

What are some sub reddits and YT channels/videos for looksmaxxing and become physically more attractive?

August 31, 2020 | 2 upvotes | by [WorkUnderProgress](#)

I was on Reddit and just unearthed a rabbit hole of subs for women for looksmaxxing and shaming men on the basis of looks(big mistake, shouldn't have gone in the rabbit hole).

Looks do matter anyway, so what are your go to subs or YT videos and channels that teach you how to have a better face shape, jaw, making voice more masculine and other features?

I am working out too side by side.

That's incel bullshit. Lift, dress respectable, and work on game and social skills.

Looks will not help you close.

I was really fat a few years ago and still had massive success. You're going down a narcissistic rabbit hole filled with useless info. All you need is in the sidebar.
