The title is a handful, so here it is again:

## ***First, Kill All the Marriage Counselors: Modern Day Secrets to Being Desired, Cherished and Adored for Life?***

Laura Doyle is releasing her new book in stores on June 2nd, and doing an AMA right here on RPW on June 3rd. So in anticipation of this, we're doing a drawing and giving away three free copies - courtesy of Larua Doyle.

So the rules are simple, I'm putting this into contest mode. Post a reply to this thread, and we'll be drawing three random users in this thread from a hat. Winners will be announced after the AMA.

Accounts must be more than a month old to qualify and must have contributed to RPW before today. This contest is only for regular users of RPW.

Good luck!

Edit: Forgot to add, entry ends at 11:59pm June 2nd.
