JT says: ” (1) Man up and marry those sluts (Blue Pill)

(2) Build a life of hedonism (PUA)

(3) Forsake civilization (MGTOW)

(4) Be patient and pray (Traditional)

(5) Try to change the system from within (MRA)

(1) is untenable, (2) is unsatisfying, (3) is suicide, (4) is inaction, (5) is futile.

These seem like poor choices.”

Focus on your career, body, hobbies, happiness, take your pills, and run a harem.

Profit.

That's option number 2.

SoftHarem • 1 point • 23 May, 2013 10:39 PM

No it isn't. PUA != running a soft harem.

It easily falls under 2 and 3 in his post for all intents and purposes. Nothing wrong with it, but it is what it is.

The only thing wrong is your classification. By being a high value man running a harem you are neither a pick-up artist, nor are you forsaking civilization.

luxury_banana • 2 points • 23 May, 2013 11:10 PM

Semantically, maybe. How long can civilization continue under the current paradigm?

SoftHarem • 2 points • 23 May, 2013 11:14 PM

I don't want it to continue. I want the very few men who are aware of the decline to enjoy it.

luxury_banana • 2 points • 23 May, 2013 11:15 PM

Well that's my point. You're still forsaking civilization and living a hedonist lifestyle. Nothing wrong with it (it's what I'm doing) but again, it is what it is.

Western society. I should have clarified. I still think societies can function in harmony but not under the current model.
