I was going to write a huge post, however, I noticed some really big issues.

- 1) This dude has *real* mental issues, this is not simply blue/red pill level stuff this is a clear mental disorder.
- 2) He acts like girls are obliged to be attracted to him, he feels like he is owed something but doesn't receive it (spoiler, girls don't owe you anything for paying shit, being nice to them)
- 3) I find it sad, the dude is rather handsome imho, more handsome than me. Look at his eyes and jawline, if he'd bulked up he'd be model material imho.

It's a sad society we live in ...

This is just....wow. First off, this guy isn't just blue pill, he has actual mental problems. I mean first off, 22? That's it? Hugh Hefner was a virgin when he was 22. That is just so ridiculously young. He doesn't look that bad, he looks like he's a little shorter but nothing that would hold him back. And what kind of sense does that make? Women don't like you so you go and kill 4 people? The logic has never made sense to me. Did he kill himself as well or did he get arrested? Cause he probably WILL lose his virginity In jail.

We have to remember that this isn't really a blue pill example or any kind of example, but this guy was fucking INSANE. Most guys when they get depressed about women just complain and get depressed. This guy is not only not mentally healthy, but also completely pathetic.

I mean the dude is a faggot that's not even disputed. But you know when you see someone who tries to look smarter and cooler than he actually is? That's what he looks like. Like he thinks he's Django or something. Like he's gonna go and kill someone and blow the smoke out of the barrel of the gun and then ride away while smoking a cigar. Even his last video, which is pretty much him and his last will just makes me cringe. He thinks he's In game of thrones. He has this weird, fake laugh like he has some diabolical scheme and he's using words a children's cartoon would use.

Just...wow. You know when feminists try to say that "women don't owe you sex" and other shit like that, that's actually the exact thing I would say to this kid. This kid mentions he's a "gentleman" and a "superior male."

If that was true then HE would be fucking girls.

Have you ever seen the Movie "God Bless America" ? I can really empathize with the guy.

BustinAllKindsOfNuts[S] • 2 points • 24 May, 2014 09:54 AM

Totally agree with you. This really hit me because I visited the campus recently . I cant believe how delusional this guy is that not getting pussy makes you want to kill innocent people at a party. In the reports he rammed several vehicles and 7 were injured. Some people in the comments are saying he died but no one knows for sure. I'll keep this updated.

XCowboyLowkesx • 3 points • 24 May, 2014 10:05 AM

Did you know him?

BustinAllKindsOfNuts[S] • 3 points • 24 May, 2014 10:10 AM

No. I found his channel here on TRP. People were beta shaming him and some thought he was trolling. It may have been deleted. Now he's on the news because the shooting is 25 minutes away from me.

XCowboyLowkesx • 7 points • 24 May, 2014 10:15 AM

Killin because of pussy. I wouldn't even *fight* because of pussy let alone kill because of it.

dongpal • 3 points • 24 May, 2014 11:31 AM

People who have never experienced it would fight for it.

Iupvoteforknowledge • 2 points • 24 May, 2014 10:14 AM

Oh well, fuck em.

Ganjgirlsandsteelies • 3 points • 24 May, 2014 11:22 AM*

Tragic. Do not let your sons go down this path.

Edit - I see his parents were both actors, now it sorta clicks.

ProAssad • 3 points • 24 May, 2014 11:25 AM

Guy is loaded to, has a \$60-100k car depending on the model & if you see his other videos you will see he flies 1st class. What an idiot.

[deleted] • 2 points • 24 May, 2014 11:35 AM

I am always astounded at how many problems people with money have or make themselves out as having. Maybe it depends if you earned it or were born with it.

ProAssad • 2 points • 24 May, 2014 11:37 AM

Well this guy def had the money just look at his video, no doubt it was his parents as he mentioned his "dads house". I think this guy just had nobody to talk to.

TRP saves lives

sproondeermaan • 2 points • 24 May, 2014 11:14 AM

I posted the video here, as a rare example of an omega, because he reminded me of Michel's story from the sidebar. Too bad he was a crazy psycho Thread:

BustinAllKindsOfNuts[S] • 1 point • 24 May, 2014 11:34 AM

Thanks, I added it to OP

[deleted] • 2 points • 24 May, 2014 11:29 AM

So 7 confirmed dead according to CNN.

I wonder if redpill will get media attention for talking bad about him in the past, "bullying" him, and driving him further to this act? Not saying that I agree with this perspective, just knowing how sensationalist the media gets, just wondering.

BustinAllKindsOfNuts[S] • 1 point • 24 May, 2014 11:35 AM

It was more YouTube comments than us. I added the TRP post in OP

[deleted] • 3 points • 24 May, 2014 11:38 AM

Good. I would prefer Trp stay under the radar. We already have enough haters desperate to shut this place down.

The hilarious thing is that he isn't actually bad looking at all, his mannerisms are just creepy as shit

[deleted] • 0 points • 24 May, 2014 11:39 AM

I got a suppressed gay vibe off of him.

through_a_ways • 4 points • 24 May, 2014 09:39 AM

If every guy had consistent pussy, I think this stuff might almost cease to exist.

Iupvoteforknowledge • 4 points • 24 May, 2014 10:11 AM

Will never happen, forget it.

chakravanti93 • 1 point • 24 May, 2014 10:58 AM

You have no clue how wrong you are. The world around you is about to radically change.

Iupvoteforknowledge • 3 points • 24 May, 2014 11:03 AM

Yeah for the first time in evolution right? Nah, don't kid yourself.

chakravanti93 • 1 point • 24 May, 2014 11:14 AM

Hardly. Everythings been done before. This too shall pass.

XCowboyLowkesx • 3 points • 24 May, 2014 10:12 AM

You see while I agree with you, that will **never** happen in our society. If this guy was able to get loads of pussy, I would give up.

Kolperz • 1 point • 24 May, 2014 09:39 AM

Regardless of RP/BP he (if he did do it, don't witch hunt on a coincidence), is most likely mentally ill and that is the major contributing factor towards his actions. Idk if its him or just someone posting a random murder (they happen all the time in the U.S,) but there's no need to stir up trouble about this. Let the police handle it.

Basically he may or may not have done it. Also he may have made the videos to troll and simply linked the murder article after to another sub, idk. But I dont think this truly belongs here.

BustinAllKindsOfNuts[S] • 2 points • 24 May, 2014 09:45 AM

Nevertheless, it was definitely him. He mentions several times he can't get chicks to notice him at Santa Barbara University. His "last" video preludes what you would expect from a mental case giving his final messages before doing the shooting. The shooting was in the same town as his university and took place within hours of the video being uploaded.

Yes, this is off-topic. Just thought it was interesting that a guy failing with women could lead to this.

[MODS] you can delete this if you want.

Kolperz • 3 points • 24 May, 2014 09:47 AM

Yeah not trying to ruin your post or anything, just letting you know in case something happens like the Boston massacre reddit witch hunt scenario.

BustinAllKindsOfNuts[S] • 1 point • 24 May, 2014 10:00 AM

Hmm, like CIA knocking on my door?

chakravanti93 • 1 point • 24 May, 2014 11:03 AM

For posting a news article here? No. It's good for us to be aware of the link.

Shit like this gets leveraged when these kinds of boys pop. We truly ought to brace ourselves.

The mob scene is coming for the obscene because it's better than our sex scene.

XCowboyLowkesx • 2 points • 24 May, 2014 10:04 AM

Yeah and there's a read now which shows his car and license plate. I mean the world can't be THAT big, where he posts this and then **just suddenly** someone decides to enter and kill people there.

XCowboyLowkesx • 1 point • 24 May, 2014 10:25 AM

You see I think this does belong here. I mean the whole reason this guy did this was because he couldn't get laid. That's #1 reason right there. This guy is less than blue pill.
