

# Well, you guys were right

I was having trouble with my girlfriend and she told me it's because I wasn't sure I wanted to get engaged. She cheated on me with at least four guys. Maybe more.

How do I know this? I saw her Facebook. Tons and tons of proof that she never loved me and she was even laughing with one guy that when I proposed she was gonna say no.

I haven't told her I know this. I don't know what to say but I am done.

EDIT....I'm gonna follow everyone advice and just ignore her

Closure is for the weak. You have the Information you need. Put it behind you, learn and grow. The best revenge is a life well lived.

MarlboroMan62 • 14 points • 22 March, 2016 12:49 AM

listen go Gogo4u, he knows. you need to be concerned on who your next girls are ... 's ... plural. you havent met them yet ... go .. now .. develop a plan ... now .. go !

[deleted] • 53 points • 21 March, 2016 11:54 PM

Move on. Your gut was right she's a whore and you don't owe her any type of closure.

willysmiles[S] • -51 points • 22 March, 2016 12:01 AM

We were in love, I have to say something

-Riskbreaker- • 138 points • 22 March, 2016 12:06 AM

She was so in love with you that she fucked at least four other guys and gargled their semen.

[deleted] • 64 points • 22 March, 2016 12:59 AM

We

Nigga please, there's no fucking "we" here or she wouldn't have been riding strange dick.

stickfiguresk • 33 points • 22 March, 2016 12:07 AM

Stop putting her first.

[deleted] • 15 points • 22 March, 2016 12:04 AM

You're right. I'd at least leave her an epic upper decker.

The\_\_Tren\_\_Train • 15 points • 22 March, 2016 04:54 AM

She cheated on me with at least four guys. Maybe more.

Tons and tons of proof that she never loved me

We were in love

wait...what?

The-Ban-Hammer • 20 points • 22 March, 2016 12:53 AM

You were in love. She loved cock. Not yours. Be rid of this cunt.

RP-on-AF1 • 24 points • 22 March, 2016 12:21 AM

No, you were getting cucked hard

nrjk • 6 points • 22 March, 2016 12:59 AM

No, you were getting cucked hard

Don't cucks know others are fucking their woman. An ignorant guy who is cheated on looks like a fool, but his woman looks like a slut. A cuck is lower in that regard.

Basically, I'd rather be duped and feel like an idiot than know everyday and have to walk around *knowing* I'm getting fucked over.

RP-on-AF1 • 6 points • 22 March, 2016 01:30 AM

It's morphing to just mean "pussy" almost, but really it means someone with an unfaithful wife. It derives from the cuckoo bird, which puts it's eggs in other bird's nest to raise. So a man who unknowingly raises another man's child is a true cuck. A man who's girl is catting around is a cuck-to-be.

There is a porn/lifestyle fetish called cuckoldry where the man watches his wife get plowed, but that's it's own thing. And now any man who can't defend his domain might be called a cuck online. When Bernie Sanders had his microphone taken by some BLM hoes, he wasn't literally a cuck, but a lot of people called him that because the analogy was there.

phamousTRP • 4 points • 22 March, 2016 02:38 AM

You say more, by saying nothing at all. Speak with your actions. She is nothing, she deserves nothing.

speed3\_freak • 2 points • 22 March, 2016 01:36 AM

See u/abdada response

[deleted] • 1 point • 22 March, 2016 03:51 PM

Laughing at your proposal is being in love???? Let it go and ignore her.

Praeda18 • 29 points • 22 March, 2016 12:18 AM

I sincerely hope you're not still with this bitch, otherwise goddamn dude show some respect for yourself.

Your (ex)girlfriend is just like every woman on the planet, and all you need to do in this situation is go non-contact, block her on social media if you have to, just don't look at another one of her photos, her texts, her life, nothing. Move on, and take what you learned with you to the next girl so you don't make the same mistake(s) again.

No closure texts/emails, no snide remarks. Nothing. We're not here on this Earth for a long time, so stop wasting yours.

WillWorkForLTC • 6 points • 22 March, 2016 03:14 AM

I ways wonder where all these women end up when they get found out.

dj10show • 1 point • 22 March, 2016 02:41 PM

Me too. Do they end up snaring the alpha that they're cheating with? Or do they just end up with the most beta of beta as they slam into the wall like Fernando Alonso?

WillWorkForLTC • 2 points • 28 March, 2016 04:17 AM

Oh they probably hit the wall then convince some beta they are beautiful then take him for all he is worth in divorce court if he doesn't let her "hang out" with her friend Chad.

SkorchZang • 28 points • 22 March, 2016 02:28 AM\*

Drama is what she wants, that's her fundamental emotional power over you. If you break with her ice cold style, no explanation, no closure, no emotion - daaamn the poor girl's gonna squirm & try to get something, ANYTHING out of you.

This behaviour is also characteristic for high value males and horrible sociopaths, both of which are exciting for women. She will second guess herself bad, and wonder if she's an idiot letting a good thing like you go to some other woman...

If that's not your style, you still want some drama, then why not use the classic storyline: "sorry, I met an ex of mine and it just happened, we reconnected on a deep emotional level and I can't go against our feelings for each other". Notice how it's again the same thing, you're taking ALL the power away, yanking all the carpet from under her feet.

The instant you start trying to morally shame her for something or you reveal your snoop sources of info, you lose all the power to her. It's the position of a hurt, helpless dependent to cry & moan about her misdeeds to her.

willysmiles[S] • 1 point • 2 April, 2016 02:02 AM

I'm still no contact but how do I know its working?

daveofmars • 19 points • 22 March, 2016 01:05 AM

Your new life begins tomorrow.

Coolbeans024ptf • 41 points • 22 March, 2016 02:21 AM [recovered]

Leave an anonymous note on her car saying she should get tested for AIDS and see if she tells you or is quietly freaking out.

WillWorkForLTC • 16 points • 22 March, 2016 03:15 AM [recovered]

Best fucking troll move in the history of troll moves.

RPSnuggles • 9 points • 22 March, 2016 11:31 AM

So win.

nrjk • 14 points • 22 March, 2016 01:00 AM

Ghost and start fucking other women.

PantsonFire1234 • 12 points • 22 March, 2016 01:35 AM

Tons and tons of proof that she never loved me and she was even laughing with one guy that when I proposed she was gonna say no.

Fuck is this really true? That girl is fucked up man.

[deleted] • 2 points • 22 March, 2016 12:33 PM

This is very common imo. Some girls I have known who flirted back, mocked their bfs every now and then only to eventually get engaged/married.

PantsonFire1234 • 2 points • 22 March, 2016 03:10 PM

This is why you go uncaring asshole. When she mocks it's just her acting butt hurt.

[deleted] • 9 points • 22 March, 2016 02:16 AM

There's excellent advice in this thread. Following it won't be easy, but you will love yourself if you do.

Do what everyone here says for YOU. Not for anyone else. Love yourself. Good luck.

phamousTRP • 5 points • 22 March, 2016 02:40 AM

It's subtle, but don't start off living your new life in spite of her either. She no longer exists as far as you need be concerned. She is just like any other thing in the past - dead.

Caucasian-African • 9 points • 22 March, 2016 05:01 AM

Here is something to remember about her. She isn't hurting at all! In fact, cheating is a hostile, distainful thing to do with someone. To me, it's like calling someone a *btch*. *And guess what, YOU AIN'T NO BTCH!* You may feel *shitty inside*. *You might even be crying your eyes out over her, but you still ain't no btch.*

Do what a man does. Handle your business. Open up to someone you can trust, if you have such a person. Cry like a baby on the floor if you need to. Let it all out, then move on.

The absolutely best thing to do is to just cut her off 100%. Don't fantasize about her starting to pine over you, then you to getting back together.

If you decide and are resolved to never contact her or seek her out ever again, the hardest week will be the first week, then it will be easier & easier to accept that she will never be a part of your life again. And good riddance!

Be stong my brother!

Apexk9 • 12 points • 22 March, 2016 01:34 AM

Never talk to her again.

[deleted] • 4 points • 22 March, 2016 08:46 PM\*

She's 24. What the hell did you expect. She's still a child wanting attention from Chad. Girls in their 20s are the absolute worst girls to be in a relationship with. They are extremely flaky; they have very little idea what they want in life; and they believe they *deserve* everything in life, so they end up sabotaging their relationships because they believe Chad really wants her and will settle down with her if only she wasn't so totally boooooored with Beta Bob. These girls always believe there is *more to life* - more sex, more attention, etc -, and they destroy anyone else in their way until they hit the wall and realize they were wrong, and then they settle for a chubby 5'6" dude with a good job and a small dick.

bsutansalt • 3 points • 22 March, 2016 01:37 PM

There's two approaches you can take:

1. Simply dump her with no explanation and let her stew over being dumped / rejected.
2. Put her on blast by collecting all the info that she cheated and making it public.

The second may seem more fun right now, but the first is actually more diabolical and is the fifty that keeps on giving.

Goldfulgore • 3 points • 22 March, 2016 03:57 PM

Just viewed your account history. Sorry to tell you this but you had it coming.

Start reading the sidebar of TRP.

willysmiles[S] • 1 point • 22 March, 2016 08:19 PM

No one deserves this shit, im so crushed

[deleted] • 3 points • 22 March, 2016 04:09 PM

Women aren't fans of silence. Do the right thing, ignore her from here on out. You'll survive this bro. And you will grow in wisdom from it to be a better man. Let no woman have this power over you ever again.

abdada • 21 points • 21 March, 2016 11:20 PM

Just meet up with her and tell her "This relationship isn't where I want to be in 10 years" and move on.

willysmiles[S] • 0 points • 22 March, 2016 01:42 AM

I'll do exactly this

abdada • 21 points • 22 March, 2016 01:54 AM

Remember, you owe her nothing -- you only reward a woman's good behavior. There's zero need to get emotional or explain ANYTHING.

Just tell her that you don't see a future and that's it. End of conversation. She deserves no more.

RPSnuggles • 12 points • 22 March, 2016 11:34 AM

Don't even do this. Jesus Christ. Don't give her the fucking satisfaction of an answer. Disappear.

That will bother her most. She will wonder how she lost control of you.

The best revenge in this situation is no fucking answer where the fuck you went. Drop off her planet.

[deleted] • 2 points • 22 March, 2016 04:01 AM

What a bitch. Get rid of her.

Men never get passes like this. If some dick was rambling on like this in a group of men, we'd all tell him to get lost.

Man, facebook seems to be the undoing and truth revealer for a huge number of relationships these days.

harrybelden • 2 points • 22 March, 2016 07:41 AM

Be really nice to her for awhile, and then in mid-text sentence, go Permanent No Contact everywhere. Do not tell anyone she could talk to why you broke up with her. Make sure she never finds out for sure why.

bittr\_n\_swt • 2 points • 22 March, 2016 09:01 AM

women can be cold ass bitches. NEVER talk to her again or give her a chance to explain etc....she'll flip it and make you look like the bad guy here

damnn what a whore

The-Ban-Hammer • 2 points • 22 March, 2016 04:46 PM

The more I read this... Is this true? C'mon.

JustDoMeee • 2 points • 23 March, 2016 03:06 PM

I've been reading through your history, hopefully you're eyes are opened now. You HAVE to go no contact with this bitch, then hit the gym, read the sidebar, read the top all time posts on TRP, do that even for a couple months and shove that amazing life of yours in her face, or don't.

[deleted] • 1 point • 22 March, 2016 06:26 PM

wait...

are you still dating her?

BenjiDread • 1 point • 22 March, 2016 08:21 PM

The advice here is on point. Even if you're looking for revenge, ignoring her and leaving without an explanation is the best way to get back at her. U just don't get to see her suffer. Don't worry about it. Read the sidebar, channel your anger into lifting.

magicplayer123abc • 1 point • 22 March, 2016 10:50 PM

OP you're a lucky man dodged a fucking bullet here. If you live together or share anything don't even talk to her about it just get your shit safe and move on.

Redditis4virgins • 1 point • 6 April, 2016 09:15 PM

She cheated on me with at least four guys. Maybe more.

Jesus man. Shoulda broke up with her permanently with the first one.

[deleted] • -2 points • 22 March, 2016 02:42 AM

You could also shame her publicly for being a slut, or at least let her family know

WillWorkForLTC • 9 points • 22 March, 2016 03:17 AM

Then she might try revenge. It's best he keeps it simple. He needs to believe and care for himself and that means dropping this cunt as fast and efficiently as possible.

[deleted] • 6 points • 22 March, 2016 03:41 AM

This comes off as insanely butthurt and petty, something a woman would do.

JavidanOfTheWest • 0 points • 22 March, 2016 09:23 AM

take a royal shit on her bed and dont look back

[deleted] • -10 points • 22 March, 2016 12:05 AM

[permanently deleted]

RPSnuggles • 5 points • 22 March, 2016 11:36 AM

Terrible advice.
