Conversely, one could ask why Republican men are more likely to commit sexual misconduct.

You guys are missing the forest for the woods.

You can't see any forest if you think all the trees are fake.

Democrats are pussies. You guys need TRT. End of story.

My T is good man. Just had it checked. My guess is you need to go on a Fox News fast and pull Trump's micropenis outta your asshole. Maybe do a quick Google search before you post nonsense that betrays your vulnerability to propaganda.

Dude lost frame, gets mad, angry. It happens. Now, he should learn from it and next time, go lift or get laid. Bonus if you do both at the same time

I don't really see that as true.

In the case of Kavanaugh, it's pretty clearly a hail mary attempt to prolong the confirmation process in hopes of senate seats flipping blue.

Or get someone that's not a Democrat or Republican as it should be.

Why do firefighters only "come forward" and spray water against houses that are on fire?

There's no truth behind this. But I've noticed republicans are more straight forward so when they have sex it's

not always in the best interest in the girl. Which bites them decades later.

Democratics tends to have low testosterone

Two national Democrats, in the past 12 months:

Al Franken Senator (D-MN)

John Conyers Jr. US Congressman (D-MI)

Republicans are targeted more.
