Goddamnit. Time to ground the wife from the internet again. First she votes Clinton, then she starts watching The Handmaid's Tale, and now she's posting rebellious thoughts on the internet. The Jews (other than me) probably planned this. I need to have a chat with them at our next world domination convention.

[deleted] • 5 points • 14 June, 2017 01:43 PM

Jesus.

So I've been through these threads, and the one where her ostensible husband posted at MRP or askMRP.

Both of them are dipshits. He's a beta cuck. She's an insecure, immature bitch who's not attracted to him (and for good reason).

Both of them should shitcan this marriage, chalk it up as a loss, and move on. She should spend some time alone while she finishes up grad school and figure out where she fucked up marrying a man she's not sexually attracted to. He should spend a year or two in monk mode and fix his shit.

A pox on both their houses.

Even if it's troll bs, here's a teachable moment I'll always harp on:

I did find out what his problem was. He is jealous at the fact that I'm more successful than him, always getting what I want when I strive for it. I am proud of his accomplishment too and constantly praise him, so I don't really know how to help him see that.

The money a woman makes, her job title, degree of education, does not fucking matter. If you feel like a shit because she is "better" or "higher" at any of this stuff than you, you need to figure out either a) you're underachieving, and fix that, and your gay attitude is a reflection of this, or b) stop giving a fuck about that if you're happy doing what you're doing. Few things more pathetic than being jealous of a woman.

redandswollen • 1 point • 14 June, 2017 04:23 PM

At least the dudes here are telling him to own his shit. All those shitheads where she posted are telling her she's an innocent victim of abuse

nightmancommeth • 3 points • 13 June, 2017 06:06 PM

BAHAHAHA there is always that one. Also sounds like he went Rambo.

[deleted] • 7 points • 13 June, 2017 06:14 PM

A month ago:

apparently hes been reading the "red pill" and "how to combat women shit test".

He painted a pill red and handed it to me just now. Wow

That's... pretty special

nightmancommeth • points • 13 June, 2017 06:16 PM **[recovered]**

LoL. The top comment on that thread is pretty good though. Find out why he's unhappy.

Honestly the guy fucked up but at least he's owning it. Most guys would go back to Beta Bill after the wife caught them. I honestly think the guy has ran out of "fucks". I can see him ending it soon.

[deleted] • 2 points • 13 June, 2017 06:54 PM

Bingo.

pridebrah • 4 points • 14 June, 2017 04:09 AM

Autistic rambo. Mind numbing how some people go about applying some of the things they read here. Common sense ain't so common.

[deleted] • points • 13 June, 2017 06:26 PM [recovered]

really? This sounds almost like nothing.

my hamster wheel and how I cheat on him,

Well, except this part that everyone has glossed over.

nightmancommeth • 1 point • 13 June, 2017 06:39 PM

I honestly think its a troll:

He's sneak in comment such as 'I'm the alpha male

He got up in the middle of the night and left because of previous argument and didn't come back till couple hours later

Treated me like a sex object that doesn't deserve respect

Even funnier are some of the replies:

What he is reading is advising him to use tactics commonly employed in abusive relationships. Please take this seriously and ask for help if you need it. He doesn't get to do this. He doesn't get to ruin your lives on the advice of angry people on the internet. If he won't listen leave.

RPAternate42[S] • 3 points • 13 June, 2017 07:23 PM

What he is reading is advising him to use tactics commonly employed in abusive relationships.

And this was a reference to NMMNG. They think that book is about being a mean guy.

I wonder if anyone has accidentally read this book instead.

nightmancommeth • 2 points • 13 June, 2017 08:06 PM

Lol Lol! God.

Persaeus • 1 point • 14 June, 2017 01:55 AM

Standard romance novel (aka red pill as fuck)

[deleted] • 1 point • 14 June, 2017 05:42 AM

I agree. Has to be a troll.

Where does TRP recommend accusing your woman of cheating to make them go crazy? That's the most beta manipulative shit I've ever heard.

I feel like TBP make posts like this in regular sub reddits in order to warp people's view of TRP/MRP that have never read it.

But then they should ask themselves why do they need to make shit up about red pill philosophy if it's so inherently evil?

platewrecked • 2 points • 14 June, 2017 03:51 AM

What kind of graduate school can you get into without being able to conjugate English?

redandswollen • 1 point • 14 June, 2017 04:20 PM

'It got worst'

2gunsgetsome • 4 points • 13 June, 2017 06:40 PM*

Quite the post history...

Dude apparently stopped her mid-Blumpkin and "went out". That'll show her!

OTOH, maybe she needs to spend a little less time bitching about politics on the internet. Just sayin'

[deleted] • points • 13 June, 2017 07:01 PM [recovered]

Til, bitch husbands get blown.

Never would have thunk it was possible.

2gunsgetsome • 2 points • 13 June, 2017 07:16 PM

Til, bitch husbands get blown. Never would have thunk it was possible.

Right?

Of all the things, letting her suck a little dick seems like the best possible way to make the chattering about the Donald stop for 2 minutes.

[deleted] • points • 13 June, 2017 07:20 PM [recovered]

Almost as funny as how that entire sub glossed over the accusations of cheating.

always bury the lead. Newbie poster rule #1

2gunsgetsome • 1 point • 13 June, 2017 10:59 PM

glossed over the accusations of cheating

Aaaannd I'm in The Band for directly asking OP if she did.

Too bad, because since she answered directly that she didn't cheat, without any DEERING, I would have recommended she do the same thing we do: Realize that his she doesn't control his behavior or choices, only her own choices, values, and her participation in that relationship. If she values herself and her own frame, she can choose to categorize his accusation as bullshit and not even worth addressing.

Sure, maybe he's tired of hearing constant outrage about Trump, but her guy sounds like a low value, mateguarding, dickbag. She's 23, FFS; I'm positive there are other thirsty Young Democrats who'd love to talk politics and take a BJ from her, since that's what she wants to do.

But that's solving the problem, not validating the feelz.

bogeyd6 • 0 points • 13 June, 2017 07:47 PM

Even the BB gets the yearly birthday blow job. Also, it proves out that no, blowjobs do not solve

everything.

[deleted] • points • 13 June, 2017 07:48 PM **[recovered]**

Lol, they solve my need to get a blowjob, but I'm not wired all fucked up like you lol.

bogeyd6 • 1 point • 13 June, 2017 07:59 PM

... and my warranty ran out before I could get it fixed :(

[deleted] • 3 points • 13 June, 2017 07:33 PM

donedreadpirate • 1 point • 13 June, 2017 06:06 PM

kidding. seems plausible though.

SteelToeShitKicker • 2 points • 13 June, 2017 06:55 PM

Doubt it. This post says that there has been improvements. I doubt a_a_c stuck with anything long enough for his wife to see improvements.

justpickanyusername • 1 point • 13 June, 2017 06:27 PM

Wasn't he the granny panties guy?

No way to ever know for sure now, but I bet you're right it was him. He was posting only a few days ago, now everything is suddenly deleted, and about the same time his wife is posting about him on Reddit.

donedreadpirate • 1 point • 13 June, 2017 06:53 PM

Yeah lol. And the weird English. Just seems like something he would do too.

number123356 • 4 points • 13 June, 2017 07:33 PM

It wasn't me either :p

donedreadpirate • 3 points • 13 June, 2017 07:34 PM

You're a good sport. And yeah you were my next guess. Thought I was sticking up for you over there.
