or is it a total lack of respect?

This is insanity on your part. I doubt HB8 even checked behind her... she didn't see you, she just dived through.

Selfish yes... personally directed at you: no.

Pluglord • 2 points • 24 February, 2018 12:47 AM

Girls only do this type of shit to dudes who they find ugly.

empatheticapathetic[S] • 3 points • 24 February, 2018 01:03 AM

I'm not bullshitting. I want the truth. Cheers. I have no issue with this.

LavaPipe • 3 points • 24 February, 2018 01:23 AM

Op you are an idiot. There was no shit test. She was not even acknowledging your existence

AlfredKinsey • 0 points • 24 February, 2018 02:16 PM

It's probably definitely just disregard or lack of respect. I do this all the time when I'm in rush because I'm generally a dick who cares more about my own schedule than being courteous to random strangers.

Points for the ammonia joke (that is hopefully a joke).
