

Why Cant I Keep Anyone?

May 8, 2019 | 64 upvotes | by [innerspeaker88](#)

Hey,

So, I get girls laid. Thats not the issue. I am confident, have a good SMV, have good conversations.

The only problem is girls dont go further than just sex with me.

None wants to be in a relationship.

They say they are attracted but its not enough.

Does this happen to any of you?

Any reason for this?

One of the better problems to have on AskTRP.

There's not enough information to go on here, and it'll be hard to calibrate advice if we don't know which culture you're working in.

Are women coming back for more sex, or ghosting completely after a bang or two?

innerspeaker88[S] • 32 points • 8 May, 2019 07:49 PM

They come back. Sex is not the issue at all.

The problem is when I try to escalate to something as relationship they step back.

MentORPHEUS • 86 points • 8 May, 2019 08:00 PM

Relationship escalation is the woman's prerogative. If they want to keep coming back for sex only, no need to adjust machinery that's working fine.

Wanting a relationship should not be your primary goal. Dating and plating can be considered a screening process for worthy LTR candidates. If none of these seem to be coming through your bedroom, the problem is probably further upstream in your dating funnel. You're selecting for SMV but neglecting RMV.

DubbleFUPAwitCheez • 23 points • 8 May, 2019 08:06 PM

Relationship escalation is the woman's prerogative.

Basically summed up what I have to say about this. She always has to be the one to ask for the relationship or you're off on the wrong foot.

Without enough info, maybe our boy here is just banging sluts that don't want a relationship.

innerspeaker88[S] • 10 points • 8 May, 2019 08:15 PM

Maybe most of them are sluts, right.

But one that im sure she isnt just fled through my fingers

failingtheturingtest • 1 point • 9 May, 2019 01:49 AM

As was already said, hard to say without more info. But if you come off as a slut, then some will use you for some guilt free fun while they find a provider or someone they see with more RMV.

If you come off as too needy, pushy, controlling or clingy, then they might enjoy the sex but be wary of any level of commitment with you.

Project_Zero_Betas • 4 points • 8 May, 2019 11:04 PM

RMV?

MentORPHEUS • 6 points • 8 May, 2019 11:13 PM

Relationship Market Value.

Project_Zero_Betas • 2 points • 8 May, 2019 11:19 PM

I can understand why it'd be different from SMV to girls, but how's it different for guys?

MentORPHEUS • 62 points • 8 May, 2019 11:47 PM

See if this helps.

Men	Low SMV	High SMV
Low RMV	Orbiter, Incel	Chad, Alpha Fucks
High RMV	Beta Bucks	Monogamous handsome millionaire or Celebrity
Women	Low SMV	High SMV
Low RMV	Town Bike, true Femcel	Club THOT
High RMV	Faithful plain Jane	Faithful w/model looks

VigilantSmartbomb • 3 points • 9 May, 2019 01:46 AM

This deserves plat, first time ive said that too

MentORPHEUS • 11 points • 9 May, 2019 01:55 AM

Appreciate the sentiment much more than the actual throwing of money at Reddit.

Spend the money on you, and make an account at TRP.RED *for free* for the day we migrate over there, if you like what you're reading.

Nis_law • 1 point • 9 May, 2019 03:01 AM

I don't agree with the women's table cuz its missing one essential aspect : the n count. Number of past sexual relationships have a huge impact of long term relationship value regardless of smv. A plain jane is usually the one who is slutty and unsuitable relationship material.

MentORPHEUS • 4 points • 9 May, 2019 03:11 AM

That's implicit in *faithful*. You're missing the utility of the chart by sperging out on the details. Each archetype succinctly depicted here has many posted articles detailing it further.

Nis_law • 2 points • 9 May, 2019 03:47 AM

Except plain janes aren't faithful. Faithfulness largely depends on the male's behaviour. Faithful plain Janes is an oxymoron.

Whisper • 21 points • 9 May, 2019 01:29 AM

What do we call a girl who aggressively seeks sex? A slut. Why? Because women are the gatekeepers of

sex... a girl who has to chase it, instead of accept or reject it, is clearly broken.

Men who chase relationships, same thing.

Once a woman has worked her tail off, and actually charmed you into wanting one, then you can show enthusiasm about a relationship *with her*.

But if you are visibly enthusiastic about just "a" relationship, then you look needy and weak. You have to make them work for it.

innerspeaker88[S] • 3 points • 9 May, 2019 01:36 AM

Your explanation was pretty logical and objective.

Thank you for commenting.

livear • 2 points • 8 May, 2019 10:56 PM

Does she have reason to be ashamed of you? Would her family or friends judge her harshly for choosing you?

[deleted] • 1 point • 9 May, 2019 03:40 AM

Why do you want a relationship? You got the prize. Move on.

jm51 • 1 point • 9 May, 2019 07:03 AM

The problem is when I try to escalate to something as relationship they step back.

Stop trying so hard. They prefer to win a prize rather than be given a freebie.

While moving towards a relationship *at her pace*, you should be vetting her hard. In alternative universes, you are slowly becoming unhinged because you entered a relationship without carefully vetting her.

Think of those that stepped back as bullets dodged.

danakdakdnakdn • 1 point • 9 May, 2019 06:01 AM

What's your advice if they are "ghosting" after a bang or two. Currently in college and usually don't end up trying to bang more than once or twice as I usually meet a new chick every time I go out. However, the few times I've tried to hook up with a girl I've been with before when I don't have as much time to go out, they don't respond or seem not about it. Same goes for if I'm at a bar and go up to talk to a girl I've been with just to be friendly and they usually walk away in a few minutes. What does this mean, I'd like to start plating more girls as getting a new girl each week is probably not good to continue as to not risk STDs

MentORPHEUS • 3 points • 9 May, 2019 05:02 PM

A quality wingman could probably give you specific advice with 15min in person observation. I'll do what I can over the internet here.

The sex isn't satisfying to them

Your aftercare is shit to nonexistent

Your gaming, banter, and push-pull runs flat quickly

Your personality becomes abrasive over time

I am thinking of the way customers interact with my friendly shop cat. Some people engage her effectively and she'll try to climb into their lap or purse. Other people do things like fold her ears, jam her whiskers, and pet her against the nap of her fur, while ignoring her body language and signals that their

touches aren't pleasant, then wonder why she nips at their hand before absconding to the back office. The point of this is, getting a woman to want to come back to your bed is like getting a cat to want to be petted by you.

Men go wrong by expecting them to behave loyally like a dog, but this is a model of male beta orbiter behavior, not female wants-to-fuck-you behavior.

danakdakdnakdn • 1 point • 9 May, 2019 05:42 PM

While those last two might be the case, often times they're cold to me before I even try to spit game again so I doubt it. It seems much more likely that the issues stem from the night I had with them. I'm thinking it's probably non-existent aftercare as I don't even know what that refers to lmao. I'm guessing you mean how I treat them after sex - typically I'll leave in the morning and not really try to keep up communication. Appreciate the insights

MentORPHEUS • 2 points • 9 May, 2019 06:14 PM

I'm thinking it's probably non-existent aftercare as I don't even know what that refers to lmao.

If you want "repeat business" study up in this area. Indifference game won't get or keep a relationship by definition. u/Whisper was talking about this recently. I suggest you binge read his posts starting with this.

How old are you? At some ages (18-25) girls just don't want to settle down

innerspeaker88[S] • 19 points • 8 May, 2019 07:08 PM

Im 30

thrwy75479 • 8 points • 8 May, 2019 08:23 PM

Generally, how old are the girls? And, where are you finding them?

innerspeaker88[S] • 13 points • 8 May, 2019 08:24 PM

Girls are (26-30). Normally I meet them on the street.

thrwy75479 • 18 points • 8 May, 2019 08:34 PM

What's the longest you've seen a girl without any hints of commitment?

Also, where on the street? Is it alleyways behind bars? In front of clubs? On a school campus? Is it in front of libraries? Is it during the day or at night?

It's either this or OP just has a boring personality.

leftajar • 17 points • 8 May, 2019 08:47 PM

A GF is just a plate who you keep seeing. Just keep banging her and occasionally do something more "couple-y" and she'll bring it up on her own.

mryoudontknowme368 • 8 points • 8 May, 2019 09:39 PM

They probably don't think you are good bf material. You're too vain, or too stupid, or you ramble on annoyingly, or insert x.

Think of all the hot women you would sleep with but you wouldn't want a relationship with, or hell even want to be around for more than 10 minutes lol

If you can get ahold of any of your past hookups maybe just ask why they weren't interested in a relationship. Their answers might be bullshit, but if any actually talk about your personality those are probably the truth.

Bored • 2 points • 10 May, 2019 09:19 AM

Him asking that will probably make them more intrigued.

[deleted] • 16 points • 8 May, 2019 07:15 PM

You don't need an LTR to be happy + draining money out of your wallet (imagine how much money you spend in a relationship in 1 year), Save up that money to invest for a better future. Plate them, gain experience and have fun, you're still young

innerspeaker88[S] • 7 points • 8 May, 2019 07:16 PM

Im 30 so I don't think Im still that young.

[deleted] • 14 points • 8 May, 2019 07:17 PM

That's still young. Don't follow societies standards pushed by mainstream media or family, friends pushing you to settle down so soon.

innerspeaker88[S] • 2 points • 8 May, 2019 07:18 PM

Thanks for the support.

Anyway, do you see wny reason for this to happen?

IWantAllYourMoney 1 points 9 May, 2019 01:31 AM **[recovered]**

How old are you to say 30 is still young? You must be older than 30, or approaching 30 at best. Let's be real bro. At 30 you've fully grown biologically, physically and mentally. It's not old but it's not young either. Also a lot of guys have started balding at 30.

[deleted] • 2 points • 9 May, 2019 03:50 AM

I'd personally consider 50+ old

DonJuan_69 • 4 points • 8 May, 2019 07:32 PM

Same problem here bro. Do an introspection and find out how you really act around girls.

innerspeaker88[S] • 4 points • 8 May, 2019 07:33 PM

What was the conclusion for your case?

DonJuan_69 • 19 points • 8 May, 2019 07:50 PM

Im too cocky and arrogant at times. Im also not a good listener, i tend to interrupt and talk about something similar that has happened to me. I realized this when i broke up with a Hb9 because all she would talk about was about all the guys that were after her and how better she is than other girls. After nexting her i became aware that I exhibit those same traits.

KingOfPomerania • 4 points • 8 May, 2019 11:59 PM

How is this a problem?! LTRs are not good for men. If you're getting regular sex then embrace it and forget about relationships. Trust me, you'll be happier in your current setup than you ever will be in a LTR!

Casanova-Quinn • 2 points • 8 May, 2019 08:56 PM

My guess is you're acting too much like a "player" around these girls. You have to give them at least a small amount of "nice boyfriend" behavior so they aren't worried you'll leave or cheat. But remember, you need to wait for her to ask for a relationship so she is the "chaser", not you.

imtheoneimmortal • 2 points • 8 May, 2019 10:45 PM

Probably they got red flags you aren't relationship material

[deleted] • 2 points • 8 May, 2019 10:51 PM

Yeah but what are those red flags, that's what OP is asking

imtheoneimmortal • 0 points • 8 May, 2019 10:53 PM

So he has to ""fix"" the red flag he got if he wants relationship

Red_Pill_Brotherhood • 2 points • 8 May, 2019 11:51 PM

Sounds like you've done a great job at being the 'alpha fucks'. Women see you as ONS material and not as a boyfriend. If you tweak your game and add a little comfort/beta mixed with the alpha you would probably do better with it

Nis_low • 2 points • 9 May, 2019 02:58 AM

I'm curious, why do you want a relationship with all these women?

Auvergnat • 2 points • 9 May, 2019 05:48 AM*

Alpha fucks; beta bucks.

Women have a dual sexual strategy.

On one side they seek a man for the sexual excitement, the arousal. Instinctively, they crave the seed filled with the genes that arouse women.

On the other side, they seek a man for his providing capability and the willingness to do it. Instinctively, they crave the security that a man will be at their side when they're at their most fragile (pregnant, then with young child).

The two strategies are mostly mutually exclusive. The man who arouse all women who cross his path will not be very dependable.

In other words, you're displaying too much alphahood. Girls seek you for sexual arousal but you do not show enough cues of being dependable, caring. You may be too good-looking for them to trust that you will stick with them on the long-term. The cocky asshole game you may be using that make them so wet also makes them think you will stray at the first occasion. You're prime fucking material, which makes you terrible marriage

material.

Additionally, girls nowadays provide themselves (with help from the govt) so their need for beta providing is somehow lessen. Why get stuck with a beta provider when you can provide yourself and that this will only prevent you from fucking the occasional alpha stallion?

To all my readers, if you still believe that « beta » means total loser, and « alpha » means total winner, you have not yet understood the sexual strategy of women. If you strive to be the ultimate alpha, you will most definitely struggle on the relationships side, as OP illustrated.

SerialATA_Killer • 2 points • 8 May, 2019 08:31 PM

Where from?

BittyMitty • 1 point • 8 May, 2019 11:22 PM

It also depends on the girls you are seeking.

Maybe you unconsciously go for girls that don't want a serious relation.

Noctis_Cloud • 1 point • 9 May, 2019 12:07 AM

Think about the long term purpose of having a relationship. Does it provide security for your emotions? Is there a reason you want a LTR?

Secondly, you might be looking at yourself a bit too much. Maybe your not doing anything wrong, there's a chance these women just don't want to be in a relationship (and honestly you can't blame them). If you are successfully fucking these girls you are obviously doing something right. I wouldn't worry too much if that's the case. When you find the right girl, you will click together like the Golden State Warriors. If it's not happening, don't put it all on yourself, Just keep going and let things happen. You don't want to force a shitty relationship.

omega_dawg93 • 1 point • 9 May, 2019 03:23 AM

OP... why are you worried about being in a relationship when the sex is coming at you regularly?
let her ask about relationships... you should be avoiding them, or at least ACTING like you don't want them.
if you're under 28, just stop. have some damn fun and enjoy your youth.

Sin-Silver • 1 point • 9 May, 2019 07:48 AM

Sounds like your to dependent on the idea of a relationship, which is understandable. Just enjoy your time with them to the fullest, and don't push for a commitment. If things are going to escalate, then it should happen naturally.

beachbbqlover • 1 point • 9 May, 2019 12:27 AM

Do you talk like this? With short sentences. Only ever saying enough to get it done. Never more than that. Not very elaborate. Not intriguing. Not descriptive. No questions left unanswered.

You may be suffering from having the personality of a rock. Lacking the intrigue, personal skills, seductive nuance, and simply relying on being physically fit to overcome your shortcomings.
