

# Just found out true meaning of AWALT

So I've been trying to escalate with this girl. Been on 3 dates and have only made out. We were watching a movie at my place when she got a text from some guy named Jacob, when she opened it they had been texting each other paragraphs, she didn't notice I saw. She's a very shy girl so this baffled me that she's talking to some guy so in-depth. I do some digging and find out she's been dating this guy for over 2 years long distance while at college. Idk what to do anymore. Makes me a little sick knowing every time we spent together was meaningless. Why do women even get in long distance relationships? Why is she cheating on this guy with me. Hurting us both.

Edit: thanks for everything guys this actually means a lot. I'm still internalizing the fact that men will never be loved the way we want to, or that men will be loved at all. I feel broken inside because I imagined I would be happy in a relationship which is clearly not possible. You guys mean the world to me by not giving me feel good bullshit.

Actually she's cheating on that guy with you, she doesn't care about him clearly.

You have extreme oneitis. Talking about our time together is meaningless when you've only been on 3 dates??  
Get a grip

[deleted] • 147 points • 22 February, 2019 12:57 PM

You're completely right.

alphabachelor • 100 points • 22 February, 2019 04:33 PM

Having oneitis is bad enough. Having oneitis for a cheating thot is the worst.

[deleted] • 19 points • 22 February, 2019 07:49 PM

Your time together isn't totally meaningless, it's great practice for you. Keep pushing ahead. Never mention the boyfriend, just enjoy your time with her and remember that's she's not LTR material ever.

I mean never ever.

Crailberry • 3 points • 23 February, 2019 12:08 AM

Aka use a condom.

Ill\_mumble\_that • 1 point • 23 February, 2019 10:40 AM

And treat her like a whore in bed, because she is.

Crailberry • 2 points • 23 February, 2019 08:05 PM

Ok then.

bleuge • 18 points • 22 February, 2019 04:16 PM

And you are Absolutely right, Sir.

cornylamygilbert • 4 points • 22 February, 2019 10:06 PM

I mean, 3 dates and she hasn't put out and you care about your relationship with her?

Any emotional investment is a sign of a lack of abundance. I can empathize with needless investment but you gotta right the ship ASAP.

your biggest problem is that you aren't exploring other opportunities already.

Lastly, some dude long distance texting paragraphs with a shy girl? I see nothing here worth contemplation or action

kylerosa21 • 2 points • 22 February, 2019 08:13 PM

First step to fixing it is acknowledging it. Good stuff OP, it's a learning experience for you, don't stress about this girl

StopBitching99 • 1 point • 8 March, 2019 10:08 PM

Give her a big ass hickey on her neck so her boyfriend notices

FereallyRed • 138 points • 22 February, 2019 01:04 PM

You're not even fucking her.

LTR/LDR... why does this matter to you?

She's in your place, with you. Why aren't you fucking?

The answer to that question is why she hasn't let go of the Jacob branch yet.

OrdinariusManhattan 1 points 22 February, 2019 09:26 PM [recovered]

"Why aren't you fucking?"

I dunno, maybe he has some dignity

HumanSockPuppet • 18 points • 22 February, 2019 10:33 PM

She's a warm hole to enjoy. The only dignity he need be concerned with is escalating quickly and not letting her waste his time.

You need to get over your shame of being an animal, bro.

OrdinariusManhattan 1 points 22 February, 2019 11:12 PM\* [recovered]

"just get over your shame of being an animal bro"

You wouldn't think that if I pulled your eyes out of their sockets and made you eat them, then the rest of your internal organs. You are just rationalizing your unethical behaviour with a 3 IQ argument, just like women.

This is the type of rationalization(or hAmStErInG) that have always been used by degenerate piece of shits throught the history of humankind. You have no difference than the disgusting women people here talk about. It's pathetic.

HumanSockPuppet • 2 points • 24 February, 2019 06:52 PM

You wouldn't think that if I pulled your eyes out of their sockets and made you eat them, then the rest of your internal organs. You are just rationalizing your unethical behaviour with a 3 IQ argument, just like women.

I will never harm or hurt a person for something like this. I will be someone I respect. I'd advise you the same.

LMAO except for me. I better watch my ass.

Faggot triggered. My work is done here.

redpillcad • 2 points • 23 February, 2019 01:25 AM

Nobody here needs your respect. Nor your approval or permission to carry on any which way we want

FereallyRed • 3 points • 22 February, 2019 09:28 PM

Define "dignity". and tell me why it's important.

Aeterni\_ • 1 point • 22 February, 2019 10:40 PM

Redpillers don't care about virtue anymore? Or are you just a LARPer?

OrdinariusManhattan 1 points 22 February, 2019 09:39 PM [recovered]

Shut the fuck up you edgy fuck

FereallyRed • 1 point • 22 February, 2019 09:46 PM

Lord. The term you're looking for is edgelord.

Try answering my questions, though.

ChadTheWaiter100 • 32 points • 22 February, 2019 02:34 PM

It's not meaningless. Stop being a pussy. What did you want to marry her after 3 dates?

JackPallance • 72 points • 22 February, 2019 02:11 PM

Not only did she know you could see her texts, she let you see on purpose.

Enlightened\_Chimp • 39 points • 22 February, 2019 03:55 PM

Yep. Happened to me the other tonight. Girl was over and she wanted to watch Netflix with me on her phone in my bed instead of on my TV. Then in the middle of the show her Bumble starts blowing up and I realized it's just a shit test.

MYMOUTHISNUMmn • 11 points • 22 February, 2019 05:17 PM

Well. How did you respond

Enlightened\_Chimp • 25 points • 22 February, 2019 05:57 PM

Couldn't care less. This girl asked me to facial her the first night I met her which immediately removes her from any type of GF consideration lmao. I just have to be incredibly careful to always use protection with her.

cornylamygilbert • 5 points • 22 February, 2019 10:13 PM

obviously who cares about her bumble shit but why did you ever agree to watch anything on her phone vs your tv? That sounds like the dumbest compromise I've ever heard of

zxcvb7809 • 65 points • 22 February, 2019 01:03 PM

Women are community property lol

AwakenedSovereign • 15 points • 22 February, 2019 04:35 PM

This is the true meaning of "AWALT".

Once it really clicks women get easier to deal with, because you are no longer trying to invent a fantasy out of thin air. You just deal with the woman as she is.

And what they are is community bicycles. Ride one where you tryna go then put it back. Wipedown optional.

omega\_dawg93 • 6 points • 22 February, 2019 06:27 PM

always give a woman the chance to show you exactly who she is... and never try to make her what she's not.

BookyMcBooks • 8 points • 22 February, 2019 04:28 PM

I guess it takes a while for this to sink in huh?

Seems like many posts here are guys who are still under the illusion that women are loyal, innocent princesses.

RedHoodhandles • 4 points • 22 February, 2019 06:41 PM

KillaJewels • 68 points • 22 February, 2019 01:29 PM

3 dates, no balls deep action yet, and you already developed feelings? Sounds like you got some tunnel vision going.

It sounds like you're inexperienced and haven't developed strong boundaries yet. Why involve yourself with someone that has baggage like that?

Go date/fuck other girls man. It'll be good for you.

you\_seem\_angry • 112 points • 22 February, 2019 12:54 PM

Take her phone, text him a pic of you and explain the situation to him. Then hide from her.

raoko • 37 points • 22 February, 2019 01:44 PM

cornylamygilbert • 1 point • 22 February, 2019 10:09 PM

this tho. put the phone down your pants and send the dick pic

tho any guy engaged in a LDR already likely doesn't value his time or worth already

Soliquidsnake • 1 point • 23 February, 2019 04:33 PM

Just the tip too

someonesopinion6969 • 7 points • 22 February, 2019 03:34 PM

This is a forum for sexual strategy, do this if you don't want to fuck the girl anymore

cimsoc • 18 points • 22 February, 2019 04:00 PM

Life strategy\*

FTFY

BloodSurgery • -5 points • 22 February, 2019 04:27 PM

Since when? TRP has always been about sexual strategy. Nothing more, nothing less. It's not a way of life or some cult, it's about getting laid.

millioneuroextreme • 9 points • 22 February, 2019 04:40 PM

It's evolved a long way from its original split with seddit, it's very much life strategy now, which does include sexual strategy.

someonesopinion6969 • 2 points • 22 February, 2019 04:44 PM

It's still mainly about getting laid, it's just about fixing yourself first so you actually be attractive to opposite and not rely on some routine

millioneuroextreme • 8 points • 22 February, 2019 04:49 PM

True, but that's also a really bad mindset to have. You improve yourself for YOURSELF, not anyone else.

**Women are a lagging indicator**, and anyone who tries improving themselves simply for "the lay" will always fall short.

someonesopinion6969 • 2 points • 22 February, 2019 05:07 PM

Why is fixing yourself to become attractive a bad thing? My negative self image is the reason why i struggle keeping people around me. fixing yourself for others is pretty respectable, i'm not just doing it to get laid. i'm doing to live a better life

SolarTortality • 4 points • 22 February, 2019 05:52 PM

Are fixing yourself for others or are you fixing yourself so you don't have a negative self image?

cimsoc 1 points 22 February, 2019 06:19 PM **[recovered]**

Improving your life to *get laid* is some seriously beta, childish nonsense. Red Pill is about self empowerment, not people pleasing.

BloodSurgery • 0 points • 22 February, 2019 06:23 PM

Love how many words you put in my mouth, when I said a simple statement. To get laid, fuck, whatever you wanna call it, improvement is needed. TRP hasn't been a self improvement sub, but self improvement is needed to actually be successful with sexual strategy.

cimsoc 1 points 22 February, 2019 07:03 PM\* **[recovered]**

PUA is the same as TRP

BloodSurgery • 1 point • 22 February, 2019 08:01 PM

What? PUA is using tactics, lines, negging and similar to get women.

TRP is about increasing SMV, frame, lifting, dressing well and so on.

Ill\_mumble\_that • 1 point • 23 February, 2019 10:46 AM

Use all the above. Never learn from only 1 source

The\_Ace\_of\_Knaves 1 points 22 February, 2019 04:27 PM [recovered]

Sometimes helping a brother out is better than sexual gratification.

someonesopinion6969 • 2 points • 22 February, 2019 04:41 PM

Are you here to get laid or are you here to be captain save a bro?

Make your choice

The\_Ace\_of\_Knaves 1 points 22 February, 2019 04:45 PM [recovered]

I don't have to make a choice, I can do both. Y'all get so caught up in your sex fantasies that you forget to live a little. How to get laid is not my main takeaway from trp, and it's not the concepts original point. The life and mentality changes that come with trp allow me to actually make whatever choice I want on a case by case basis not alike my past self that would be maniacally sex desperate.

someonesopinion6969 • 1 point • 22 February, 2019 04:48 PM

I'm not saying to be manically sex desperate, becoming your best self who women find attractive is clearly cookie cutter advice, red pill gives you the truth and it's up to you to do what you want with that.

if you didn't come here to get laid, what did you come here for?

Bro, you're supposed to fuck her, not care about her.

imtheoneimmortal • 37 points • 22 February, 2019 01:04 PM

She was with you at your couch ready to fuck

But ofc you get angry because she talks with a guy on phone who is virtual

Dude just chill and enjoy the present moment

BusterVadge • 21 points • 22 February, 2019 02:49 PM

Why is she cheating on this guy with me. Hurting us both.

Your mistake is being so weak that a girl you date 3 times has the ability to hurt you. Time to man up, my friend. Get a mission in life, lift, and go into monk mode until you're a stronger man.

vivid\_mind • 9 points • 22 February, 2019 04:33 PM

If you didn't put your dick in her vagina then indeed your time together was meaningless.

UEMcGill • 21 points • 22 February, 2019 02:18 PM

Makes me a little sick knowing every time we spent together was meaningless.

It's just your turn.

Don't take this as negative information. Just take it as another learning point on how to properly vet a woman. She's just reached peak promotion status and should never go beyond 'plate' in the bitches hierarchy.

Fuck her. Maybe you'll do the other guy a favor, and he'll hit the gym to become a beast.

framelessglasses • 3 points • 22 February, 2019 02:59 PM

It's just your turn.

It's just her turn....

cluelessguitarist • 6 points • 22 February, 2019 02:37 PM

It all comes to this, do you want to be the sideguy with benefits or the guy texting her in the other side of the country?

[deleted] • 4 points • 22 February, 2019 02:58 PM

You've not even fucked her, you have extreme oneitis. Why the fuck do you care about the time you spent together? You need to work on focusing on yourself and developing abundance.

You can't be so weak as to get hurt by a girl you have been on 3 dates with. Build yourself.

Hambone\_Malone • 4 points • 22 February, 2019 03:06 PM

You haven't even fucked her. You are clearly delusional.

mrpoopistan • 3 points • 22 February, 2019 06:23 PM

Three whole dates!

Overreacting much?

Moldy\_Gecko • 3 points • 22 February, 2019 07:49 PM

Dude, that's like me bitching about fucking married chicks. Why does this bother you? You're obviously the one she chose at the moment, meaning to her, you have higher value. Just escalate. 3rd date movie at your house should equal sex. If a girl is at your house, your only job is to bat away ASD and shit tests and it's guaranteed sex.

boom\_bostic • 3 points • 22 February, 2019 08:28 PM

Be thankful that you got a look behind the curtains...without her knowing you did so.

Now you have insider knowledge and are in a better position than before. It's amazing how fast a young man can wise up if you add a little sobering heartache to the situation. It's how most guys become men. Any pain you've felt, is just growth. The biggest thing is now you are acutely aware of how this woman is playing you & her boyfriend. She's completely oblivious to it. Use it to your advantage. Be thankful that you didn't put years into this woman only to find out that she has been playing you. You invested roughly 3 dates with her. I wonder what the other bf has invested?

WayneNolting • 3 points • 22 February, 2019 09:22 PM

What if I told you that you could have meaningful, short-term relationships, with many women?

someonesopinion6969 • 2 points • 22 February, 2019 03:33 PM

Bro, read the sidebar. That's not awalt, thats you being in a relationship with a girl who is dating someone else

[deleted] • 2 points • 22 February, 2019 04:28 PM

Haha you have no idea. It fucks with their heads too. After you get some experience you can start to see patterns and avoid women like this.

These kind of girls get jealous of happy relationships too. It's funny and sad to see. They want the relationship but can't help but finding they have too many options and can't stick with one guy. There's always someone better out there and for these girls it's easy to get.

It's also best to play it as when she's with you she's yours and if she's not with you she's someone else's. Loyalty is a hard thing to come by unless you're way above her in SMV

SirAttackHelicopter • 2 points • 22 February, 2019 04:50 PM

Lets be clear on this: she has no intentions on cheating with you. Its been 3 dates and no escalations. You are just a friend.

omega\_dawg93 • 1 point • 22 February, 2019 06:34 PM

how he's her time whore

Totsean • 2 points • 22 February, 2019 06:31 PM

Hyper\_Sonik • 2 points • 22 February, 2019 08:38 PM

You gotta bang this chick or at least try so that you know where you stand with her. It sounds like she's using you as a fill in "teddy bear".

[deleted] • 3 points • 22 February, 2019 05:52 PM

Somebody having an emotional attachment to another person doesn't invalidate your relationship with them, OP. If you want to do the monogamy thing discuss it with your partner. Further, keep in mind you'd feel differently if this was a sibling, friend, or family member. You are exercising prejudice against this person because you fear competition from them. How do you think that insecurity looks to others?

Your time wasn't meaningless and she's not cheating - not on either of you, unless there's an agreement put in

place (ie. monogamy). DO NOT make assumptions. Perhaps she's non-mono, or perhaps she's just dating you casually until she's figured you out better and wants to stop seeing other people.

Also, if you're talking to ANYONE else that you have a romantic interest in, stop complaining immediately.

omega\_dawg93 • 1 point • 22 February, 2019 06:38 PM

da fuck are you talking about...

Moldy\_Gecko • 0 points • 22 February, 2019 07:53 PM

He's talking about the blue pill.

RedSkeller • 1 point • 22 February, 2019 03:39 PM

It gets a lot worse than that my dude. She's playing the long game with this other guy, which is every LDR in a nutshell. She's opening texts in front of you and you've been on 3 dates and only made out - she's waiting for Chad to show up.

the13thmonk • 1 point • 22 February, 2019 04:01 PM

Stop your oneitis. Particularly in college.

This is the time to play the field.

ASAP\_IKER • 1 point • 22 February, 2019 04:07 PM

Lmao she was at your place and you didn't make a move? That's the real problem here. Who care if she's in a LDR, she was there to get the D and you failed.

SimplyFishOil • 1 point • 22 February, 2019 04:29 PM

Who gives a fuck? You're getting ass and you don't have to ever meet the guy

Bedtimeshine • 1 point • 22 February, 2019 04:54 PM

Stop crying. Either have the bells to let this be a casual fuck buddy situatuon. Or cut her off and tell her boyfriend. Stop acting heart broken over A girl you've gone 3 dates with. This won't be the last time this happens to you.

HurricaneHugues • 1 point • 22 February, 2019 08:55 PM

I keep telling you guys to always assume that their base N count is 50 and that they have 2 secret boyfriends. Pit them all in one basket and let them sort themselves out. That way you never get surprised when u find out she's actually seeing 3 other people and/or has a boyfriend.

ishyman • 1 point • 23 February, 2019 02:35 AM

Hah that's I met my ex. Never knew she had a boyfriend up north. Turns out "taking a break" means cheating. They're on a "break".
