

Why are blowjobs indicative of higher interest?

January 24, 2019 | 129 upvotes | by [FuckMichaelMcCoy](#)

I hear about how betas very rarely get the pity sex and never a blowjob. And also in /deadbedrooms their wife will never give them head.

But then when Chad comes in the picture, the girl wants to suck his juices out and swallow. So from a red pill perspective, why do girls enjoy giving head to alphas?

I've heard that girls that give head are more often than not high interest. Some guys don't even unlock head from some girls, but only sex.

So why do women put giving head above sex? Is it just an effort thing, a power dynamic thing, or do beta cocks repulse them lol

Sucking dick is “slutty” and girls will only be slutty for the right person.

[deleted] • 49 points • 24 January, 2019 06:29 AM

In some other cases, they just dont want you to think of them as "yet another slut". You gotta make them comfortable around you.

Without simping

OilyB • 73 points • 24 January, 2019 09:54 AM

Giving head is a sign of surrender to you, and to their feeling of attraction to you. Blowjob means your smv is high enough for her: she admires you. Or she just wants something from you.

Blowjob and anal are women's highest physical bid.

Blowjob and anal are women's highest physical bid

In my experience blowjobs are way more common than vaginal sex. Probably because girls want to be able to claim that they’re still virgins

FKaroundNfindOUT • 31 points • 24 January, 2019 03:16 PM

This changes when the climate changes. In this case, usually when you leave primary school.

I can agreee to this. I fucked this girl with a boyfriend she claimed isn’t essential even that bad of her “at least I didn’t suck your dick”

[deleted] • 5 points • 24 January, 2019 05:27 PM

i've experienced the opposite of this, where a girl will claim to have only "been with n amount of guys" because she didn't have "sex" she just blew the others

KaiSmashSmashSawmash 1 points 24 January, 2019 05:40 PM* **[recovered]**

True, I’ve met an Arab virgin who thought anal didn’t count. And she would announce to everyone she is a virgin.

i've experienced the opposite of this, where a girl will claim to have only "been with n amount of guys" because she didn't have "sex" she just blew the others

i mean it doesn't if you want to get technical.

I'd just say that individuals view blowjobs / anal / vaginal sex as more or less intimate. Not

genders.

askmrcia • 8 points • 24 January, 2019 05:21 PM

Yes I say there is two sides.

In the case of op's question, if you're dating a girl pretty seriously or in a ltr and she refuses to give you a blow job then yes she don't view you as an alpha.

If you just have a hook up with a girl, particularly one who comes from a very religious or traditional background then yes she will be willing to give you a blow job over intercourse.

That is because she's attracted to you, but don't want to come across as a slut since blow jobs don't count when you ask them how many guys they been with.

OilyB • 1 point • 25 January, 2019 04:27 PM

Make sure your hygiene is okay (showering as late as possible just before hoochie time). Furthermore, talk to her. Also, check if she's slightly sub in other areas.

Whisper • 246 points • 24 January, 2019 06:49 AM

Blowjobs are submissive in nature.

If she doesn't want to suck you off, then she doesn't want to submit to you.

handfulofnuts • 26 points • 24 January, 2019 05:49 PM*

This is the answer, OP.

Also, a load in the pussy is felt (a bit). A load in the mouth is felt (with much more "resolution") and tasted, and probably smelled. Two to three senses. It's a much more visceral experience. Girls want that if they're into you. They're grossed out by it if they're not into you.

The most intense sexual relationship I ever had, the girl worshipped my cum. I'd shoot it on her face and in her mouth and she'd nearly cum just from that. Said it made her feel insanely sexy.

My ex wife, on the other hand, was completely put off by it. She was a prude and I was a beta faggot at the time. Of course she didn't want my cum anywhere near her. On the rare occasion she gave me a (shitty, half-assed) blowjob, she'd spit it out ONTO ME even though she knew I hated that.

If she's into you, she'll want your cum anywhere she can get it. If she's not...

Pascolino 1 points • 24 January, 2019 08:14 PM* **[recovered]**

Hahahahaha haha.

My ex wife would wipe it all. On me. And scold. And tell me I was disgusting. I feel you bro. What a fucking disaster my marriage was. Holy shit am I happier now. Now they insist on giving me blow jobs and swallowing. Night and day.

handfulofnuts • 3 points • 25 January, 2019 03:18 AM

Yeah, my girlfriend now gulps it down. Actually a few weeks ago I blew it on her face unexpectedly (to her). She yelled out in surprise, then started laughing, then took my dick in her mouth and sucked the rest out and gobbled it down. "I felt like I was drowning," still giggling. Good girl.

SuperCrazy07 • 4 points • 24 January, 2019 09:57 PM

Wow. I can't imagine my wife spitting it on me. I've never had any girl do that (and I'm not SuperChad). I've never even thought of that.

That's just hard core harsh. On the other hand, it should have made the decision to make her an ex easy.

TopOccasion29 • 31 points • 24 January, 2019 07:14 AM

cudder17 • 18 points • 24 January, 2019 09:54 AM

So wouldn't eating pussy be submissive too? Does that mean she will think less of you if you eat her out?

GGrub8 • 36 points • 24 January, 2019 10:40 AM

Depends *how* you do it.

If you *ask* her then it's a submissive act, if you just *take* it (as long as it's consensual) it's not.

This is something you should do with LTRs only, because with a plate it shows scarcity mentality (she'll think: "Why is he even interested in eating from a plate dozens of other men could have recently eaten from?").

BluBlac59 • 2 points • 25 January, 2019 04:03 AM

It's in the way you do it. You can eat her pussy and make her feel like a bad girl or slutty. You need to do it aggressively. Push her legs way up and talk to her. Tell her how good it is. Don't be grateful or nice say things like, give me that pussy ! Your wet and sweet now. Eat it like you can't get enough. Push her legs far up and lick her ass crack as far as you can, nibble on her taint. If you've got any precum dripping out put it in on your fingers and stick it in her mouth let her lick it off. And when she's cumming keep going and talk her through it. Just as she's coming down start banging her as hard as you can tell her how hot she is and kiss her with your pussy soaked face and use your tongue. Thats as good as her licking her juice off of your cock. When you know she's had enough tell her my turn where do you want it ? Then roll on your back and push her head toward your cock. She'll know what to do.

[deleted] • 6 points • 24 January, 2019 01:20 PM

Yes, it is.

[deleted] • 5 points • 24 January, 2019 10:56 AM

Yes it is submissive. And there is no rule in RP that says that men shouldn't submit to eat a pussy. Just do not do it as frequently as she sucks your dick and you're fine. Pussy eating should be a reward for her for very good behaviour even if you are horny and just want to taste her you must only give it to her when she's earned it. Otherwise it loses value and she will feel entitled to pussy eating.

As Patrice says, if you're going to eat pussy, don't do it for her. Do it because you like to eat pussy. You're a pussy eater. If she says "I'm good, let's do something else," you say "wait, I'm not done yet." I love eating pussy. And ass. I eat it like it's my last meal on death row. Chicks love it, but that doesn't matter so much because I love it.

Big_Daddy_PDX • 1 point • 25 January, 2019 04:33 AM

Not if you know what you're doing with your tongue. If you can give her so many orgasms with your tongue that she can't think; who is in control at that point? But if you need to ask her if she came or if it feels good, you don't know what you're down there.

tameloopzoop • 3 points • 24 January, 2019 10:09 PM

I don't think it's submissive in nature, when I do it I feel pretty much in power

I'm not trying to teach guys about you in particular, I'm trying to teach them about how to appeal to women. Like, the vast majority of them.

So, your personal preferences are relevant to your sex life, and you should probably share them with whatever men you are going to blow. But that doesn't include us, so we don't need to know.

Like Patrice O'Neal, I get down eating a girl. That's just who I am. If you do it because YOU want to fucking do it, and not to "please" anyone but yourself, that is not beta or submissive.

organicfluxx • 1 point • 25 January, 2019 03:23 PM

Why are you here?

csawyer86 • 27 points • 24 January, 2019 02:14 PM*

In my experience, a girl who is willing to give you a blowjob , especially without having to ask for it, is super turned on by you. I've only had this happen to me when I'm feeling " in the zone" so to speak. (acting like a man, showing confidence, being funny, ect) .

Giving head I imagine is the ultimate sign of submission. She's literally kneeling before you with your dick in her mouth. Can you be any more submissive than that ?

When I'm in a relationship and the blowjobs stop, I tend to lose interest because it's a sign she already has.

ChadTheWaiter100 • 14 points • 24 January, 2019 02:36 PM

I'm in a 7 year relationship and still get BJ'd every time before and after sex. It's a you thing when she stops. I also was in an earlier relationship where I was a sad beta and my ex demanded I give her oral every time we fucked.

csawyer86 • 3 points • 24 January, 2019 03:19 PM

What is it that keeps her wanting to do it after 7 years? What are you specifically doing to keep that going ?

pridebrah • 15 points • 24 January, 2019 05:55 PM*

Yeah this would actually make a good post for new guys and for guys like me to review u/ChadTheWaiter100 .

Heres my 2 cents I can offer...tldr: be attractive, be sexual in a non-needy way:

If you look at my history I just got out of a 7 year LTR and I was still getting head, facefucking her, and cumming on her face sometimes etc. She cheated and i slipped up in other ways as others pointed out, but our sex life was always really good and even after she cheated she's still trying to hit me up just for "one last fuck." For that reason I believe I can offer some of my experience

The positive things I can pick out that I did was sexualize almost everything all the time in a subtle way. Always had my hand on her hip/ass, smacking her ass, making comments about how good her tits looked, would randomly crank it up and get more blunt with things like telling her at a dinner party that the dress she was wearing was going to get her fucked in the dirtiest way possible later etc. I made it clear that this relationship is built on a foundation of us having an amazing and frequent sex life.

Being physically attractive is huge. Girls might blow some fat ass or skinny dude (see my thread) but ultimately those one-offs aren't a solid long term plan and you don't feel good looking that way anyway. Be fit, be under 15% body fat, always lift, and eat right. With me there were times where she would just get that look in her eye, lift up my shirt, rub my abs, and make her way down to her knees telling me how she loved my body (no I'm not adonis but I've lifted for a decade, eat right, and I'm lean).

Seek to add variety to keep that sexual spark burning and limit things that could kill that. For example, we had used handcuffs in the past to restrain her when we fucked and I knew she wanted to be tied up to the bed at some point. So one day she came home and I had bought some restraints and put them on the bed, blindfolded her, took her clothes off and threw her on the bed. Next thing you know she was tied up and told me to "come up to her mouth" aka facefuck her. I also bought some toys here and there and would take her random places to fuck in the car etc. Always made it an adventure.

Limiting things that would impact the sexual spark means don't shit/piss with the door open, don't be a messy or lazy fuck, always smell good and keep yourself groomed, never self deprecate in any way, don't cry about your problems to her etc.

When you're talking about sex in an LTR it's about the all encompassing picture and what other guys here are saying about blowjobs being submissive. She has to not only submit to you in general, but genuinely *want* to submit to you. That means your alpha/beta is balanced with shit tests and comfort tests being passed with flying colors, and everything is ultimately operating in your frame.

Attraction is not negotiable. You never say a word about it, you just do it and be attractive. You never ask for a blowjob, you get your girl soaking wet and you guide her toward it. And for the love of god, never ever ever complain about not getting sex or turned down.

DeatCoreBoy1 • 1 point • 24 January, 2019 06:43 PM

Thanks for that! Notes taken! ;)

ChadTheWaiter100 • 3 points • 24 January, 2019 07:46 PM

I'd say the reason that she still wants to do it is that she enjoys it. From the beginning I framed her giving me a blowjob as a treat for her.

Ok. Understand that I first got with her during pre-trp days.

Initially she was the one who first asked me if she could suck it. Instead of celebrating like I just won a super bowl I just remained stoic and said ok. She was asking- can I worship your body? So I blessed her.

First few times I didn't come. So then she said- I want you to come. Time passed. Blowjobs

continued and anytime that I couldn't come, whether that be from (stress, drugs, fatigue, you know-blue pill shit) or whatever, she would feel upset. The money shot was her validation that she did a good job and pleased her man.

Read Daniel Rose's Sex God Method. It has worked wonders for me. I still have to keep brushing up on it every so often though, because it's easy to fall into a routine. And sex for the woman should be anything but routine.

I can testify for the first part. Yesterday, I was playing video games and my LTR loves (she really does) to watch me play and she usually plays with my dick while I play. She unzipped my pants and moved my arm away to suck it while I played. I was honestly shocked. She can't keep her hands off it. Not to mention, my roommate was literally 4 feet away playing games too. She is risk it all just to suck your dick, even if there's people around (she's the type to make her the binds are all closed before we fuck, but sucked my dick 4 feet from my roommate).

SkankHuntL89 • 64 points • 24 January, 2019 06:49 AM

I've had hot girls want to blow me and munters that just wouldn't so I'd say this isn't always a huge indicator of interest.

I think some chicks shy away from sucking dick because they know they are shit at it.

FuckMichaelMcCoy[S] • 20 points • 24 January, 2019 08:41 AM

TheGoblinTurkey • 41 points • 24 January, 2019 10:57 AM

I agree, I've been on tinder dates with girls who are like a 5/10 and I struggle to convey all the good parts of my personality. It's almost as if subconsciously my mind is like "nah not worth the effort".

Whereas when with attractive girls I feel so much more energetic and enthusiastic about life.

ChadTheWaiter100 • 2 points • 24 January, 2019 02:19 PM

TheGoblinTurkey • 2 points • 24 January, 2019 05:02 PM

Nope, only been with one real fatty and she wasn't interested in it. She liked me choking her

though. But ultimately it was one of the more disappointing sex experiences I've had.

ChadTheWaiter100 • 9 points • 24 January, 2019 07:49 PM

friendandadvisor • 1 point • 24 January, 2019 09:47 PM

I don't hate them, but, I can't really see the big deal about them. If I'm sitting, I have all of my weight on my ass, so, it takes away much of the thrill. If in bed, well, it makes groping her more difficult. Still, the awkwardness of groping her while being blown is a turn on, but...

StopGaming1234 • 3 points • 24 January, 2019 09:57 PM

I don't see the big deal either. I had a girl play like it with a toy everytime we would hang out, watch movies or lay in bed. I honestly do not care.

handfulofnuts • 1 point • 25 January, 2019 03:41 PM

Yeah, you guys just haven't had good head. A good, proper deepthroat blowjob will fuck your mind up. It's like crack or heroin. I was with this girl for three months and we broke up a year ago, and I still fantasize about her mouth. Literally the most pleasurable sexual experience I've ever had, and I've had some good ones.

[deleted] • 4 points • 24 January, 2019 10:54 AM

If you have cheese dick you have other problems. Like some infection or something.

dons90 • 3 points • 24 January, 2019 04:18 PM

'Cheese' forms continuously, only washing keeps it off. Not talking about excessive cases but it does happen, and also is more common for uncircumcised guys.

[deleted] • -2 points • 24 January, 2019 06:14 PM

Nope, washing once a day does not a cheese dick make. Maybe in a week or so, especially if a guy was masturbating and didn't wash his dick for days. But overall, cheese dick is more serious problem than "not washing it". It may be an infection.

KobayashiDragonSlave • 3 points • 24 January, 2019 07:03 PM

Just wash it, man. There's no harm being done to your member by keeping it clean

[deleted] • -1 points • 24 January, 2019 09:05 PM

You misunderstood me. I meant the excessive thinking that only not washing your dick makes it cheese like is a problem. Washing once a day is perfectly fine, unless you had sex. Then you should wash after sex too if you expect your dick sucked next day.

friendandadvisor • 1 point • 24 January, 2019 09:48 PM

Hey, man-Just wash it!

SnamelessMe • 7 points • 24 January, 2019 11:15 AM

Objectively, blowjobs are indicative of woman putting her lips around your reproductive organ.

Subjectively, it means whatever you or she chooses it to mean. If you make oral sex (on both parties) a rudimentary part of everyday sex life, then that is what it will mean. If you will make it a high-value sex act, then that is what she will see it as.

GGrub8 • 48 points • 24 January, 2019 06:30 AM*

Not giving head strongly implies she's disgusted by you and she's putting just enough effort to keep you around for your commitment.

If she was really into you there wouldn't be any part of your body she wouldn't want to kiss/lick/suck.

Edit: as others have said, how long you've known her also matters. It's understandable if a girl doesn't want to give head on the first date, but if it's a LTR then it's the first sign you'll end up in a deadbedroom.

cornylamygilbert • 1 point • 25 January, 2019 01:28 AM

I like this but wasn't aware that no head on the first date was a standard indicator in this mindset, any girl that doesn't put out on the first date is nested right?

GGrub8 • 1 point • 25 January, 2019 07:13 AM

Holding herself back on first date might be ASD because she doesn't want you to think she's the kind of girl who gives herself to people she just met.

The most attracted and devoted she can be. Getting girls to do it is my specialty and my favorite. Im a freak.

adonis_syche • 56 points • 24 January, 2019 09:04 AM*

Shortest possible answer,

Betas **ASK** for blowjobs, while alphas, like yours truly, gently guide their head down south in midst of a french kiss.

You take your women and what you want from them. Men don't ask for things, women do. Men take what's theirs.

Edit : I am not condoning rape here jesus christ! Notice the word "gently"...and if you're french kissing naked, without her screaming for help, it is more or less a consent. CALM THE FUCK DOWN!

MisplacedSanityP • 19 points • 24 January, 2019 01:58 PM

Yeah, there's such thing as implied consent. God the most cringey thing is the idea that you must ask for consent before moving onto any next level. "May I take off your bra" "May I finger your glorious pussy" "May I bow down and lick your boot". It's like anything with a girl. You don't ask a girl to come with you, you grab her hand and tell her where you guys are going. You don't ask a girl for a kiss, you go for it and see if she resists. To the same point, you don't ask for a blowjob, you pull out your cock and put her on her knees. She can always speak up and/or physically resist to show she isn't into it. If she doesn't say anything, the implication is naturally she's into it.

DatingTank • 17 points • 24 January, 2019 11:08 AM

Describing how sex happens, and always has happened, and always will happen - is condoning rape to some. I can only conclude that type of people has never had sex.... or are simply having double standards. The man needs to take initiative and control, or else 99% of all sex in the world stops happening and we die out as a species.

adonis_syche • 13 points • 24 January, 2019 11:17 AM

We are doomed! It started when men started asking women for advice regarding how to have sex. Women themselves don't know what they want! The most innocent one likes to be choked while being dick slapped. I hope this trend doesn't become the norm, or women will visit our Ape cousins for 'Da Meat'!

Italian men threaten your masculinity? Try dick wrestling with a fucking Gorrilla!

trp28287 • 3 points • 24 January, 2019 03:05 PM

It's probably because 90% of this sub is a bunch of aspies who will understand him wrong and rape a woman because they thought "that's how alphas do it"

adonis_syche • 3 points • 24 January, 2019 03:36 PM

Couldn't have said it better myself!

EdvardMunch 1 points 24 January, 2019 06:23 PM* **[recovered]**

Yeah, thats why I hate this current climate. Its true there are guys who push past their rejections but ive also met a lot of girls who are shy, insecure, nervous, etc. If you cant take charge they surely dont want to risk rejection by asking you. Also many girls don't want to come off as slutty and you could see how eagerly going for your dick could be.

If this was a business deal business deals would never happen because no scenario is perfect, somebody needs to say its going to be fine despite your fears. Is this complicated ground? Oh hell yes. We live in a complicated world.

adonis_syche • 1 point • 24 January, 2019 06:34 PM

Be aware that the aspies here have hard time understanding *context*. They don't get social cues and operate in data mode, not subtext.

You do sex, you don't talk about it or try to verbalize attraction. Calibrate thru feedback.

adonis_syche • 8 points • 24 January, 2019 11:33 AM

You've prompted me to deep dive in ape's sex psychology, or the lack thereof. Any book/documentary recommendations? For science reasons ofkors

redhawkes • 7 points • 24 January, 2019 11:36 AM

The fucking sidebar/ Sex God Method/ Book Of Pook/ TRM.

Basically, TRP classics.

adonis_syche • 4 points • 24 January, 2019 11:37 AM

For ape sex psychology? I doubt it, but I'd take a took anyways...

redhawkes • 8 points • 24 January, 2019 11:47 AM

Humans/apes, same bullshit.

adonis_syche • 0 points • 24 January, 2019 06:35 PM

Fuckin hell, i read *aspies* as *apsies*...thought you are talking about apes....fml

[deleted] • 3 points • 24 January, 2019 12:03 PM

Aha, great edit.

Not if you live in Sweden, because he can't verbally express her consent while she's french kissing you.

adonis_syche • 5 points • 24 January, 2019 10:12 AM

Even if naked??? Jonas Jerebko is focked! Go warriors

Kpwn88 • 6 points • 24 January, 2019 01:04 PM*

What's this *gently*, bullshit? I tell my own wife to get down on her knees and suck it. Hell, when she says, "fuck me harder" I slap her across the face while I'm railing her and say, "shut the fuck up, you dirty little slut, daddy's in charge"

Women want to be treated like cum dumpsters. Act accordingly. YMMV

adonis_syche • 2 points • 24 January, 2019 03:39 PM

Lmao I'd do that to my wife too, but not the girl I just met. Gotta escalate one step at a time. I personally enjoy the tension more than the act, but maybe I'm not in the majority here. But good going with your wife man, that'd be the level I wanna be with TRP, to have wife while on it. cheers

Edit : Just looked up what YMMV means, nvm

ChadTheWaiter100 • 2 points • 24 January, 2019 02:29 PM

Lmfao! Is your wife still in good shape for her age

Kpwn88 • 2 points • 24 January, 2019 07:40 PM

Health & Fitness should always be an important quality to look for when vetting for a LTR. If it isn't, you're doing it wrong.

[deleted] • 1 point • 23 April, 2019 08:23 AM

Men take what's theirs.

What makes you entitled to a girl?

Andgelyo • 1 point • 24 January, 2019 04:13 PM

"Gently" lmao nope, I'm grabbing the back of her head, and holding my dick up so she knows wassup

I usually tell her I want mouth hugs...

Andgelyo • 16 points • 24 January, 2019 10:59 AM

Damn well I must be a fucking Chad to these land whales tinder hoes because nearly all of them gave me head first. Some even just sucked my dick without fucking.

ChadTheWaiter100 • 11 points • 24 January, 2019 02:31 PM

Nice. That's always nice to get a bj with no fucky involved. I remember those days. Some times on a 30 min drive I'd end up getting domed off twice.

apost54 • 7 points • 24 January, 2019 06:06 PM

2 days ago a girl gave me head in her car. Paid for my movie and Chipotle too. 9/10 except it was cramped :/

ChadTheWaiter100 • 5 points • 24 January, 2019 07:48 PM

Nothin like a chipotle on her. Esp when you order extra meat. Always nice to get a bj in her car.

apost54 • 1 point • 24 January, 2019 07:49 PM

True - I'm a vegetarian tho. I ended up coming all over my shirt... which was a pain to cover up :/

Because they are awesome. If you don't wanna give it to me then you don't care about me.

Whatdoin27 • 10 points • 24 January, 2019 12:32 PM

Wow, I didn't even think about blowjob's like that. Not even trying to to brag at all here but my LTR will give me blowjob's without me ever asking. It's weird.

She has this thing where she likes to randomly give me head and it's kinda cool! But here's something I'm going to admit. I actually don't really like getting head. It feels okay, but her vagina fucking feels way WAY better. She's good at it but it takes too long for me to cum. Most times I won't even cum lol. It has to escalate into sex. And no guys, it's not because she sucks at it. I was always like this. I've had girls shit test me because of this shit ever since having sex.

While I'm feeling this way, in her head she sees me as someone out of her league. Maybe slightly, if I assume that my SMV is quite high to her. I never thought to realize this at all though, because I thought girls give head because guy's like it.

frontyer0077 • 1 point • 25 January, 2019 05:15 AM

My LTR does the same. Sucks me whenever I want and always before I sleep, without me asking. Its great.

Dash_of_islam • 6 points • 24 January, 2019 03:50 PM

They are germaphobes.

They **think it's gross if a guy doesn't wash his hands after pissing.**

So for them to put dick in their mouth means they **want you more than their concern for cleanliness**

GGrub8 • 5 points • 24 January, 2019 06:20 PM

You'd be surprised at how unclean they become for the right guy (re: alpha).

Anb by unclean I mean things like giving head after unprotected anal.

adonis_syche • 2 points • 24 January, 2019 06:38 PM

....in a threesome....with a guy. Bitches go to extreme lengths for alphas

[deleted] • 3 points • 24 January, 2019 04:00 PM

I was with the same woman for 7 years and she only swallowed ONCE. I wish I were kidding -- while I absorbed her cum juice from her vagina.

Melbourne91 • 10 points • 24 January, 2019 08:35 AM

I practise semen retention, I notice I get offers for head when I am around 2 weeks in on a streak. For some reason I must come across more 'ripe'. I feel it too btw, I feel more sexually primed with higher vigour and vitality. For me I feel it has something to do with it.

ChadTheWaiter100 • 7 points • 24 January, 2019 02:33 PM

Lmfao! Where did you get this idea from bredda? If I held a 2 weeks load I would shoot a fuckin cup of jizz down her throat.

Melbourne91 • 1 point • 25 January, 2019 02:02 AM

That's what she wants

goblinboglin • 5 points • 24 January, 2019 08:41 AM

I do SR too and it sucks when she wants to give you a head but you know you wouldn't hold it. Dry orgasms much.

Atheist_Utopia • 2 points • 24 January, 2019 12:12 PM

I hear tons of stories about SR, but is it actually legit?

SwoleyMoleyFrijoley • 4 points • 24 January, 2019 02:31 PM

Same reason it's more intimate to shove my face into a pussy than my cock.

Head requires effort. Starfish sex requires a vagina.

InvictusDO • 4 points • 24 January, 2019 12:30 PM

They don't derive physical pleasure from giving head.

FKaroundNfindOUT • 3 points • 24 January, 2019 03:26 PM

Some do. Probably 50% I've been with have gotten very wet from it with 5% of those actually climaxing or squirting from it.

I'm ok with it.

friendandadvisor • 2 points • 24 January, 2019 09:37 PM

When chicks have high enough interest to blow a dude, it's because they think he is high value and cannot be obtained any other way. Once she snags him, just see how the bjs drop off, as if by magic.

I had one chick that was wanting a commitment from me, that just started unzipping my pants, etc...while we were talking. At the time, I didn't want to commit. As soon as I acted like I wanted a commitment, and asked her for a bj, she hemmed, and hawed, and said 'Well, I'm not very good...' Indicating to me that the more interest I showed, the less frequently the bjs would occur.

DubbleFUPAwitCheez • 2 points • 24 January, 2019 11:13 PM

Blow jobs might be my favorite thing to do with a woman. I'll simply say if you don't get blow jobs on demand you aren't that important to her.

User-31f64a4e • 2 points • 24 January, 2019 06:06 PM

And handjob indicate low interest

A handy is essentially a stall - maybe she'll want actual sex with you at some point, maybe not.

[deleted] • 2 points • 24 January, 2019 08:25 AM

Same reason since the beginning of time. Alpha males are good for reproduction and for protection from other dangerous males. Just part of nature.

gitpullhoes • 1 point • 24 January, 2019 05:21 PM

I had a girl once that would rather lick my arse than suck my dick. I never cared too much cuz her lips were thin so the head didnt even feel that good.

See my reply to whisper. Imo women want an aggressive lover not an abusive one but one that will take the lead and push her boundaries a little bit. Watch some real milf porn and pay attention to what gets them hot. Let me tell you it's not guys that timidly bangs them. Or acts like it's her that's doing them a favor as they breathlessly tell her how hot she is and they can't believe she's sucking his cock and all of that kind of stuff. You can even watch some cuckhold stuff. Look at her response to the guy that's banging her and how quickly she wants to

suck his dick. The cuck can't get any attention and she barely noticed him in most cases and oftentimes considers him a nuisance. She's banging that guy in front of her cuck because he doesn't give her what she wants. So give her what she wants. Quit thinking she's a princess and quit being grateful for her giving you pussy. Don't watch professionally made porn (the worst kind) watch the real amateur stuff with real people. I don't normally advise watching porn but if you watch the real amateurs and watch it to learn not to get off (I think it can be done) you might get it. The people won't be the best looking but they're real and they're kinky enough to post it somewhere. Don't mistake treating a woman poorly with being the leader. Imo some let themselves get treated poorly because they mistake it for leadership. It took me a long time to learn this.
