Hey,

What is the first thing you do when a friend of yours introduces you to a new chick...

Shake hands? Kiss a cheek?

Might sound stupid but some clarity would help me tremendously, thanks

When you're a star, they just let you do it.

I always hug. Tells you a lot.

A bit personal, isn't it?

Depends on the situation.

Friends friends sure. If she's attracted to you she will also initiate the hug as you do + hold you a bit closer. Also had times where the girl I got introduced to didn't want to let me go. As I said a hug tells you a lot.

Business, shake hands and be firm.

Just read the situation and girl.

Yeah good advice, first time in a professional way I'd handshake then if we hit it off next time would be a hug; makes sense?

a lot less personal than kissing on the cheek...

It depends on the environment, but a 1 handed low waist grab, and pull in relatively close get them meaty paws on the back and show you're physical

Show her you're a true alpha. Go straight in for the kiss.

That's not being an alpha, that's being a weirdo
