

Even if you're Brad Pitt...

September 20, 2016 | 49 upvotes | by [sexyshoulderdevil](#)

Sometimes we throw around the trite little saying that your wife would be happy doing xyz in bed for Hollywood hunk Brad Pitt...

But as it turns out, Brad Pitt can't quite compare to *Brad Pitt*.

[Angelina Jolie files for divorce from Brad Pitt](#)

Not even Brad Pitt can escape the rules of **maintaining** attraction. Once you get comfortable and hit your stride being masculine, fun and a ball of sexual energy, don't let that work slip from your fingers.

Don't become Brad Pitt...

Yeah, so far the claim is that he is having issues with weed and alcohol and becomes abusive. She filed for sole custody, whether she is actually worried about the children or just wants a fat check every month, she has her own issues. She carried a vile of Billy Bob's blood around her neck and used to make out with her brother. And in all honesty, I never her found her that attractive. I don't think its a huge loss. Based on looks alone, Aniston was the better choice anyway.

[deleted] • 12 points • 21 September, 2016 02:11 PM

For every "hot" woman - there is a man so tired of her shit he would rather smoke weed than give a fuck.

[deleted] • 3 points • 21 September, 2016 02:43 PM

Yep, 'specially if he can burn it with Marion Cotillard lol

[deleted] • 3 points • 21 September, 2016 03:23 PM

She speaks for greenpeace. He must like crazy

aradthrowawayacct • 41 points • 20 September, 2016 08:43 PM

Twice-married & divorced, mentally ill woman with obvious eating disorders and likely BPD? Meh. Not a big loss for him.

sexyshoulderdevil[S] • 11 points • 20 September, 2016 08:48 PM

Well, actually...can't argue with those points.

aradthrowawayacct • 10 points • 20 September, 2016 09:06 PM

Remember back when she kissed her brother at the Oscars?

Yeah.

bogeyd6 • 3 points • 20 September, 2016 11:24 PM

Im pretty sure there was some tongue action too

[deleted] • 3 points • 20 September, 2016 11:38 PM

None of them are a big loss though. There's always plenty more...

Brad isn't gonna be starved of attention anyways.

[deleted] • -9 points • 21 September, 2016 02:54 AM

she even took out her boobs. who the fuck wants to have sex with a woman with no boobs?

sexyshoulderdevil[S] • 22 points • 21 September, 2016 03:47 AM*

Well, a husband married to a seemingly loyal woman who was a good partner and birthed all his children may just keep his wife goggles firmly in place and see right on past her having them removed because of a cancer scare. And just keep on loving her.

That and them there plastic surgeons can go right on in and slide some nice, big juicy silicone ones in and

she could end up bigger than where she was. Not too shabby for a shitty dealt hand. Have I mentioned I love boobs? I really love boobs.

Persaeus • 3 points • 21 September, 2016 09:59 AM

Silicone is good to look at; but no fun to play with. Consistency is all wrong.

sexyshoulderdevil[S] • 20 points • 21 September, 2016 04:49 PM

Yeah...but cancer. Fuck cancer. I'll take some silicone ones any day of the week to fuck up cancer's plans. That shit has taken a lot of people I've cared about.

I love boobs. I hate cancer more.

PM_BOOBS_FOR_PUPPIES • 1 point • 21 September, 2016 01:35 PM

This is true.

YoureAfuckingRobot • 1 point • 21 September, 2016 11:35 PM

I don't think she birthed any of those kids.

sexyshoulderdevil[S] • 3 points • 21 September, 2016 11:38 PM

The conversation took a broader turn than just her...

ShiveringPines • 8 points • 21 September, 2016 05:53 PM

No shame at all at masectomies due to a very legitimate cancer concern. I would 100% support my wife making the same choice, and I love her tits. Just means that we get to pick out some sweet fake ones afterwards. (I like fake tits as much as real ones.)

UEMcGill • 13 points • 21 September, 2016 12:57 PM

I was glad someone posted this because I still think it's a good example about the pitfalls of marriage.

My take? Jolie is physically sterilized and that is a complete libido killer. Strike one. They are filthy rich, that's strike two. She's a rescuer, a *florence Nightengale* that's strike three.

Her libido is in the shitter, so now she's hyper focused on saving all these orphans from around the world.

Ole Brad is like, "come on Angie, let's spend a little quality time together..."

But ole Angie is like, "Brad I have to save the children!"

So Brad, he's still drowning in poon, starts to go out for beers with the fellas, runs into Marion who's like "Je Suis Marion, I am pleased to meet you Brad". Now I don't know about you, but in my book there is nothing sexier than a french girl talking to you in that low bedroom whisper.

So even though Marion is at best a 6 to Brad, she's still some strange. So he's like, "Yeah I'm Brad fucking Pitt, let's smash this"

Angie finds out, but she's unimpressed. Her reputation is most important to her, and she puts the blame on Brad, not for being a pussy hound, but for not taking her *Florence Nightengale* need serious. So she blames it on his "parenting style". Which is what it was, she didn't like him fucking other chicks while she was parenting. They both have a ton of money so there's no fear of resource loss on her part, and she has an over inflated idea of her worth, because actress.

I'm surprised this didn't self destruct sooner.

UEMcGill • 2 points • 21 September, 2016 02:25 PM

pittfalls

Damn, that's sly. I googled it like WTF? Need. More. Coffee.

RuleZeroDAD • 3 points • 21 September, 2016 06:52 PM

She believes herself to be Audrey Hepburn.

[deleted] • 3 points • 21 September, 2016 05:31 PM

Nail on the head. And a French accent automatically adds 3 SMV points.

[deleted] • 19 points • 20 September, 2016 11:46 PM

I'd say good for Brad, bad for the kids. Angie's smv has plummeted. She's 40, had her breasts and ovaries removed.

But Brad is still fine as hell.

Aechzen • 2 points • 25 September, 2016 11:26 AM

had her breasts and ovaries removed.

I forgot all about that. Jesus. No wonder he checked out.

redearththeory • 5 points • 21 September, 2016 05:04 PM

I bet divorcing over "parenting styles" means that she wanted to do nothing but kids stuff all the time and was a total bitch to him whenever he wanted to have a beer or fuck (sound familiar anyone?). Guys like Brad Pitt (and rock stars and pro athletes) have women trying to pull them in to closets to fuck all the time and he could have kept that discrete, but I hear it gets a bit impersonal after a decade or two. I bet he started a relationship with Marion Cotillard because she had a more French life perspective on how to be a wife/gf and mother at the same time without letting her kids totally define her as a person like American women tend to do.

A_Rex • 18 points • 20 September, 2016 09:03 PM

Spot fucking on with this line:

Brad Pitt can't quite compare to *Brad Pitt*

Women will never love you, they love what you are and how you make them feel. Even in my deepest BP days, I said to my wife more than once "you don't love me. You love the *idea* of me." How right I was.

DanAffid • 3 points • 21 September, 2016 09:42 AM

Women will never love you, they love what you are and how you make them feel. Even in my deepest BP days, I said to my wife more than once "you don't love me. You love the *idea* of me."

Wow, that's word for word what I said to my ex-wife.

[deleted] • 5 points • 21 September, 2016 04:57 PM

Holy fuck! I think this should be a topic all on it's own. I said the exact same thing to my wife.

timeflieswhen • 2 points • 13 October, 2016 11:59 PM*

Which just means she loves you at your best, but you don't want to have to BE at your best.

DanAffid • 1 point • 14 October, 2016 05:46 AM

Which just means she loves you at you best, but you don't want to have to BE at your best.

You can't be gangsta all day every day. But seriously, this girl I've met 2 weeks ago knows more about my life/history than my ex-wife

BluepillProfessor • 1 point • 27 September, 2016 02:03 PM

If guys would realize this before the divorce there would not be as many divorces.

[deleted] • 2 points • 27 September, 2016 02:04 PM

thats because there would be almost no marriages to divorce

[deleted] • 7 points • 20 September, 2016 11:40 PM

Exactly, that's how they work. Not even your mommy loved the *real* you. That's always your own job.

wadebarlow • 12 points • 21 September, 2016 04:02 AM

So true. My mom has this huge misconception about who I am. She's constantly having issues when the person I actually am conflicts with what her idea of me is.

Chinchilla_the_Hun • 4 points • 21 September, 2016 05:37 PM

Holy. Fuck.

Well, looks like I stumbled onto the /sub I need.

RPAternate42 • 7 points • 21 September, 2016 04:02 AM

I've heard it was over parenting differences.

She's not seeking alimony.

Brad Pitt will be fine. Angie on the other hand will also be fine because she's crazy and post wall and had her tits and ovaries removed and has probably given up on any sort of sexual interaction at this point.

I think Jolie is savvy enough to know her worth... and some WK will shack up with her anyways.

And Brad Pitt will be fine.

Darkwoodz • 13 points • 21 September, 2016 12:58 AM

There's so much speculation in this thread it's ridiculous. No one here truly knows any of the details.

bogeyd6 • 9 points • 20 September, 2016 11:25 PM

I would argue that even as Brad Pitt, marriage is a bad idea.

evilkenevil • 5 points • 21 September, 2016 12:58 PM

Brad Pitt should take a lesson from the Brad Pitt mythos and learn how to be the male unicorn everyone on the planet uses as their hall pass. Never has so much been bestowed to one individual. I think he should be jailed if he even becomes engaged again.

[deleted] • 2 points • 21 September, 2016 02:16 AM

Yes, this is the answer to the Brad Pitt riddle. +1

[deleted] • 3 points • 21 September, 2016 02:09 PM

My takeaway: they were together for 10...no issue. Get married and 2 years later: divorce.

Don't fuck with something that isn't broken.

[deleted] • 3 points • 22 September, 2016 03:05 PM

This is also relevant:

Brad Pitt is being investigated for alleged child abuse.

It is alleged that while on their private airplane, Pitt had been drinking, and got verbally and physically abusive with at least two of his and Angelina's kids. It was "anonymously" reported to Los Angeles authorities, who are investigating.

[deleted] • 5 points • 20 September, 2016 09:16 PM

Did *he* get caught cheating by a PI?

sexyshoulderdevil[S] • 13 points • 20 September, 2016 09:22 PM

The Brad Pitt I know and love could have been cheating with her watching and she wouldn't have given a shit.

bourbonhipster • 12 points • 20 September, 2016 11:46 PM

you mean tyler durden?

BluepillProfessor • 2 points • 22 September, 2016 04:01 AM

I just now got that Tyler was Achilles. He really is a damn good actor. Had his teeth chipped to play the role of Tyler and huge amounts of steroids and growth hormone for Achilles.

Dammit, this means it doesn't matter if you are Achilles or even Tyler Durden. Your wife can still go AWALT.

[deleted] • 2 points • 22 September, 2016 12:27 PM

they are far more likely to go "awalt" of you go chasing them. I bet after dude blows up his head at the end of the movie, girl doesn't stay very long.

either way, it has more to do with the experience you provide than the "real you"

[deleted] • 3 points • 21 September, 2016 12:58 PM

yeah but Brad Pitt is married to a very famous woman. Jolie has plenty of wealth, orbiters, and top-notch

options.

Alpha_Rising • 7 points • 20 September, 2016 09:11 PM

Jolie says the split is about difference in parenting styles, particularly with regard to alcohol and marijuana. Doesn't say anything about her trading up for a newer model. For all we know, Brad is crushing twenty-something poon on the side and Jolie found out.

Brad's legendary status remains intact.

flakemasterflake • 12 points • 20 September, 2016 11:26 PM

No he's crushing a 40-year old single mom....Marion Cotillard.

UEMcGill • 2 points • 21 September, 2016 12:37 PM

Rebound Plate. Still an upgrade to Jolie.

Persaeus • 1 point • 21 September, 2016 10:06 AM

Dig the new flair. East or west coast mountains?

[deleted] • 1 point • 21 September, 2016 03:27 PM

He's pretty well forgotten I think except by a few elderly academics now. Visited his house this summer, hiked all the trails he did around there. Let's put it this way, I was the only one there. Except for the goats. Lol

screechhater • 2 points • 21 September, 2016 03:12 AM

sexyshoulderdevil[S] • 6 points • 21 September, 2016 03:16 AM

Yup and for every super model there's a guy tired of fucking her...

Werewolf35b • 2 points • 21 September, 2016 08:05 PM

Michael Douglas is friends of thiers. He made an ass of himself when he got drunk with a reporter doing a story on him and he went off on Brad Pitt and Angelina's marriage (paraphrasing) "its not gonna last, saving orphans with her in Africa ? Lol".

Guess he was right.

jcrpta • 2 points • 22 September, 2016 07:31 PM

A relationship works best when the balance of power is ever-so-slightly tipped in favour of the man.

This is why Hilary didn't leave Bill Clinton when he very publicly got a blowjob in office. You or I get a BJ from the office intern, we're quite possibly looking at a divorce. She, however, was married to the president, FFS. Who's she going to branch swing to that would be a better offer?

I don't think Pitt/Jolie had that. They're much more equally matched; she could probably find some other absurdly rich celeb to date quite easily.

Mikesi12345 • 4 points • 21 September, 2016 02:06 AM

The dude was doing drugs and prostitutes. Any woman or man in their right mind would divorce someone like that. I would

golden_crow • 4 points • 21 September, 2016 07:19 AM

Pros? Did it state that?

UEMcGill • 1 point • 21 September, 2016 12:41 PM

A core tenant of redpill is a woman would rather share and alpha than be with a faithful loser. So which is she?

[deleted] • -1 points • 21 September, 2016 10:30 PM

Sharing means she can also see other men, right? Why would I share a man if I have to sit by while he fucks others?

Open it on both ends or I'm out.

BluepillProfessor • 1 point • 27 September, 2016 02:05 PM

Boys and girls are different. A woman very rarely wants to share unless she has lost attraction. A man always wants to share (his dick with) other women.

I am trying to imagine Brad Pitt being denied sex and living in a DB- it is just not going to happen.

[deleted] • 1 point • 27 September, 2016 02:18 PM

it is just not going to happen.

Not while Marion Cotillard is on the job lol

[deleted] • 1 point • 27 September, 2016 02:33 PM

Brad Pitt is like 50. Can't you use a more relevant guy for my generation? ;)

I completely agree with you. My point was that I will date a man without commitment (and I have zero issue with this) but I won't be loyal to him as long as we aren't exclusive. I might not go out

of my way to see other men, but if the opportunity arises, I don't feel an obligation to decline a date since I'm not in an exclusive relationship.

I have zero issue being a plate and having other plates when I'm a single woman. As soon as my boyfriend wanted commitment (and yes, he was the one that said he wanted us to be exclusive), I agreed and immediately stopped seeing all others.

Women plate too, you know, and often don't mind being plates. I just don't know how many would agree to be exclusive with a man who is not exclusive to her--I can't see the benefit there since it is unlikely she will "earn" his fidelity that way.

[deleted] • 1 point • 20 September, 2016 08:23 PM

I saw that on the "news" and but for MRP it would have escaped my notice entirely. Maybe she's still pining for Billy Bob. Won't he be a wild man or something? Why do I have some recollection of amulets of blood?

sexyshoulderdevil[S] • 5 points • 20 September, 2016 08:28 PM

I remember that too. Did a google search. Here you go: [Link](#)

[deleted] • 2 points • 21 September, 2016 05:34 PM

She's batshit crazy.

wanderer779 • 1 point • 21 September, 2016 03:21 PM

I like that line. Reminds me of this interview I read once with a rock and roll groupie. They asked her what everyone was like in bed and she compared them all to Mick Jagger. Then they asked about Jagger and her quote was, "he was good but he's no Mick Jagger."

[deleted] • 1 point • 21 September, 2016 03:41 PM

This will be an interesting divorce.

Time will tell if BP will be treated poorly by family courts and become a celebrity victim of parental alienation.

Sole custody is sought by AJ and accusations of drug use being tossed around.

Frankengregor • 1 point • 9 March, 2017 02:19 PM

Coming from a druggie who used to wear a vial of thorntons blood around her neck.

[deleted] • 1 point • 9 March, 2017 02:57 PM

I am very skeptical of anything a woman. let alone AJ, during a divorce says with regards to character of a spouse. It's all tactics to procure more resources and to get child custody in her favor. As of now, Brad

has managed to come out looking good and a ruling may be in his favor. Even his near miss show-cased the plight of many past and current alienated fathers having to deal with evil misandrist family courts.

the_red_monk • 1 point • 30 September, 2016 05:29 PM

My guess is there might be a lot more going on here than the press got a hold of. Who knows what's really going on...

vedanapatchayatanha • 1 point • 14 October, 2016 12:24 PM

How did Brad fail to maintain attraction in this case? His smv's higher than all of us here combined.

If anything, brad's case seems more a reminder that an mrped marriage isn't divorceproof.

Please correct me if I'm wrong (and I hope I am).

mainstream alpha lauded by the main sub is liable to get cucked, the same if not more than BB provider types. Being alpha as fuck is no insurance against the dangers posed to blue pill men. The alpha needs some beta traits.

think your taking this too far now. alpha is unlikely to get cucked (technical definition of the word). she wants alpha sperm when she is ovulating and her little beta at the special time of the month. ALPHA AS FUCK gives less than zero fucks about any of this. a married man needs both to keep his woman fucking him and not fucking someone else. as the professor likes to say: DANCE MONKEY
