

# Golden Ratio vs Always Gaming

5 upvotes | 27 April, 2018 | by becoming\_alpha

---

I was reading through the 16 Commandments of Poon and #5 reads:

Give your woman 2/3 of everything she gives you. For every three calls or texts, give her two back. Three declarations of love earn two in return. Three gifts; two nights out. Give her two displays of affection and stop until she has answered with three more. When she speaks, you reply with fewer words. When she emotes, you emote less.

I see the logic and how you're making yourself the prize by following the golden ratio. But I'm trying to square that with always gaming my wife. I'm kinoing her every day (displays of affection). Hug and kiss leaving for work and when I get home, spooning going to sleep, hug from behind and kissing her neck while she's doing dishes, holding her hand walking, putting my hand on her leg while driving or watching a show, grabbing her for a 10 second kiss (that she usually breaks off in one second or less), tickling her back or rubbing her neck sitting next to her in church.

Clearly she's not attracted to me as all that kino goes largely unreciprocated, and it has been that way for the last decade of being a beta. If I was strictly following the golden ratio, I would have kinoed my wife maybe once a month in the last year. I'm at a 100/1 ratio rather than 2/3.

What do you guys suggest is the right balance between always gaming/kinoing and following the golden ratio, specifically for those of us in the early stages of RP and not generating much dread yet?

But I'm trying to square that with always gaming my wife.

What this means is to always treat your wife like she has been your girlfriend of 2 months and sex is still new and exciting (even for missionary).

Ricklogical • 1 points • 27 April, 2018 11:10 PM **[recovered]**

if your wife is not responding to kino, withdraw attention and work on your own personal hobbies and interests. Go away from the home and lift and enjoy life.

The answer to a 100/1 vs 2/3 ratio is to totally withdraw your attention. She becomes just a roommate, and a platonic roommate at that, do not show your desire to her, she does not deserve it at this point...

becoming\_alpha[S] • 1 point • 27 April, 2018 11:33 PM

This is good. I think I'm going to pull back on the kino significantly.

MrChad\_Thundercock • 8 points • 27 April, 2018 08:17 PM\*

Fuck the golden ratio faggot.

The golden ratio .61803 is found in nature and architects use it to design a "pleasing" shape. Credit cards, big screen TVs, usually have a length to width ratio of .61803 and apparently Tom cruises faggot face follows those ratios as well. Yes, there was once a faggot study on that. Also some greek statues have that ratio. It's also a bunch of bullshit.

Who gives a flying fuck. I use the ratio when I help my kids build their science projects, I personally do think the ratio makes a nice rectangular shape. Has nothing to do with mrp. Maybe for beginners though so you don't go full retard and show her too much faggot comfort.

"Clearly she's not attracted to me as all that kino goes largely unreciprocated"

Remember, you are not doing kino to get a reaction from her. You are doing it for YOU! You're a fun, cocky, asshole and like to feelz all over that ass. It's fun. It creates attraction by breaking rapport and comfort.

Make it part of you. It's doesn't come from a needy place. Your description sounds very cringe worthy. More like you're showering her with affection (ticking and rubbing her neck..wtf?)

Kino and game her ALL of the TIME. Don't keep track of when she does it back to you faggot. Eventually, when the attraction comes back, she'll do the kino drive bys on you.

She needs to know that there is a man in the house who wants to fuck.

Do kino for you, not her.

"I see the logic and how you're making yourself the prize by following the golden ratio. "

No! You are the mother fucking prize because you are- regardless of kino. You ARE the prize because you consider yourself as a gift to her and the world. Your own mental point of origin. You are the one with value. You choose to let her into your frame. Goes back to cultivating a strong inner game. It's the opinion you have of yourself and the pursuits in life that make you interesting and successful.

Kino is just a tool. Get back to work faggot tickle monster.

SeamusAwl • 4 points • 27 April, 2018 08:23 PM

She needs to know that there is a man in the house who wants to fuck.

The question is. Is there a man, or just a faggot that does? Because the faggots needs and desires wont matter to her.

red-sfplusplus • 1 point • 27 April, 2018 09:13 PM

TIL what the golden ratio is.

I believe you meant to say 1.618 per my google results

Still educational.

MrChad\_Thundercock • 3 points • 27 April, 2018 09:22 PM

.618 or 1.618, depends on what side you divide first, faggot. ;)

[deleted] • 2 points • 28 April, 2018 11:06 AM

His lack of frame is showing

becoming\_alpha[S] • 1 point • 27 April, 2018 10:59 PM

Remember, you are not doing kino to get a reaction from her. You are doing it for YOU! You're a fun, cocky, asshole and like to feelz all over that ass. It's fun. It creates attraction by breaking rapport and comfort.

I think it's that last part I'm getting wrong. I think my kino has been about comfort, which is operating in her frame. I need to recalibrate my kino to be breaking rapport instead of trying to give her comfort.

Your description sounds very cringe worthy. More like you're showering her with affection

You're right, that is what I'm doing most of the time.

MrChad\_Thundercock • 3 points • 28 April, 2018 01:14 AM

Kino is playful and/or sexual. Slap on the ass while she's cooking in the kitchen, pick her up and grind her on the counter, same in the hallway as you pass her, pick her up and carry to the sofa, grind , and move along, bite her neck or the outside of her arm where it doesnt hurt, show her your strength. Do it because you like feeling all up on her.

Sometimes when she's bla bla bla in about Susie is a bitch at work, I put my finger inside her jeans and pull her towards me slowly , kiss, move along, and she shuts the fuck up.

Can also do it from a leadership frame, lead her through the door threshold with your hand at the booth of her back, guiding her through.

Comfort too, give her a big bear hug.

She can tell if it's coming from a place of manly strength or neediness.

Report back the first time she does a drive by in you.

becoming\_alpha[S] • 0 points • 28 April, 2018 04:08 AM

Yeah, I need to up my kino game to what you're describing.

I did have my first kino initiated by my wife in a long time yesterday. We were at a school function and chatting with our neighbors who are getting divorced. She was wearing a short fitted dress. We

sat next to them and my wife suddenly wanted to tickle my back and stroke my arm. Dread is real.  
I'll report back on her first drive by at home.

BobbyPeru • 1 point • 28 April, 2018 05:48 AM

Eventually, when the attraction comes back, she'll do the kino drive bys on you.

This. I think my wife kinos me as much or more on some days

rpsheepdog • 2 points • 27 April, 2018 08:36 PM

Seems a bit like the kino you speak of is more of a comfort level, and expected as opposed to attraction building.

tickling her back or rubbing her neck sitting next to her in church

Try smacking her ass at church, or grab a pussy feel, I mean in the context of a religious marriage you shouldn't feel too guilty about that anyways (use discretion w/ families and such) but that should get her attention. might throw her off, but should get the 'gina tingles going

becoming\_alpha[S] • 1 point • 27 April, 2018 10:53 PM

Sounds like my light kino is too light and isn't building attraction. So gaming my wife should be more aggressive I want your body right now type kino?

rpsheepdog • 1 point • 29 April, 2018 04:29 AM

maybe? or it is too regular or routine to the point in which it is either a) expected or b) comforting but there is more to game than just kino'ing the wife, a lot of frame battles and such

[deleted] • 1 point • 28 April, 2018 08:46 AM

Holy fuck! Listen to the other comments.

Go to /r/askmrp

You aren't attractive yet! Don't kino like some creep... be the prize means be attractive.

What's your 1 rm dl?

Stop kinoing and fix yourself.

[deleted] • 2 points • 27 April, 2018 10:07 PM

When initiating sexual contact optimally (IMO) you should be the aggressor about 2/3rds of the time. Your sexual desire for her (and willingness to confidently act on it) is attractive to her.

hystericalbonding • 2 points • 27 April, 2018 11:12 PM

Push/pull is part of game. Thirsty betas are all pull. Read the sidebar - no shortcuts.

ReddJive • 2 points • 28 April, 2018 12:35 AM

You are gaming her for the wrong reasons and she can tell. Game isn't "I want to fuck so I must do X"

Game is almost in and of itself a ritual dance. It's fun. It amounts to nothing other than grabbing some ass.

The reason she isn't receptive is she just doesn't see you as attractive. Limit your presence more.

screechhater • 2 points • 28 April, 2018 01:13 AM

Lifting and body fat stats ???

Dread. Dread. Dread. Gaming. Kino.

“I am the prize, your loss, again.... “.

At some point you'll get the wife goggles off. Til then “I am the prize....” and work until the abs show.....

becoming\_alpha[S] • 1 point • 28 April, 2018 03:30 AM

BP 250, Squat 300, DL 355. 6'2" 197lbs, 13.8% BF. Just switched to 5/3/1 from 5x5 SL, abs are starting to hint at showing.

I think I need to change my mindset on kino from providing her comfort to flirting for me.

screechhater • 1 point • 28 April, 2018 11:58 PM

Look in the mirror.

What do you see vs when met SO and started dating ?

I just started putting gel back in my hair. I kid you not.

I tell her I'm coming to get her for lunch, saving her from the feminazis

Kino is not about her it's about you. Keep on. Even with snarky cuntty comments, your frame can't be broken. It's about who you are vs who she tells who she wants you to be.

becoming\_alpha[S] • 1 point • 30 April, 2018 03:04 PM

Vs. when we were dating, I'm stronger, fatter, and way less tan than 15 years ago. I'm on the right track to be in my best shape ever in the next 6 months.

I think more important is I had stuff going on when we were dating. Since then my life has revolved around her and then the kids. Since finding RP, I've been adding stuff I'm interested in back into my life. I'm way busier and happier now. Wife mentioned last week she never knows when there will be time for us to be together. She hasn't cared about that before. I told her my workouts are on our shared calendar so she can know when I'm free.

Still working on building a stronger frame. It's coming along.

crimson\_chris • 2 points • 28 April, 2018 05:20 PM

Here's the deal. I sometimes struggle with this as well. There have been some good post here about "The Prisoner's Dilemma" - read up on those.

At the end of the day you should set the tone for your house. As it has been stated, game her for yourself. Become the fun and fit guy that women want to fuck. I tease my kids wether they are in a good mood or not. Same with the wife.

Now, sometimes I do think "Why should I be nice to her if she is being a bitch"? I have come to realize that by engaging in her negativity, I am losing my frame. I am caring too much.

Women's feelz change at the drop of a hat. My wife has been mad at me (for a good reason) for the last 3 days. Fuck it. I acknowledged my mistake but I kept with the kino and being fun. For no reason she gives me a nice passionate kiss as we head our separate ways to run errands today. I held my grame and she came around. Keep improving. Keep your frame. She will continuously test it to see that it's real.

Aditya77-scorpio • 1 point • 27 April, 2018 10:44 PM

Spooning, holding hands is not kino. I sense a lack of frame.

becoming\_alpha[S] • 1 point • 27 April, 2018 11:03 PM

I thought spooning and holding hands was kino. I'm building frame, but it's a work in progress.

NoCoast82 • 1 point • 28 April, 2018 04:17 AM

I'm far from an expert BUT....

The golden ratio, game, and keno are not as far apart as it seems many of the more experienced guys are letting on (but I get their point)

Having game and keno'ing your wife does not mean do 6th grade PDA 24/7. Its about well timed sexually suggestive touch. Well timed meaning when it benefits you, or is a reward for her behavior. So its a balance, like the gilden ratio....

Yes you do it because you like it, but you do not do whatever tou like. Maybe at some point you can do that

[deleted] • 1 point • 28 April, 2018 10:01 AM

You sound so nice. You should work on that by adding:

Push/Pull Break Rapport Neg While remaining OI.

Remember there's a difference between kinoing and been cuddly cute church goer.

becoming\_alpha[S] • 1 point • 30 April, 2018 03:08 PM

You're right. Reading NMMNG, I realized I was totally a nice guy. I think I've been continuing the cuddly church goer kino thinking that was the gaming kino I should be doing.

I'm cutting back on the nice guy type of kino and will ramp up the flirting/gaming type.

[deleted] • 1 point • 30 April, 2018 06:32 PM

Good man. It will be interesting to hear your next FR.

[deleted] • 1 point • 30 April, 2018 07:57 PM

church

there's your first problem.

[deleted] • 0 points • 27 April, 2018 10:20 PM

all that kino goes largely unreciprocated

How the fuck is this giving her 2/3 of what she gives you? 2/3 times zero is zero.

becoming\_alpha[S] • 1 point • 27 April, 2018 10:50 PM

Right. I'm providing lots of affection, she's providing almost none. I'm not following the golden ratio, I'm expressing affection toward my wife because I want to.

[deleted] • 1 point • 27 April, 2018 10:55 PM

I mean...you certainly can, and should do what you want. But if doing that is currently counterproductive to your ends, should you be? Many of us got here from putting pussy on a pedestal. It's what we wanted to do before...but it didn't work. Now we could continue to do it because that's what we want to do...but if a higher want is to hold a relationship where value is mutually shared, and putting pussy on a pedestal is detrimental to that...then no matter how much we're doing what we want, it's actually NOT what we want...isn't it.
