 My grandma asked my cousin, who'd had lots of partners and 2 kids at this point, if she was ever going to get married.
Cousin: It's not the same nowadays. We don't buy cars without test driving them first.
Grandma: Yeah. But they don't let you put a hundred thousand miles on them either.
Point goes to Granny.

Nobody is going to pay premium prices for a car with 2 crashes, a hundred thousand miles and the inner space destroyed by hundreds of careless owners. The neighborhood cats are also scratching at the doors, because they want to piss in it.

Gentlemen, get yourself a new car, if you still want one. They're always making more.

Captainbuttman • 114 points • 22 August, 2020 02:09 PM

Imagine buying a car but the previous owner was legally required to keep a set of the car keys, and you never know if he's just going to your take your car back.

That's what marrying a single mom is like. In the US 99% of single moms aren't widows so the child's father is still out there.

Sabertoothsnowhobbit • 40 points • 22 August, 2020 03:25 PM

And the single mom is running the man down to build sympathy for her plight that she most likely caused. She either choose a F'boi to begin with or she got bored and decided to go for some more rides on the carousel.

Are you the car dealer trying to sell me a car with a bad carfax?

Elonine • 2 points • 23 August, 2020 03:14 PM

I think you've had too many accidentsMOVING ON

I've heard busted chicks referred to as "Salvage title" when guys are staying secretive. It's a classic to refer to people like cars, there's a lot of carryover and it's a language many don't speak.

"How was friday?" "Not bad, took a rental out for a joyride." "New car?" "Hell naw, needs way too much labor to get it running right. Salvage title, frame's all bent up."

"Hey what're you boys talking about? How was your date?"

throwdowntown69 • 2 points • 27 August, 2020 11:02 AM

Who hurt you

ColonelPritius • 2 points • 27 August, 2020 11:27 AM

That's original.

Here, have an award as a sign of my attention you so desperately crave.

throwdowntown69 • 1 point • 27 August, 2020 02:38 PM

Don't waste money on this shit website please.

Next time give 5 dollars to <https://curealz.org/>

ColonelPrittius • 1 point • 27 August, 2020 02:42 PM

Never payed money for Reddit. It was just a free award I got. God forbid, that I would actually pay for this SJW run website.

I'd rather have a brand new Ferrari than a 50th hand Honda.

LucienChesterfield • 119 points • 22 August, 2020 02:03 PM

Hell I'd rather have a brand new Honda than a 50th hand Ferrari

Ishabaka • 22 points • 22 August, 2020 05:59 PM

Me too. A Honda gets you there, is much cheaper, and much more reliable.

quesoburgesa • 32 points • 22 August, 2020 02:00 PM

Every man would the real question is can you afford the maintenance? If not better to rent for a weekend

ventbraves2244 • 65 points • 22 August, 2020 02:12 PM*

I believe there is a big difference between a 19-20 year old who was tricked by a few chads, vs a 30 year old who's had either LTR's or flings for an extra 10 years. The mileage is key here, what grandma alluded to. I could look past a young girl with a few mistakes, but not a 30 year old.

ThrowawayGhostGuy1 • 60 points • 22 August, 2020 04:45 PM

That 19-20 year old who was tricked by a few chads always ends up that 30 year old anyway. It gets easier and easier to spot them.

LCX520 • 10 points • 22 August, 2020 11:24 PM

Precisely. She gets α -widowed and we all know the rest.

42252252 • 19 points • 22 August, 2020 09:41 PM

It's nice in theory but better men than all of us have waddled right into a nightmare thinking the same.

It's ridiculous to expect nothing out of our companions, as if the notion of any sort of backbone or standard is evil. If a guy had picked up a drug habit, or stealing, or violence by 24, we don't click our teeth and say "aw poor guy, he was lead astray by predators."

People should know exactly what they'll get into in the dating market, they aren't a doe-eyed ingeneau from kansas straight off the bus, hoping for a Broadway break.

BrolyParagus • 2 points • 23 August, 2020 12:12 PM

If you said a single chad then maybe, but a few chads? Like that's a literal hoe wtf do you think that means?

Newbosterone • 52 points • 22 August, 2020 03:00 PM

I made a crack about not buying the cow if the milk is free. A woman quipped "Why buy the piggy if all you want is a little sausage?"

She got pissed when I said sure, until the sow needs help with piglets. They told me later she was a single mom. If the shoe fits...

temerity18 • 6 points • 22 August, 2020 09:01 PM

Good one

Magicus1 • 43 points • 22 August, 2020 02:15 PM

Buying a new car is almost impossible, they're gonna have a few miles on them, even fresh out the lot.

But get stuck with the inordinate costs of a Ferrari when in 20 years it won't even drive close to what the newer models will be driving like?! Heck no!

Moreover, why buy a used car that is unreliable, beat down, busted inside and out, plus has to be financed?

Buy a bike. It's great since it lets you exercise and takes you outside and lets you meet other bike enthusiasts!

The bike is a dog.

Get a dog. Screw the woman.

Literally and figuratively.

Please don't screw the dog.

That's been your PSA of the day. □

Keats852 • 17 points • 22 August, 2020 04:45 PM

You forgot the part where you can just rent a car when you need one. And most rentals are reasonably new with low miles.

42252252 • 6 points • 22 August, 2020 09:49 PM

No kidding, look around on Turo and you'll find a lot of guys in their early twenties tossing supercars out there for cheap. They never factor in the amount of damage renting incurs, or the cost of insurance, or the cost of maintenance. They're always surprised when the tires don't last a year and cost \$9k to replace.

Maybe it's just like the dating market.

Siganid • 10 points • 22 August, 2020 02:43 PM

NGL you had me concerned for the dog's well being...

Typo-MAGAshiv • 2 points • 22 August, 2020 05:11 PM

I was worried too. What a relief!

Grandmas are the first to call out todays whoring

Broncoli • 34 points • 22 August, 2020 02:48 PM

Grandmas are the first to call out todays whoring

If only that were true. Today's grandmas were the first to take advantage of the sexual revolution.

TheDroidUrLookin4 • 23 points • 22 August, 2020 04:41 PM

There's a big range of ages for grandma's. Mine is 91, and was married for over 70 years before my grandpa died.

Ishabaka • 13 points • 22 August, 2020 06:01 PM

Bingo. The FDA approved the birth control pill in 1960. A woman 18 years old then is 78 today.

panzer22222 • 2 points • 23 August, 2020 03:13 AM

first to take advantage of the sexual revolution

They were still smart enough to settle down with a guy afterwards

Broncoli • 2 points • 23 August, 2020 05:00 PM

The 50% divorce rate also started with them.

mustangfrank • 17 points • 22 August, 2020 03:23 PM

That is the point that I think people are missing. This woman has 2 kids, most likely by 2 different men. Do you really think she is making it on her own? Big Daddy government is picking up some if not all of the costs. Thus, there is no reason for this cunt to change, because men will be required to pay for her no matter what.

dipmalya • 28 points • 22 August, 2020 01:20 PM

Cousin Shocked Grandma Rocked.

p3ngwin • 21 points • 22 August, 2020 03:56 PM

The cousin, implying people didn't "*test drive*" in granny's day, which is bullhsit, it was called dating then, and *still* is.

Cousin confuses "*dating*" and "*fucking*".

42252252 • 9 points • 22 August, 2020 09:51 PM

They act like their cervix is a mood ring that detects their optimum match through sampling jizz. It just don't be like that, sister.

MrWojak • 25 points • 22 August, 2020 02:13 PM

We need more grandmas like this instead of the Sandberg types

LCX520 • 15 points • 22 August, 2020 03:08 PM

Granny spits some hot fire instead of jizz

Blogginginvicacity • 2 points • 23 August, 2020 07:07 AM

Not hot jizz!? SM was not satisfied!

MentORPHEUS • 6 points • 22 August, 2020 06:01 PM

I'd honestly recommend Grandma divert her inheritance with a warm hand to a more worthy recipient, such as cats.

washingtonpanther • 3 points • 22 August, 2020 07:37 PM

and that's a carpet bombing.

That is hilarious. And true. Sure, you can test some bits out but when you go too far, that is your problem. Too many miles clocked, I pass.

A) what men do or don't do is not our concern or focus here. You have the entire rest of the internet for that. You're attempting to distract and divert.

B) you've broken rules 1 and 2 in a single comment. Banned.

Gnaygnay1 • 1 point • 22 August, 2020 09:58 PM

Yes, he could. But unless you're gay the relationship behavior of *other* men isn't my concern
