

Red Pill Example - RedPill of a different fold?

September 26, 2016 | 7 upvotes | by [logger1234](#)

Grant Cardone, a sales training guy, just did a video on handling spouses objections.

<https://www.youtube.com/watch?v=XGn-pRte2fM>

In the video, you'll see him acting as a leader, using Amused Mastery, not being passive, etc.

I thought it might be fun to discuss here, breakdown what he does at certain times, etc. Laughed out loud at the doughnuts bit. Note that ONLY works if he is perceived as low value.

If this isn't an appropriate askMRP thread, that's okay, just let me know, no worries, I don't give ... nevermind. :-)

Good video. Some classic WISNIFG Fogging and Negative Inquiry.

Example:

Her: You drive too fast and scare me!

Him: You're right, I do drive too fast. [Fogging] Other than driving too fast, do you have other objections about my driving? [Negative inquiry]

Her: Yeah, you don't respect others on the road.

Him: You're right, I don't respect other drivers enough. [Fogging] I agree on both fronts. Are there any other objections you have? [Negative inquiry]

Her: No...

Him: Would those two things keep you from driving with me? [Is her objection valid? Owning your own judgement]

Her: No... [or yes, in which case work towards a sensible solution or rinse repeat]

This dude is obv. a lying douchebag. Get your own frame.

bogeyd6 • 5 points • 26 September, 2016 07:05 PM

You don't get to try to be edgy yet.

[deleted] • 2 points • 26 September, 2016 09:26 PM

he certainly is a little douche-y. Okay. Good to observe and learn that too.

Biggest risk I see is that low-SMV guys try his tricks and see they don't "work". :-)

That's the problem with examples like this. It worked for the titanium framed guy who has women eating out of his hand and is in total control of his wife. Why won't it work for me with my overweight, overbearing, ice cold wife who controls me?

First get control of yourself. When you have control of yourself, you will have control over her. Until then, work on it. You really can't come out of your Beta shell and start doing this in the first month, or the second.
