

Alpha married with older women?

October 31, 2018 | 11 upvotes | by [Bruchibre](#)

I've recently seen that:

- Chris Hemsworth (35) was married with Elsa Pataki, 6 years older than him
- Jason Momoa (39) was married with Lisa Bonet, 12 years older than him with a kid from her previous marriage.

These two dudes are the personification of alphaness on cinema screens and make all pussies wet.

How do you explain this? Are these guys not so alpha or are these women very high SMV? These two could basically bang 18yo top models any day of the week.

Any of you married with older women?

They're acting. It's not real. He's getting some pink from an older rich girl and loves her.

Same reason when they accept awards they sound like babbling idiots.. but why can't they "act" and give a great speech? - because that's who they really are... without a script.

SteelToeShitKicker • 8 points • 31 October, 2018 01:43 PM

Yes, anyone who thinks than an actor's on-screen persona is who they really are should watch an unscripted interview of harrison ford. The guy can barely string a sentence together if they aren't feeding him his lines.

MrChad_Thundercock • 7 points • 31 October, 2018 02:31 PM

Yep.. also Robert De Niro. Sounds retarded.

Downtownindex72 • 13 points • 31 October, 2018 01:28 PM

Alex Rodriguez, 43 and very rich, is with the 49 year old Jennifer Lopez, and raising her kids from another man.

dandar4600 • 18 points • 31 October, 2018 11:35 AM

How do you explain this?

Both women were rich to begin with, both actresses, both very pretty.

These two could basically bang 18yo top models

They could very well be doing that with their wife's blessing and participation.

If it was only great looks, I would have never got laid, like ever.

You do understand that they are acting, following a script, pretending to be an alpha man. Physically attractive
≠/alpha.

You kids and the fascination with 18-25 year old women.

18-25 women are dumb as a fucking box of rocks.

Most suck in bed.

They are good for BREEDING. Thats it.

Why the fuck would I want to be around a literal child that is not my own seed all the time?

Grow the fuck up.

18-25 year old women are not the prize you autistic fucks.

The_Litz • 12 points • 1 November, 2018 06:49 AM

The sweet spot for me are the thirty somethings.

They are over the childish shit, sensual bods, good conversation and sexual experience.

DamagedBoyNeedsHelp • 1 point • 10 July, 2022 04:57 AM

They hit that wall tho

bowhunter6 • 10 points • 31 October, 2018 02:15 PM

Got to agree with this. Not really into chicks that young. They are too fucking stupid for my taste. I don't mind a few more miles on them if I can fuck them like a nasty porn star and have a decent conversation with them.

As if older women are smarter and stellar in bed. I understand some guys here are older and it is not healthy to focus only on very young women when you are 50+. Or many gentlemen here are married to their HS sweetheart and only want to improve their marriage, that's cool.

But there is not 1 single thing on which older women are preferable to younger ones, it is not only the sex (which by the way is wayyy better with younger women) it is availability, sense of humor, disposition, stamina,etc,etc.

If you want to discuss intellectual topics or reminiscence on old tv shows and music talk to your buddies.

This is foolishness. Check out Yassir Arafat, if you will. What, 70 something, and he married a 15 year old? Now, THAT's my kind of terrorist!

ETA: OOps! He was 60, she was 26. Close enough for me, tho.

z960849 • 3 points • 31 October, 2018 12:47 PM

Amen to that. Plus Lisa bonet is hot and probably a super freak.

screechhater • 3 points • 1 November, 2018 12:16 AM

Oh man. You said a mouthful there.

I'll never forget fucking a 35 yo at 19 and then a 40 yr milf at 23. Fun fucking Major fun fuvking older chicks.

Got my unicorn at 29 never looked back. She's still a perfect HB 9 after 3 kids

If I understand TRP theory aright, the answer would be something along the lines of "Firmer, hotter, tighter". Or, some such.

chomponthebit • -4 points • 31 October, 2018 05:43 PM

Saggy and jaded can't match perky and optimistic. I'll take young starfish who soaks my bed in minutes over an experienced hag with over a hundred dicks under her belt any day. And I do. Because I don't discuss Schopenhauer with the women I sleep with. That's not their purpose in my life

red-sfpplus • 18 points • 31 October, 2018 06:20 PM

It is so much fun watching incels like you post a what you believe to be a whitty comment, only to out exactly how low value of a man you are by your own admissions.

Life is a bi-modal distribution. If you look hard enough near the ends you may see outliers.

How do you explain this? Are these guys not so alpha or are these women very high SMV?

Like any other person I'd tell you, watch their actions. What do you know about these people? Three of them, I know nothing about, Lisa Bonet has been mess her whole career. What does that say about Jason Momoa?

MrChad_Thundercock • 6 points • 31 October, 2018 12:17 PM

“ bi-modal distribution”.

Love that.

Sorry, we only sell wieners in pairs, as you can see...

[deleted] • 1 point • 6 November, 2018 04:40 PM

OK, then make lemonade out of a pair of wieners. Somewhere there's a really happy woman that likes DP?

SorcererKing • 1 point • 6 November, 2018 06:26 PM

Ok, I'm out. This has gotten too weird.

SorcererKing • 6 points • 31 October, 2018 04:31 PM*

You forgot Ashton Kutcher and Demi Moore.

Look, some guys have older woman fetishes. Some guys are super bluepill in spite of appearances. What we talk about here isn't a set of unbreakable rules. Exceptions don't break central tendency, they're just outliers.

EDIT: Plus, celebrities live on another planet. They can't go out anywhere or meet "normal" people because people either want to be near them for their fame or want to use them for their money. This is why famous people tend to date each other: it reduces (but does not eliminate) the parasitism they experience.

[deleted] • 3 points • 1 November, 2018 01:42 AM

Reach180 • 3 points • 31 October, 2018 11:41 AM

Alpha <> Red Pill

No doubt both were seeking "the one" when they got married.

Ever heard of this thing called love? Where someone's looks and age only matter a tiny bit.

Bruchibre[S] • 2 points • 15 November, 2018 02:22 AM

The kind of love in "she cheated but if you love her you will forgive her"?

Hmmm in AskTRP there is not such a thing as love, only oneitis.

I have met a girl earlier this year who was 6 years older than me, I really liked her. At first I thought "I stay away" but with time I started thinking "why not?". That's where my question comes from. Anyway she left the country.

Gltrnthclb • 3 points • 15 November, 2018 02:32 AM

Who the fuck said that if a woman cheats you have to forgive her? Dump her stupid ass.

But just because you had one bad experience doesn't mean love doesn't exist.

Bruchibre[S] • 1 point • 15 November, 2018 03:00 AM

Who the fuck said that if a woman cheats you have to forgive her?

No one... How blunt are you? I was in no way saying that it happened to me. It was just some silly example.

But just because you had one bad experience doesn't mean love doesn't exist.

Dude, you're the king of white knighting and useless comments.

Gltrnthclb • 1 point • 15 November, 2018 03:45 AM

And you're full of hate and resentment.

Bruchibre[S] • 2 points • 15 November, 2018 04:43 AM

It consumes me from inside. I'm dark knighting.

Gltrnthclb • 2 points • 15 November, 2018 05:42 AM

I'm saying this because I'm legit concerned. Perhaps you should find a counselor to help with that.

Bruchibre[S] • 1 point • 15 November, 2018 06:28 AM

Thanks for your concern. I'm not "full of hate and resentment" but simply frustrated because you gave me the impression that not only you read my reply very superficially, you also piggybacked on it to say some blanket statement like "it's not because you had 1 bad experience that everything is bad". And now you are pushing on it to say that I'm full of hate and resentment. I'm not... my original post was I think legit and I even explain where it came from.

Gltrnthclb • 2 points • 15 November, 2018 02:43 PM

In your post you explained how you couldn't understand extremely hot men would ever go out with an older woman.

If you seriously can't understand that love is a thing and then go on to rant about bad experiences it really sounds like you're full of hate and resentment.

Go to therapy.

What you're bitching about is obvious to most people. But alludes you.

Bruchibre[S] • 1 point • 16 November, 2018 07:26 AM

In your post you explained how you couldn't understand extremely hot men would ever go out with an older woman.

In my post I asked what TRP thinks of it. Later I explained that I considered it for myself.

If you seriously can't understand that love is a thing and then go on to rant about bad experiences it really sounds like you're full of hate and resentment.

I didn't rant about any bad experience anywhere and won't explain that a 2nd time.

Go to therapy.

Go fuck yourself

What you're bitching about is obvious to most people. But alludes you

I wasn't bitching until you came and changed the topic.

[deleted] • 1 point • 24 November, 2018 04:54 PM

You need to man up and look on the inside, not the outside. A woman's weight is NO indication of health or beauty.

Bruchibre[S] • 2 points • 24 November, 2018 04:58 PM

Weight ? I was talking about age

[deleted] • 1 point • 24 November, 2018 05:00 PM

Just throwing that in there to show that Gltnretc... was being BP.

But, if you like fat chicks, it's alright with me.

[deleted] • 0 points • 24 November, 2018 04:52 PM

Yes, in a Disney movie. In real life, it's called 'dysfunctional'. Or, "marrying a millionaire".

Gltnrthclb • 3 points • 24 November, 2018 07:11 PM

Lol you're so fucking delusional.

[deleted] • 0 points • 25 November, 2018 03:51 AM

I gave you a point; but, 'twas for pity's sake!

Gltnrthclb • 2 points • 25 November, 2018 04:55 AM

Pity yourself sweetheart. You might have anti social personality disorder. Go see a therapist.

[deleted] • 0 points • 25 November, 2018 11:39 AM

Ah! I wasn't sure that you were a woman till now. That does explain much.

You forgot to say I have a small dick and need to man up and marry the fat chick that has just found herself.

[deleted] • 21 points • 31 October, 2018 11:25 AM

It's no coincidence that both Hemsworth and Momoa are regular posters on MRP. I would tell you their user names but I would prefer not to doxx them.

begonetoxicpeople • 12 points • 12 November, 2018 01:45 PM

Well how convenient you know it for certain but won't tell anyone to actually prove it!

[deleted] • 8 points • 1 November, 2018 07:35 AM

Yeah right. I'd donate \$100 to charity if anyone at MRP were even a C-list celeb.

[deleted] • 1 point • 24 November, 2018 04:51 PM

I already have. Several thousand times. I would tell you which charities, but, I don't want them to get bad publicity.

meivanlee • 1 point • 2 January, 2019 11:37 PM

Let's see if weakandsensitive is a man of his word..

I have more followers on my instagram then the number of men subscribed to MRP

@ivanleejackson

Does that qualify me as a "c level" celeb?

Please donate the \$100 to a charity to helps angry men find happiness. You pick.

Sepean • 5 points • 31 October, 2018 01:36 PM

A guy like Chris Hemsworth is perfect example of how little fame, status and looks will do for you if your frame and game isn't there.

What's strange is that you think these guys are alpha. This is the red pill, not the black pill.

ozfish83 • 8 points • 31 October, 2018 10:55 AM

Have you seen Hemsworth's wife damn fine. Better than some 18 year old thot

[deleted] • 1 point • 24 November, 2018 04:59 PM

Well, she is primo hot...in the pix. But, makeup can be deceiving, just look at Jennifer Lawrence-w/o makeup, she looks like my bro Lonnie. With it, she looks like a model.
But, she looks as if makeup is applied sparingly.
