I'm gonna disagree with you on this one Mr Sanity.

I love to eat pussy. It gets my juices going. That said I'm not an overly huge fan of blow jobs (although I like to have new plates do it to set the standard). Its also your mindset that you take to the bedroom. I like to use the reward system when I'm with an LTR. You suck a few times ill reward you with some tongue (don't take this out of context your sucking my cock whenever I want you to...).

Or shit if I'm feeling particularly freaky ill just fucking do it because I want to But because I want to. And ill usually tell her this is what I want while I throw her on the bed and spread her legs.

In my opinion eating pussy is completely subjective.... You either want to do it or you don't. But No matter what stay in frame and either do it or don't do it because YOU want to.

It could be that your preference is not toward BJs. It could also be that you haven't gotten a freak that can do a customized BJ too.

Most chicks don't have a BJ toolbox. They don't have to nowadays because thirsty betas exist. But when a chick that's veteran level at BJ gets down, she's like Dora the Explorer. Her number one priority is trying to figure out the male equivalent of the g-spot on your dick.

Most bitches just do the standard tug, suck and blow. Not even trying different stimulation tricks with, for example, her fingertips, lips, or tongue, etc. Or even remotely interested in knowing said tricks. Finding one who is good at it is similar to finding a unicorn... almost.

All the other stuff about eating pussy is correct. If you want to do it, then do it. If not, then don't.

I've been in an ltr for 7 years and bjs are a large component of why I've stayed.

rugged79 • 2 points • 21 February, 2019 11:15 PM

Yup.

It's like trying to leave a crazy HB9 whose good at sex. Every time you want to leave, she just takes out her titty and sucks on the nipple. True power of a BJ artist.

Cake day Chad woot woot!

PimPedOutGeese • 2 points • 21 February, 2019 07:23 PM

You might be spot on as well! I've only had a handful of really good BJs and when they are on point boy they are on point!

But most women simply don't have the bj tool. A plate I have can barely open her damn jaw. She tries but then teeth get involved... We all know how much we love that.

Edit: I also don't reciprocate with her either. My choice.

rugged79 • 3 points • 21 February, 2019 10:51 PM

Yup.

Hope you plate a BJ artist. She'll Picasso that shit. I let women know BJ skills and cooking skills make a dude happy to see her every time.

I disagree, I hate going down on women but love blow jobs. I think it's a power thing.

You never seen those highly suggestive cadbury flake ads with the woman putting only the crumbliest flakiest chocolate into her mouth? {edit2 : see here:

https://www.youtube.com/results?search_query=cadburysflake}

There's a reason for those ads.

They think they're in control, but only by being completely subservient to you. On their knees with your dong in their mouth.

Why even think about reversing the power play?

Womens perfume ads show hot women because the person buying the perfume wants to be associated with the hot women, same with lingerie ads, or mens fragrances, or mens knickers.

The trick is to put the idea in the consumers head - if you buy this you'll be the person you dream about being.

Edit: Ironically it makes them feel in control while being dominated - Red Pill Heaven

I could never understand how women fall for that. Works like a charm on people with low self esteem.

Obviously they are not in control of anything. What's the worse they can do, bite your dick off? What for, to lose what they think is giving them power?

PimPedOutGeeese • 2 points • 21 February, 2019 06:52 PM

I don't mind getting a BJ. I'm just not overly attached to them... Don't get me wrong lol ill take sloppy top all day! I just love going down on a woman.

Your not wrong! I just think the actual act is subjective. The mindset is not. There's no wiggle room there.

No matter what they need to suck your cock. It is a power issue.

Don_Draper27 • 8 points • 21 February, 2019 07:06 PM

Don't listen to this "bro code" shit. That's retarded.

If you want to go down on a girl then go down on her.

Only time I won't do it is if she has too much pubic hair or if it smells bad there.

I personally get turned on giving girls head. That underside view you get of her tits and her body squirming and hearing her moaning. Mm, it's fucking hot.

It also improves your overall sex performance. Idk about you but I personally love having girls coming back for more and more.

nabosch • 4 points • 21 February, 2019 09:13 PM

I get where he's coming from if he's thinking don't put your mouth on a random snatch.

Obviously, an LTR that you know is clean is much safer than a ONS you picked up from a bar or a plate that's getting other dick.

SimplyFishOil • 5 points • 21 February, 2019 06:45 PM

Bro code is not messing with another man's girl, especially your friend. You can go down on any girl you want

Aptote • 0 points • 21 February, 2019 07:05 PM

not a popular opinion in this sub, for some reason

HurricaneHugues • 2 points • 22 February, 2019 12:10 AM

Nobody here advocates fucking a friend's girl. There is no bro code in the jungle. Not every man is your ally.

chazthundergut • 3 points • 21 February, 2019 06:39 PM

Do what you feel like

latinasonly[S] • 1 point • 22 February, 2019 09:20 AM

dont feel like eating out random HOs . how would you deal with girls asking to go down on them during sex and you dont want to ?

chazthundergut • 2 points • 22 February, 2019 03:03 PM

"No thanks"

AuberyBitoni • 2 points • 21 February, 2019 06:55 PM

I sometimes go down on plates when I feel like it. When she's my LTR I will do it.

RedSkeller • 2 points • 21 February, 2019 07:41 PM

If you like eating puss eat it like it's your last meal. If you don't then don't. If it smells especially tainted, then avoid it.

phatphreak666 • 2 points • 21 February, 2019 07:20 PM*

I like eating tuna tacos because it makes Me feel good. I like them spicy ,stinky, pissy, mensy... (Bunghole has a surprisingly sweet flavor)

The scent and the taste penetrate deep into my primitive brain getting my blood pumping, juices flowing, puts me "in state."

I devour my Quarry to sate my appetites.

I fuck my prize the way I want to.

(Her pleasure is a side effect and bonus)

PimPedOutGeeese • 2 points • 21 February, 2019 07:28 PM

I fuck my prize the way I want

Same. I mean I'm the prize but totally get this.

phatphreak666 • 1 point • 21 February, 2019 09:26 PM

You got it, pimp

ArchsofArch • 1 point • 21 February, 2019 06:46 PM

If he is poly and everyone knows do it.

maljo24 • 1 point • 23 February, 2019 12:34 PM

Eat out every girl! And jism in every girl's mouth.

MisplacedSanityP 1 points 21 February, 2019 05:56 PM [recovered]

Lol bro code? Are you 15? That's retarded that what you do in your private time would affect anything involving your friends. As for whether you should go down on girls that aren't your LTR, no. In fact, why even go down on an LTR? It's super beta. Doing something for the pure pleasure of someone else. Anything you do with a girl should either be mutual pleasure or only for your pleasure.

Brilli2K • 5 points • 21 February, 2019 06:01 PM

How is going down on a girl super beta?

lotrlotr14 • 3 points • 21 February, 2019 06:26 PM

It's not. If you're good at it like I am, you can easily get them off.

MisplacedSanityP 1 points 21 February, 2019 06:32 PM [recovered]

Making my point for me, you're being supplicative. You're doing something purely for their pleasure.

lotrlotr14 • 2 points • 21 February, 2019 06:35 PM

You do realize that if you don't get them off (and a lot of chicks don't get off from regular PinV sex), they'll look elsewhere. So I guess if you're spinning plates and don't care about keeping her, that's fine, but it's just a fact.

MisplacedSanityP 1 points 21 February, 2019 06:27 PM [recovered]

You're doing something that only gives them pleasure. It's inherently supplicative.

officerkondo • 2 points • 21 February, 2019 06:45 PM

Oh, fuck off with this. I suppose you don't finger them either according to your logic?

MisplacedSanityP 1 points 21 February, 2019 06:55 PM [recovered]

Fingering is simply a transition but no, I don't dedicate time to finger them. I do it to get them more in the mood. Strawmanning is not a proper refute.

officerkondo • 1 point • 21 February, 2019 07:56 PM

That's not what a straw man is but thank you for your comment.

MorpheusSwag • 2 points • 21 February, 2019 06:50 PM

MisplacedSanityP is such a badass alpha bro

snehehsb • 2 points • 21 February, 2019 06:57 PM

Pretty sure if anyone here was a true alpha they claim to be they wouldn't be on trp. Theyd be out slaying pussy and not giving a fuck about Reddit.
