

Girl says she's seeing someone

February 26, 2019 | 70 upvotes | by [noobulus54321](#)

So there was this girl who I partied with like 4 weeks ago and she was super flirty and sexual with me. I sent her a Facebook message saying whats up and promptly asked her for her number and if she wanted to hangout sometime.

She said she was really down to hangout sometime but when I asked for her number she said "ok wait just to let ya know im kind of seeing someone right now".

I'm not sure if she's actually seeing anyone right now since I'm pretty sure wasn't just a few weeks ago considering how many IOIs she was showing me but I'm not sure how to reply to that.

Should I just say yea no worries as though I don't care? Or is it better to put her on the spot a little bit and get her to meet up anyway.

Opinions and Anecdotes are welcome and appreciated.

If she's willing to hang out with you alone, she knows what's up. Pretend her seeing someone comment wasn't even said.

Mescalan • 35 points • 26 February, 2019 09:53 PM*

Yes but also let OP know that this could end bad for him if she really is seeing someone. A womans sluttiness has no baring on who her BF is. For example an ex team mate of mine plays for the saints d-line now. He's dealt with cheaters. No piece of pussy is worth that hospital bill though. All this shows is a weak ego trying to acquire someone else gains. Beta/orbiter behavior in sheeps clothing. If abundance was there he wouldn't be thinking twice about stacy and move on. Thirsty. He didn't even ask for her number in person... he waited for the safety of facebook.

Edit: lets the upvotes show. Billy beta and the bitchboi brigade, thanks for exposing your poser asses below

jreed11 • 26 points • 26 February, 2019 10:10 PM

That hospital bill is worth it once you sue. Assault is assault. Anyone who's going around assaulting people because their girlfriends were sluts is stupid by nature, and can easily be fucked longer term in court.

QueenSlapFight • 19 points • 26 February, 2019 10:49 PM

Most people who throw down for stupid shit have nothing to lose. Are you really going to try to sue someone who has nothing? If you're talking about criminal charges, good luck in a he said/he said case. If you're lucky there will be evidence that supports you. If you're unlucky, you'll both get charged because you can't prove your innocence. You may be innocent, you may even be able to beat the rap; but you won't beat the lawyer bills, and you won't beat the ride. No thanks.

amwfhunter • 2 points • 27 February, 2019 03:28 AM

Lol, if I was a crazy bf who put my life into the relationship for example, I shoot u, you're dead. I proceed to shoot the gf and myself....ok is it worth it now?

What if the bf has gang connections? I can tell you in my past I've went after people for money in China and it was not pretty. No woman is worth putting yourself at risk. Besides, why would u even want to be that guy when there are plenty of chicks around?

Just my two cents.

Mescalan • 5 points • 26 February, 2019 11:08 PM

Sounds kinda beta. Considering human nature has existed far longer than than our skewed court system which TRP rips apart when it comes to divorce law. Some of the best epics in history were written because of blood lust over pussy.

You/OP are men. Act like it. Do what you want but as soon as you have the law fight your battles for you, that you as a man should be able to handle on your own, you are no longer better than any THOT.

And no. I do not come from some dirty little trailer park in OK. Grew up in the greater phx area

going from town house when little to my family being extremely successful by highschool. Was taught 2 main things.

1. If you hit someone expect to be hit back. Op should consider learning to fight if he is going to go around fucking strange gash. Bjj and kickboxing always bueno.
2. NEVER. RAT. This was taught to me by EVERY male role model from dad to uncle to coaches. Tattling. Ratting. Bitch move. Sure the law sides with you. The law also sides with a lot of ridiculous shit. While not a "scraper" I've been in my number of squabbles during adult age. Some over drugs. Some over pussy. Some over no apparent reason at a party or bar. I have NEEEEEEVVVVVEEEEERRRRRR had another man take me to court over a fight.

TLDR? Ratting on someone ain't alpha....

amwfhunter • 4 points • 27 February, 2019 03:30 AM

Problem is now there are guns involved. If a bullied kid can shoot up a whole school...who knows what a crazed bf can do. I'm with u man. Not worth it. I understand defending oneself if attacked. But whoever is going after another man's chick is asking for trouble.

Mesclean • 2 points • 27 February, 2019 02:49 PM

One reason why if a girl says she has a boyfriend to just go for something else. True abundance would be having plates reading instead of wasting mental energy trying to con your way into some girls pussy.

The "take her" mentality also shows a weak ego. "I can take someone else's shit im special" is the root of it pure and simple. "Im superior". Some people don't take disrespect lightly. So i agree. Not worth it. Was my main point.

thirstybitch13 • 9 points • 27 February, 2019 12:39 AM

You sound less like an alpha and more like a member of the sopranos that got left on the cutting room floor. Sueing someone isn't beta or alpha the same way brewing a cup of coffee isn't beta or alpha. Not everything can be redpilled.

Mesclean • 0 points • 27 February, 2019 02:45 PM

Ratting for something like fighting is beta as fuck and you know it dude. To sue you would have to go to the police and press charges, file a report. Stop trying to convolute a simple red pill truth.

"yOu SoUnD lIkE tHe SoPrAnOs"

You sound an awful lot like a problem another poster described the other day. Betas trying to justify beta behavior in this sub while trying to act alpha.

Hasn't the black community been red pill'd about women for a while? TRP gives them credit from the reading I have done. They also teach don't rat. Justify being a pussy however you want dude lol

thirstybitch13 • 2 points • 27 February, 2019 03:04 PM

Wow somebody has salty hard on for lawyers. Good luck with whatever you're going through. Wanna cry it out or something?

jreed11 • 2 points • 27 February, 2019 03:59 PM

He doesn't realize that accomplished people have the means to use the courts to their utmost disposal because of money and good counsel - access to which would, to me, imply an "alpha" persona. Personally I consider anyone who has to talk about what it means to be alpha automatically excluded from whatever conception of alpha he has in his mind. It's such high-school crap.

It seems that some people here think that being alpha is being the high-school jock who settles stuff in the parking lot. People are of course free to lionize such behavior as indication of success in society, but the actually successful people will continue to make money and decide who gets what while wannabe internet posters dream on Reddit forum boards.

I'd rather be an Antonin Scalia than a diehard cosplay.

thirstybitch13 • 1 point • 27 February, 2019 04:14 PM

The day I need to kill a guy with my bare hands, I'll do so. Until then, I'll use my success and wealth to do whatever it's capable of as well. But man, he went pretty hard pretty fast. Maybe a lawyer stuck a finger in his butt when he was young (or recently.)

jreed11 • 1 point • 27 February, 2019 04:17 PM

Yeah I agree with your mindset completely. Something tells me plenty of posters here carry chips on their shoulders when it comes to "high society" institutions like, gasp, courtrooms. Lol.

Mescalean • 0 points • 27 February, 2019 04:57 PM

Being a weasel isn't alpha buddy.... keep fooling yourself though.

Not only is talking shit to your frat buddy about me and not too me a bitch/beta move in itself but you compare your goal image of yourself to an old judge who has been accused of pedophilia on multiple accounts.

Damn. Great screenshots ☐

jreed11 • 1 point • 27 February, 2019 05:02 PM*

You validate your existence by trying to call strangers online betas and alphas. Hint: Real "alphas" -- whatever that term even means -- don't actually think about being "alpha." Your obsession with one-upping people, *virtually* no less, is quite humorous.

I would also bet that types like Antonin Scalia live far more fruitful lives of much more powerful and fulfilling existences than you or I will ever hope to do. But at least I'm not sweating it. I'm satisfied with where I am and will continue to grow, professionally and otherwise.

I didn't reply to you because I wasn't interested in what *you* were saying. I was interested in what /u/thirstybitch13 said, instead. But you now have my full attention, and I have no qualms with stating that you are a caricature of everything that you think you are not. Thanks for playing.

Mescalean • 0 points • 27 February, 2019 04:48 PM*

Cute circle jerk. More bitch made behavior from the “alphas” of reddit (; “gossip circle girls!!!”

Two billy betas orbiting each other beyond adorable.

Law is fine and dandy. A grown man trying to act hard by chasing after someone else partner “OmG lOoK aT mE iM sUCh A pLaYa” and you two simps are bitching about high school behavior? Meanwhile not talking shit to me but to each other about me?

Was your fucking father around at all or just a bitch himself?

The upvotes vs downvotes speak for themselves. Your view is the opposite of trp.

Keep justifying your meek existence there billy

Edit: note you also completely convolute/twist my view to meet your argument. You argue like a bitch aswell. Did you hashtag stand with her???

thirstybitch13 • 2 points • 27 February, 2019 05:21 PM

Saw the red hat on you a mile away. Gonna go game some women right now so you can stop trying to get your dick hard off of my replies.

Mescalean • 0 points • 27 February, 2019 07:13 PM

Lol hoooookay billy you pretend to have game ☐

Funny how fast you fake ass betas expose yourselves. “sAw ThE rEd HaT a MiLe AwAy” when did I say I supported trump? Also how would Hillary have made a better POTUS? If your going to virtue signal for goodboy points on hipster central at least back your shit up. Just makes you look like your typical NPC parroting whatever their favorite celebrity says.

Fucking faggot ☐

cakefmateus • 3 points • 27 February, 2019 05:31 AM

Don't listen to this, stay the fuck out of trouble. No woman, almost no one (maybe your parents, relatives or a real close friend) is worth the legal issues or a hospital bill.

Do you know what? Just stop by /watchpeopledie sub and you'll think twice before getting into trouble. As someone said in the comments here, you never know the other guy, maybe he's a crazy dude with a gun and you'll get killed for pussy.

Garathon • 1 point • 27 February, 2019 04:47 AM

You sound like an entitled kid who's parents took care of the legal issues when fighting in a party while high.

Mescalean • 0 points • 27 February, 2019 02:51 PM*

L2read fuckwit.

There were no legal issues because we were raised not to rat. Justify your bitch behavior with whatever shit talk you wish princess ☐

Edit: youve also never been around high people obviously....

Garathon • 0 points • 27 February, 2019 03:00 PM

It's not me bragging about fighting over drugs, winner...

Mescalean • 1 point • 27 February, 2019 04:41 PM

Like I said reading comprehension. When people deal with drugs like oxy or xanax for instance a small package is easy to steal. This is called getting "jacked". Usually fights ensue over this not "high people fighting".

Where did I brag? I specifically said I am far from a "scraper"? You are just looking for something to bitch about aren't you? Go change your maxi pad you silly little cunt. The upvote to downvote ratio speaks for itself along with the comments. The betas have ousted themselves hahahahahahaha ☐

Moldy_Gecko • 6 points • 26 February, 2019 10:01 PM

Cucking another man has no bearing on abundance. Their is a reason beta bux raise our children.

Mescalean • 0 points • 26 February, 2019 11:09 PM

Hey, i cant argue. Better than the other "ill sue him!" Response for fighting.

So you think billys nature is to get cucked? Like we all have roles to fill?

Moldy_Gecko • 1 point • 27 February, 2019 09:35 AM

Yes, hence the 80/20 rule. Those 80% are typically cucks, while those of us that DGAF keep getting new pussy. Shit, you may have slept with taken girls and they just didn't tell you.

CainPrice • 44 points • 26 February, 2019 09:37 PM

When a girl is "seeing someone", that just means she has another you. Another guy she's kind of partying and hooking up with that maybe she'd like to go somewhere more serious but it hasn't panned out yet, so she's not putting all of her eggs in one basket.

Or maybe it means she has a boyfriend back home.

Or maybe she's just shit-testing you or using this as a defense to keep you from trying to fuck her because if she's not feeling it or you're acting weird, she can back out with "I told you I was seeing someone" any time you screw it up.

Just meet and escalate like normal. Everybody is "seeing" people.

keelo44 • 41 points • 26 February, 2019 09:52 PM

You know how many "Girlfriends" I've fucked in my single lifetime? A lot .

"Seeing someone" is the weakest test she could throw at you. Push through to glory my boy.

LoveAtlas • 10 points • 26 February, 2019 11:11 PM

i have gotten the "i'm seeing someone" when i tried to set up a date, so it could also mean she has no interest/very low interest

keelo44 • 13 points • 26 February, 2019 11:56 PM

Oh no, I'm literally talking about fucking girls with actual boyfriends lol.

"I'm seeing someone" or "I have a boyfriend" don't amount to much when she's practically dry humping you while saying it.

Actions over words my friend.

LoveAtlas • 1 point • 27 February, 2019 09:27 AM

okay my bad, yeah then those words have no meaning at all, yep watch what she does, not what she says. She is basically hamstering right there

HumanSockPuppet • 34 points • 26 February, 2019 09:46 PM

If she's still talking to you, she's DTF.

Don't listen to what women say. Watch what they do.

adam9545 • 59 points • 26 February, 2019 09:23 PM

Look at her ACTIONS not her WORDS. Disregard the "I'm seeing someone" comment and proceed to set something up.

AstuteBlackMan • 8 points • 27 February, 2019 12:20 AM

This. Girls will say one thing and do the exact opposite. Actions speak louder

FereallyRed • 59 points • 26 February, 2019 08:36 PM

"I have a boyfriend" is THE most common shit test.

Do some research.

-SirJohnFranklin- • 21 points • 26 February, 2019 08:39 PM

She has someone she sleeps with and is into. Still a shit test.

FereallyRed • 54 points • 26 February, 2019 08:41 PM

NeverLace • 7 points • 26 February, 2019 09:27 PM

If you look at what she's doing not what she's saying. I have two questions that might help you out. 1 Did she give you her number? If so then its cool. 2 Have you read the sidebar section about "Shit tests". Pretty important stuff.

OP was a pleb. He partied with this girl a month ago, didn't escalate at all apparently, didn't even get her number. Then he goes to Facebook, and he's had oneitis for her in the meantime.

Guys, it's a shit test if and only if she makes those excuses face to face (ASL, LMR) when you are actually a guy who fucks. If she tells you this via Facebook (LinkedIn for orbiters), it's only a sign that you are doing things horribly wrong.

You guys need to listen to uncle Vas more.

soggynugget69 • 3 points • 26 February, 2019 11:29 PM*

People are attracted to chaos and drama as long as they don't experience it themselves. So what if she's willing, not worth the consequences IMO, potential guy-guy drama, potential criminal charge, potential lawsuit..

Man... people here want YOU to live their fantasies cause there are no consequences on their part.

Next her. Plenty of other girls out there for you to hook up with without the drama and/or consequences.

Moldy_Gecko • 7 points • 26 February, 2019 10:00 PM

If they're seeing someone but down to hangout, they don't care enough about that person nor respect them enough not to hangout with potential new dick. Don't get phased by it. Even if she brings it up while hanging out, it's just shit tests and ASD. plow through it, don't let it bother you. I actually turn it into a game and make sure I take her back home with me. Cucking someone else is personally a good experience to me. I usually have casual conversations about their bf or husbands when we hangout, usually wait til we've smashed to bring them up though.

LucrativeMath • 2 points • 27 February, 2019 12:02 AM

"Cool, so see you Sunday then?"

"What does that have to do with me?"

"Very cool, didn't ask you if you were seeing anyone"

All acceptable responses to this obvious shit test.

HurricaneHugues • 2 points • 27 February, 2019 12:34 AM

The lesson to learn here is to always beat the iron while it's hot. You should've escalated when u were with her 4 weeks ago. By now she's most likely hooked up with 3 other dudes already at parties. You're old news and a dying flame.

Beat the iron while it's hot. You're at the party, she's interested? Escalate to about as much as you can. If u can't escalate past a certain point for whatever reason, set up plans with her for the next day THEN take her number to exchange to confirm the meet up tomorrow.

Beat the iron while it's hot.

319Skew • 2 points • 27 February, 2019 03:36 AM

SilentMeatball • 15 points • 26 February, 2019 09:15 PM

I'd actually keep the second sentence only. Only acknowledgement of the other guy is "Okay".

AClive22 • 9 points • 26 February, 2019 09:27 PM

This is the correct response. When they say "I have a boyfriend" you say

"So do I, he's in prison right now though."

or

"That's fine, I don't want to be your boyfriend"

Moldy_Gecko • 9 points • 26 February, 2019 10:04 PM

I like the I don't want to be your bf bit. It's straightforward and they know what they're getting with you,

making it easier.

QueenSlapFight • 2 points • 26 February, 2019 10:51 PM

Yeah you don't want to beat them over the head with your intentions, but you definitely want to make them clear.

Moldy_Gecko • 2 points • 27 February, 2019 09:38 AM

That's the biggest difference between players and Nice Guys, honesty. NG want to get laid too, but they don't know how to express their intentions.

omega_dawg93 • 3 points • 26 February, 2019 11:30 PM

girls are always seeing someone. if you wait for a girl to not have some dude in her life, in some capacity, you're delusional.

they always have a guy they're dating, fucking, seeing... being just friends with, fwb, hangout buddies, crush on her, crush on him, randoms, ONS's, etc., etc. it never stops.

as long as she's clean, friendly, and pleasurable to be around, there's ALWAYS a guy out there she's dealing with... and it NEVER stops.

bottom line: **her PUSSY will always have dick options.** the question is... does she have options for more than just sex? they know that 95% of the men they deal with want pussy, and they date to RULE OUT guys, not rule them in. the other guys are just time whores that give her the most sought-after possession: **male attention and validation WITHOUT any sexual obligation or pressure.**

don't be that guy.

PimPedOutGeeese • 2 points • 26 February, 2019 08:52 PM

Well.. We made plans and she cancelled. Didn't reschedule. Wait a week and I tried to reconvene and I got I'm seeing someone.

Read everything you can about "Hypergammy".

Women always keep options open because from a biological perspective it allows them access to the best sperm. In a modern sexual context it means you don't over-invest and spin plates.

from the time she loses her virginity until she's in an old folk's home, there's ALWAYS going to be dudes that want to bang her.

for women, that's a given.

a woman's worry is that he'll hang around after banging her, ie., is she tolerable.
