

Even my mom has beta orbiters

February 5, 2019 | 146 upvotes | by [new2019throwaway-](#)

It kind of blows my mind . This guy has been orbiting my mom since hs 28 years ago . My mother recently got a whole new Furniture set but her house is getting remodeled so we couldn't take it Through front we had to carry everything to the narrow ass basement and out the other end/ exit then bring the new shit in through the basement and carry it up the steps after . And this guy is helping me lift everything telling me how they met in hs blah blah orbit behavior blah blah and he's breaking his back for no reason . If some chick from hs called me to help her move shit I would laugh and hang up . 28 years later this guy is killing himself . And this furniture wasn't a piece of cake . I lift 4-5 times a week and was defeated by this task . 6 days ago and this is the first day my body wasn't sore. For conversational purposes I'll be honest my mom is a 4 . Seems like every women has orbiters right ?

TLDR: moms orbiters

My divorced dad beta orbits my mom

new2019throwaway- 1 points 5 February, 2019 04:57 PM [\[recovered\]](#)

Got a uncle who does that . Breaks my heart cause he's a great guy that just wants his wife back but she moved on to some rich lawyer . They've been divorce as long as I can remember and he orbits her still. Alpha Lawyer is aware and doesn't even care thinks it's funny

rugged79 • 23 points • 5 February, 2019 08:19 PM

That's funny, I knew a rich beta lawyer that had his trophy divorce him for a broke Chad lol.

See its all about perspective. I would be pissed if I was the laywer who actually blue pilld loved the bitch but if i red pill loved her from the start i wouldnt gve a fuck.

But i wouldnt get married

SalporinRP • 1 point • 6 February, 2019 01:19 AM

Money isn't as big of an issue with a guy when you can get thousands per month in alimony.

AuberyBitoni • 7 points • 5 February, 2019 05:34 PM

Same...

ChadTheWaiter100 • 4 points • 5 February, 2019 09:27 PM

Tis a red pilld sin to just stand there and allow that.

SolarTortality • 1 point • 6 February, 2019 12:38 AM

Agreed. He's doing his father a disservice. :(

Lol I tried to start a conversation about the nature of beta orbiters and all the comments are about who's my real daddy

[deleted] • 4 points • 5 February, 2019 09:55 PM

what did you expect?

monsieurhire2 • 14 points • 5 February, 2019 08:39 PM

The guy isn't orbiting. He merely has integrated lifting into his work-life and is living the dream. He would help anyone move just for the lifts XP.

That joke would have hurt my feeling if I didn't look like a striking reflection of my dad . Same height and all that

[deleted] • 6 points • 5 February, 2019 05:59 PM

I could make the same joke about my paternal grandfather.

erthian • 22 points • 5 February, 2019 04:56 PM

Post should be titled “even mom is someone’s plate” then.

I’m not too naive to understand my mother is a woman with needs but I know a orbiter when I see one .
If orbiter was in the Dictionary it would be a picture of this guy breaking his back lifting up a couch

Idris007 • 35 points • 5 February, 2019 05:19 PM

Composed comeback

NabroleonBonaparte • -8 points • 5 February, 2019 05:05 PM

Lol right?

They’ve at least hooked up at some point or he’s currently laying pipe while OP leaves the house to cold approach girls with his little buddies at the bar

new2019throwaway- 1 points 5 February, 2019 05:29 PM **[recovered]**

lol I dropped him off after we finished and he was about to just walk home

NabroleonBonaparte • 0 points • 5 February, 2019 06:26 PM

Cool ☐

MisunderstoodAsian • 24 points • 5 February, 2019 06:12 PM

Sometimes I thank God that I found TRP because if not, I probably would have been one of the beta orbiters you're describing at the age of 40+ lmao

M_Hamza • 5 points • 5 February, 2019 10:00 PM

LOLd hard at ur name

MisunderstoodAsian • 2 points • 5 February, 2019 10:20 PM

Created it years ago, would definitely not be my first choice now

NabroleonBonaparte • 27 points • 5 February, 2019 05:07 PM

Tread carefully OP

You might accidentally find out about your Mom’s carousel riding or find out she’s getting fucked while you’re away.

Maybe you should bring up a convo about blood tests and see their reaction lmao

adonis_syche • 10 points • 5 February, 2019 07:54 PM

Most unsuccessful men dig up their past deeper as time goes by , to reanimate bygone relationships since they can't have any newer ones. There's a level of comfort with older partners. I am 22, and TRPd, but despite that I'd "accidentally" meet my highschool and early school's love interests. Nothing beats sex with the person whose virginity you took, but in a broader sense, I guess, nothing beats rekindled romance. There are entire genres of

movies, art, books and music on this subject. From his perspective, he's itching like crazy to have somebody he always wanted to have.

i know plenty of grown up alpha dudes even, who melt for their highschool/college crushes. Something about those normative years man. I only hope I don't become all faggy ass for my teenage plates as i get older.

StevieWondersHummer • 5 points • 5 February, 2019 06:37 PM

can't fault the guy, he's just creating abundance

maljo24 • 5 points • 5 February, 2019 10:46 PM

A 4 to you, a 9 to him.

Aestheticcunt1996 • 13 points • 5 February, 2019 07:05 PM

Wtf man? Honestly, I think some people carry it too far. Since they took TRP, they construe every action a guy does related to a woman through the lens of AF/BB. How about he was just being a kind person? Which does not necessarily mean beta as many of you autists believe since taking TRP. How about he did it out of intrinsic motivation, just to be kind, doing something useful for his fellow human beings and to feel better about his existence because he made himself useful? Of course I could be wrong, but you gave us too little background and all around information to definitely sort him into the BB category. If you are as sure as you seem to be about it, at least make it as sure to us by providing substance to your conclusion before you state it.

Edit: typos

DamiensLust • 7 points • 5 February, 2019 08:03 PM

I see your point, however I assumed that there was more context OP was leaving out in order to so surely place the guy in "beta orbiter" category.

Aestheticcunt1996 • 2 points • 5 February, 2019 08:16 PM*

Yeah as I stated, this could be the case. However: what distinguishes kindness from beta bux nice guy behaviour is the intention behind the action. If it is to please a woman with the purpose of instilling the desire to have sex sith you, then it is beta bux nice guy ass kissing behaviour, which is pretty ineffective for said purpose as we all know. Coming from a place of kindness, the actions are motivated intrinsically. To give an accurate judgement, we need to be provided with more information than the given ones in this post. And even then they are only well founded judgements, nothing more, nothing less. My criticism addresses the potential TRP-predetermined perspective of OP that I suspect. Nevertheless, some people forget that TRP encourages its followers to question it, to keep open minds and to develop it further through those open minds. They are the foundation of its development. No open minds, no progress.

FalconWrite • 4 points • 5 February, 2019 10:10 PM

Willing to bet OP knows more about the whole situation here than we do from the one example he shared to describe it

ac714 • 2 points • 5 February, 2019 10:32 PM

There's enough context here to know that he isn't a strong friend or contender for the relationship. OP refers to him as 'some guy' and orbiter builds himself up as some long time friend yet it's clear they never met before being asked to do monkey work.

Everyone should have enough going on in their lives to see this is something you pass on given the weak history. This is not something you agree to do just because it is one's nature to be nice and caring. Clearly OP could have added more but it's safe to infer quite a few things like orbiter

and mom are single and orbiter has some form of oneitis going on.

Peruaan • 2 points • 5 February, 2019 07:39 PM

This.

dani098 • 10 points • 5 February, 2019 07:09 PM

Dude probably fucked her down on that couch

MountainEphiphany 1 points 5 February, 2019 11:01 PM **[recovered]**

Before I reply, I'll just say I don't agree on this sub's opinion on guys and girls not being able to be friends. We are friends with people because we share common interests or somehow provide a benefit to them. If a guy friend asked me, hey, can you help me move? I would say sure. If a girl friend I know asked the same thing, I would as well. These are the friends of mine I know who do the same thing if I asked them.

omega_dawg93 • 4 points • 5 February, 2019 08:32 PM

dude ain't moving furniture for nothing. lol.

remember OP... "ALL women are sluts with the exception of your sister (out of ignorance) and your mom (out of respect)."

4's need dick too. the broke back furniture mover done hit dat. mom got tossed up.

throwitdownman • 2 points • 5 February, 2019 07:38 PM

Sounds fishy. Something about this feels odd.

Melanoma_man • 2 points • 5 February, 2019 08:36 PM

My mum is 57 false teeth alcoholic and has several beta orbiters

[deleted] • 2 points • 5 February, 2019 08:42 PM

Same with my mom, they'd do anything for her.

NeuroMnemonic7 • 6 points • 5 February, 2019 05:57 PM

So in your world the idea of an old friend wanting to help another friend out doesn't exist?... or does he do other shit that would make him an orbiter?

web8564j • 5 points • 5 February, 2019 06:56 PM

Downvoted for possibly the shittest tldr I've ever seen

ProFriendZoner • 3 points • 5 February, 2019 08:41 PM

Yes, EVERY woman has orbiters.

Something that hasn't been addressed here and i've heard it all my life is that a lot of people who lift get "their ass kicked" by "Live weight" (whatever the hell that is). Another words, normal stuff like furniture or bags of cement that have to be lifted and moved. As for me, not a lifter, yet anyways, 2 seriously f'ed up shoulders and mired in a long legal battle to get them taken care of (work related) so maybe I don't know what i'm talking about.

SICFJC • 2 points • 5 February, 2019 05:55 PM

Wrong sub op

NASCARnormie • 2 points • 5 February, 2019 10:02 PM

as red pill superstar GLO would say,

only a faggot would write what you wrote and assume it's enough information to provide advice off of. Chances are your whole life runs on similar shit logic. So basically ur fucked.

Aesthetic_God__ • 1 point • 6 February, 2019 12:14 AM

What do you care? It's something every normal person knows.

Its not red pill knowledge that random chumps chase women with no return..its common knowledge.

Iceklamber • 1 point • 5 February, 2019 06:00 PM

Askew punctuation

rugged79 • -2 points • 5 February, 2019 05:45 PM

Usually if you demonstrate that your ass is grown, she'll value you advice.

Maybe if you want to lay it out for her you can give her the Red pill women version. You have to feed it to her slowly though.

[deleted] • 4 points • 5 February, 2019 06:04 PM

Advice on what?

DamiensLust • 3 points • 5 February, 2019 08:04 PM

What are you talking about? What exactly are you proposing OP lays out for his mom & to what end?

rugged79 • 4 points • 5 February, 2019 09:04 PM

Shit. I misread the post.

yumyumgivemesome • 0 points • 5 February, 2019 05:32 PM
