

# Disgusted by what I'm seeing.

So I discovered the red pill and got back in the game. Last night I went out with a group of friends and a bunch were chicks, 2 of them were coming onto me, a lot of IOI, you know the game. They were attractive and I was considering trying something but then when we were a bit tipsy we were talking about sexual experiences and these bitches are straight up whores. I was literally shocked by what I was hearing, she was bragging that she sucked off a dude she hated, she made out with 5 different guys one night because she got rejected and tried anal for the first time with a complete stranger. Bruh the degeneracy of todays women... slutty behaviour turns me off soo much and I was almost about to call her a whore... I did say "That's motive to be proud of " sarcastically. Do yall also get a bit angry like I did here? Do sluts turn you off? Give me your feedback...

You are still holding onto your blue pill fantasy that girls can't act like whores and that most girls are "pure" when these days it's the opposite.

Take the world/current dating climate as it is and NOT what you wish it was.

brasilgringo • 55 points • 18 August, 2019 05:58 PM

Nailed it. Don't hate the player. There's that old story about the frog and scorpion: it's nature.

*"A scorpion asks a frog to carry him over a river. The frog is afraid of being stung, but the scorpion argues that if it did so, both would sink and the scorpion would drown. The frog then agrees, but midway across the river the scorpion does indeed sting the frog, dooming them both. When asked why, the scorpion says 'Sorry, it's my nature.'"*

--Fable of the Scorpion and the Frog

Protocol\_Apollo • 28 points • 18 August, 2019 06:26 PM\*

You are right about don't hate the player, hate the game (the game that allows women to be like this and encourages them to act like this)

Your frog/scorpion story is a classic TRP way to illustrate (female) nature but it has been misapplied here.

Girls acting like complete whores as OP suggests isn't completely due to nature. Girls are like water, they fill whatever cup they are poured into.

These days many girls act like sluts, but what about the girls in the 1920s?

Whatever the main culture is, girls will mould themselves into that...

Slut positive culture—> slutty women

Very conservative culture—> very conservative women

bigmanoncrampus • 9 points • 18 August, 2019 10:21 PM

Were you around in the 1920's to make sure women were behaving?

Protocol\_Apollo • 18 points • 18 August, 2019 10:43 PM

Yeh I have been using the time stone

Jugurthajones87 • 4 points • 19 August, 2019 12:41 AM

Modern slut culture began in the 1920s. The difference is they didn't have birth control, so when they got horny and had to blue ball their men, it was interpreted as them being 'frigid.'

But now we have the Pill and you don't hear much about female frigidity anymore.

Jugurthajones87 • 2 points • 19 August, 2019 12:38 AM

If it makes you feel any better, they're often as unhappy about it as you are.

-A hundred years ago, women pretended to be more chaste than they really were in order to get men, and that made them unhappy. -Nowadays, they pretend to be sluttier than they really are in order to get men, and that makes them unhappy.

□□♂□

Protocol\_Apollo • 1 point • 19 August, 2019 01:22 AM

"If it makes you feel any better, they're often as unhappy about it as you are"

When did I ever imply that I was unhappy?

"Nowadays they pretend to be sluttier than they really are in order to get men"

Are you okay? In what world are they pretending to be SLUTTIER to get men?

They literally do the complete the opposite- they reduce their N counts, they don't count certain sexual acts for their N count, they suddenly "re-invent" themselves after age 28 as a girl who isn't easy and doesn't put out as easy even though she did before.

Girls are FULLY aware that in order to get their men for monogamy they have to DOWNPLAY their sluttiness, don't know where you got the idea of them UP-PLAYING it.

Jugurthajones87 • 0 points • 19 August, 2019 01:34 AM

"When did I ever imply that I was unhappy?"

When did I ever say you were unhappy?

"Are you okay? In what world are they pretending to be SLUTTIER to get men?"

Are you retarded? You're asking this question in a thread about women doing just that, on a

day full of threads on the same topic.

“They literally do the complete the opposite- they reduce their N counts, they don’t count certain sexual acts for their N count, they suddenly “re-invent” themselves after age 28 as a girl who isn’t easy and doesn’t put out as easy even though she did before.

Girls are FULLY aware that in order to get their men for monogamy they have to DOWNPLAY their sluttiness, don’t know where you got the idea of them UP-PLAYING it.”

You just proved my point. They stop acting slutty to get men once they hit the wall or notice it approaching.

Protocol\_Apollo • 2 points • 19 August, 2019 01:49 AM

Okay. You are straight up retarded.

I literally quoted the bit you said and replied to it and you still asked when did you ever say I was unhappy.

“You just proved my point”

How? Are you high? I literally proved that they downplay their sluttiness whereas you still uphold that they up-play it.

When the wall comes, they DOWNPLAY it by saying they don’t put out easy, lie about N counts (to a lower figure). This is trying to make them seem LESS of a slut not MORE.

LifeTopic • 2 points • 18 August, 2019 11:34 PM

False. All women aren't sluts, but all women are capable of being sluts. The same primal mechanism is present in both the slut and the conservative virgin. Women will fill the container (which is their man). If the man is acting like a complete bitch, she will act like a dickhead towards him. That's why we say women are a reflection of the man.

BombasticBobby • 2 points • 19 August, 2019 12:40 AM

His statement isn't false and neither is yours.

Protocol\_Apollo • 1 point • 19 August, 2019 01:23 AM

When did I say “all women are sluts”

“Women will fill the container (which is their man)”

That is exactly what I said.

LifeTopic • 1 point • 19 August, 2019 01:30 AM

My bad, I'm very sleepy atm. So my answer was quite incomplete.

When you spoke of slut positive culture -> Slut women Conservative culture -> Conservative women

My proper rebuttal was. This is false, conservative culture still breeds sluts. You can never take the slut out of a woman. The inner mechanism of women is the same for all women. Both sluts and conservative women when they see a 6ft2 ripped guy they both THINK about fucking him. The difference is the slut acts on it. No matter how strong culture is, it can never beat biology.

But this doesn't mean all women are sluts, they are just capable.

I'm really sleep atm, so sorry lmao.

youcancallmedada • 5 points • 18 August, 2019 06:35 PM

I know the same thing but it's a turtle (in another language). Are you sure it's a frog?

brasilgringo • 2 points • 18 August, 2019 08:00 PM

Not 100% sure, but it has a wikipedia entry in English:

[https://en.wikipedia.org/wiki/The\\_Scorpion\\_and\\_the\\_Frog](https://en.wikipedia.org/wiki/The_Scorpion_and_the_Frog)

youcancallmedada • 1 point • 18 August, 2019 08:16 PM

It has a turtle on the picture though. I guess it's both

brasilgringo • 1 point • 18 August, 2019 11:45 PM

Yeh it says the Indian version has a tortoise. *The Scorpion and the Tortoise* is a fable that emerged in India. Instead of a frog, it is a tortoise that carries the scorpion, and the tortoise survives thanks to its protective shell

youcancallmedada • 1 point • 19 August, 2019 12:15 AM

I think large part of Europe has a turtle in it. I'm not Indian but the one I heard turtle also survived.

1MonkeyBusiness • 1 point • 18 August, 2019 11:39 PM

I'm sorry you experienced that. As a women, I hate it with all my soul. The worst part is that a lot of men are the ones reinforcing that behavior. Take for instance Instagram. How many guys have loyal girlfriends and can't help themselves to constantly like pictures of girls with huge asses in thongs. How do you think their girlfriends feel when they see these behavior in the guy they are completely invested on? It is heartbreaking and I feel that the behavior of these type of men is creating a culture of cynical women who lost the faith in romance. Where is the loyalty of men and can they stop being attracted for women who are slutty?

Jugurthajones87 • 7 points • 19 August, 2019 12:43 AM

I want to upvote this but I'm afraid if I do you might be secretly blowing Chad.

1MonkeyBusiness • 1 point • 19 August, 2019 01:13 AM

Hahaha no chads.

Protocol\_Apollo • 4 points • 19 August, 2019 01:36 AM

Those guys that like the pics of those girls aren't getting laid by that girl.

These kind of girls just use them for validation.

Sure blame the orbiters/betas for women resorting to posting these kind of pics, but blame the women for lacking the self control with their sexuality, for sleeping around casually (nobody is forcing women to do this) and encouraging other women to follow this kind of lifestyle.

This sub isn't the CAUSE of these problems, this is an EFFECT of the current dating culture.

The ways our parents/grand parents used to date are long over, and outdated.

Things are changing but very slowly- girls are ever so slightly double guessing this culture, they are looking into things like RPW, conservative media etc but it will take at least 20-30 years for this type of

thinking to be mainstream.

For now, it's still:

New climate, new rules, new game.

Happened to me in my last relationship. I'm 33 and didn't realize that my girlfriend would be upset and not feel worthy because of my instagram. It was bizarre to me I just didn't understand, but now I do.

SouthernProcess • 2 points • 19 August, 2019 05:33 AM

Men love sexy women. Slutty or no. The fantasy will always be there. However, if you are a sexy girl, or at least take care of your appearance, you will be rewarded with a better marriage in the long run. If you're not a slut. That's basically what you get.

nah...

babybopp • 31 points • 18 August, 2019 06:47 PM\*

There is a sub here called stupid slut club. If u have any none believers in women and how they operate, direct them to that sub. The crazy thing that bothers me the most about it is the amount of unprotected sex those girls brag about. One girl was bragging on how she had three tinder dates lined up. First one came in her and she was giggling that the second and third dudes thought she was wet when they were licking her pussy and turns out it was the other guys cum.. in one day. And she got praises like "hawt!", "nice!", "I wish I was the lucky dude" ... bruv, disgusting.

ZeppKfw • 16 points • 18 August, 2019 06:55 PM

"Licking cum from a pussy"???

Oh gawd no! Take it back bro!

jerrymcguiver • 4 points • 18 August, 2019 08:55 PM

I knew a chick irl I was actually a bp orbiter to back in the day. She had a guy nut in her and later that day her bf ate her out. Since then i don't eat my girl out unless i knew where she was all day at least. No eating cum for me

linkinway • 6 points • 18 August, 2019 10:22 PM

Ah fuck, all this makes me not wanna date. And also I don't understand why do guys not give heads up to the guys for their cheating gf just like women do actively for cheating bf. We need to do this too.

IvyExcess • 1 point • 19 August, 2019 12:36 PM

This is the exact shit I'm referring to when I said that if you knew the truth of what these girls do, you would actually consider celibacy. And I've been the dude leaving cum inside for the hubby or bf, and it still disgusts me on a level.

linkinway • 1 point • 19 August, 2019 12:46 PM

shit you have went far to fucking married women. that's real low man. and like I always say please inform the husbands/bfs, don't let them live a life of lie. women do this actively, I think we can also do this - brotherhood. anyways I didn't refer to only the cum, but also how they are being played - and this seems to be so common with particularly attractive women that it's better to just avoid this generation of women. they have no respect and don't value the marriage/relationship. Also a question - do majority of attractive women cheat?

IvyExcess 1 points 20 August, 2019 12:46 AM **[recovered]**

Eh, i wouldnt say too far. Some of the husbands I have met are pathetic beta providers and I get why she wants me. Other girls I didnt know were married, found out via facebook, ended up meeting their husbands in a social setting months down the road, and bro-ing out with them cause they are cool dudes, they just dont understand the nature of women and they might turn on me if they knew the truth, so I cant tell them but i wont fuck that girl again.

Part of it is human nature. A beautiful woman is a lucky woman cause she was born with leverage over men and women. Why wouldnt she take full advantage of what she was given, and when she learns that as soon as she fucks up and some guy dumps her, she can have 20 more with a text or phone call or swipe on tinder, it honestly just reinforces the behavior. And if you live in America, you cant go the biblical route of "spare not the whip" cause youll catch charges.

I honestly believe if husbands were allowed to hit their wife when she was being hysterical or a bitch, it would solve a lot of problems and actually the women would be happier submitting to a man who wasnt afraid to put her in her place. But we do, so instead of that, I just plate and date till they piss me off or do something dumb and then i just ghost em and get another, using their own strategy against

them. and it works. and it pisses them off. and they come back around til they dont and then ya just get new ones.

yeah hot girls just have more chances and opportunities to cheat and do. the definition of a relationship is typically an exchange of sex for resources unless you can get yourself to the echelon of being sexy for sex's sake and then just having lust-based relationships with girls. so of course they dont respect you and will find guys like me to fuck them, then go and fuck their resource provider, letting him eat my cum and then pay to take them out for dinner.

you know what sucks for me? i can never have a wife or gf now. I have even tried to do BF stuff with plates like take them camping and canoeing and shit, and guess what. every time i do, the shit tests start, the drama starts, the games start and it gets unfun real fast. i am the alpha fuck boy and any deviation of behavior from that gets punished by these girls. so sometimes i channel that guilt into fucking married or taken chicks to get the poison out, then go and do shit by myself...and meet some other bitch on the trip, fuck her, and the process repeats...woe is me i know lol but i do wish i could have a loyal bitch sometimes...they just arent made at the factory with that wiring so i have had to adapt.

linkinway • 1 point • 20 August, 2019 02:37 AM

I reject your normalizing of sleeping with married women. Those husbands be whatever are humans, they are not in it for some contest or game, they are in it to live their life happy. Marriage is just so much more. That woman did date him before marrying, no one forced her, if he was not the kind to cling on to she should not have married him. But since she did, she must accept him for what he is and be committed to him regardless of he be alpha or beta since she is the one who said "yes" to the ring. People are what they are, different people will be always different, doesn't mean they deserve to be hurt and have their hearts crushed. I mean marriage is just so much more than this game of beta and alpha and this individualism in the relationship. It's about being supportive of each other regardless of anything and uplifting each other from weaknesses and guiding each other to a better life. If those women were doing this, this ain't any marriage, they were being played. They deserve better.

Have we become so obsessed with our sexuality that we have forgotten our humanity?

Those husbands deserve to know whether they were alpha or beta, they were still husbands. And, trust me those husbands will be VERY appreciative of you, that you saved them from a life of lie. And, they might not blame you as they might be sleeping with tons of many others guys (vomit!!). I mean I have never seen as disgusting humans as these, wow, how could anyone do this to someone, especially with someone they are spending their life with.

I think the society needs to embrace value system more now. And learn the aspect of - shameful. Over the years we have become less and lesser shameful. I am still vomiting over the fact that married women are doing this.

There is the concept of dharma - your duties towards your spouse, your children, your parents and the society. And, this is highest way of life, the

biggest religion. According to the Vedas, one doesn't need to go to temples or anything but just do dharma, there is no higher way of life. And, for some good thousands of years (it's as old as 7000 years), in my country we have lived this way, but then you know my country just got so obsessed with the West and its lifestyle that now the same is following here. Not at the same level, have seen wives here feel guilt on cheating (if they did which was RARE) but even that is changing now. The same shit hole is being created here of hook ups and decietfulness. Maybe just like 30 years back, one couldnt even imagine going and trying to flirt with another man's woman, he would be crucified like that woman would never talk to him again. They were that loyal. They were very respectful to their marriage and their husbands. Husbands were more important than anything for them. Dating didn't exist much, but love was there at least (most were arranged marriages, some were love marriages). You could be rest assured that they wouldn't let another man even touch her like they wouldn't even dance with another man. And, dancing has been here in many forms, like dandiya and all which have group dances but there is no touching at all, and these dances are real fun, trust me.

Honestly, I wish I could just roll back 30 or 40 years and marry one of those women. but all this now makes me want to boycott marriage and even LTR unless I can find a traditional woman. But this sucks that most attractive women cheat. Do you think it's better to go for less attractive women?

xKalista 1 points 19 August, 2019 04:18 PM\* [recovered]

I mean some guys are dumbasses and will beat YOU up for it and forgive the chick. It's right to let the guy now but some dudes will literally kill you because of it.

linkinway • 1 point • 19 August, 2019 04:35 PM

Drop an anonymous tip (maybe with some evidence incase you have). I personally would do this, it's best strategy. Now it would be to him how he takes on it, if he is a real man he will definitely vamoose the slut from his life.

No. What did you expect from a girl who would get with you so quickly? Did you think she wouldn't get with other men she finds attractive so quickly? That's not how it works.

Do sluts turn you off?

No, but I'm also not trying to girlfriend them up. They're there for a reason. There's no reason to hate them for following what their biology tells them to do.

Lateralanouncer • 5 points • 18 August, 2019 10:20 PM

It's the hardest part about swallowing the red pill (woman swallow it). You have to accept that due to contraception, woman's judgment of how they give themselves away has changed. They are liberated from having to choose a life partner. Like we are liberated from having to marry for sex.

liquorbaron • 9 points • 18 August, 2019 07:21 PM

You were probably angry because they had met your standards and then you found out more information about them that dropped them below your standards and then disappointment turned to disgust.

Sluts and sloppy women in general are a turn off to me moreso because it's a reflection on society. It's degenerate behaviour that's encouraged by dying societies in which men have failed. Read up on the degeneracy of Berlin back before the Nazis came into power. Same sort of shit happened. Modern Western women are a product of society. Women follow the narrative being pushed.

Yeah man, its crazy nowadays, but there's no point in getting mad at it. it is what it is

Avoid LTR's (especially marriage), fuck these hoes, and enjoy the decline

maljo24 • 11 points • 18 August, 2019 02:24 PM

You're trying to pick up a chick for sex and you're appalled she's had sex.

You are judgmental and you are a hypocrite.

Cods\_gift\_to\_reddit • 6 points • 18 August, 2019 07:58 PM

Men and women are different. They have different value indicators

a key that can open every lock is a master key. A lock that can be opened by every key is useless.

jackandjill22 • 12 points • 18 August, 2019 05:18 PM

Finally somebody replied to this correctly with this response. Goodjob op.

unorthodoxcowboy • 1 point • 18 August, 2019 06:51 PM

Shut it. He had his chance.

jackandjill22 • 2 points • 18 August, 2019 08:19 PM

Wat? Not really.

[deleted] • 2 points • 18 August, 2019 11:32 PM

Nah man. Self loathing is self loathing.

[deleted] • 2 points • 19 August, 2019 12:38 AM

you nailed it. well said

Chi-Cam • 2 points • 19 August, 2019 01:01 AM

But I'm confused though. If you aren't planning to date any of them why does it matter if she is useful? She literally would do some dirty shit with you. I mean dude I guess maybe you thought of a relationship with these girls? If not I say next time jump the gun and tell BOTH of them to suck your dick or some shit. Clearly they were down for it. No point in thinking to much about others just get what you want and be on your way.

MarinatingAmines 1 points 19 August, 2019 01:14 AM **[recovered]**

This analogy makes no sense, women and interpersonal relationships have nothing to do with lock smithing.

xKalista 1 points 19 August, 2019 12:57 PM\* **[recovered]**

For a man to be successful with women he needs to earn it more often than not. He needs to have a job, go to the gym and be good socially. This will boost his confidence, not every man can get laid anytime he wants.

A woman howevsr can choose to get laid whenever she wants really. She just has to call one of her friends or 'orbiters' as some of you call it.

[deleted] • 1 point • 18 August, 2019 11:32 PM

damn straight bro

Internet-Troll • 2 points • 19 August, 2019 05:11 AM

It is very common nowadays

Bruchibre • 2 points • 19 August, 2019 06:31 AM

girl 2 was bragging that she sucked off a dude she hated, she made out with 5 different guys one night because she got rejected and tried anal for the first time with a complete stranger

What are you talking about? she looks like wife material to me.

kingofclubsmorde • 2 points • 19 August, 2019 08:23 AM

I don't commit to a slut but I don't mind fucking a good looking one (with a condom ofc).

Sickem\_roy • 2 points • 19 August, 2019 03:31 PM

Help her achieve the goal of being the easiest chick in the room..Then stop knowing her.

She can do whatever she wants, but don't feel bad. If she continues to do this crap she'll have less and less chance of locking down a dude past 30. She probably doesn't take care of herself if she lets a stranger fuck her in the ass..lmao tf

impotentludius • 4 points • 18 August, 2019 03:59 PM

marxism has literally nothing to do with this. i am not even sure you mean the meaning of it.

liberalism and communism/socialism are two different things

rnsbrum • 3 points • 18 August, 2019 08:50 PM

Deconstrucionism, feminism, its all derived from post modernists that have expanded upon marx and see class warfare everywhere

impotentludius • 3 points • 18 August, 2019 10:18 PM

well the fact that brainless feminists expanded it that way doesn't mean its marxisms fault.

it is really fascinating how the words "liberalism" and "socialism" got mixed in together. they are two very different ideologies and a socialist/communist utopia would heavily conflict with a liberal utopia.

rnsbrum • 1 point • 18 August, 2019 11:52 PM

Liberalism in NA is very different from other places. Here Liberalism is closer to Libertarianism rather than socialism. Its just a terminology thing. In NA you gotta refer to yourself as a classical liberal rather than a liberal.

Project\_Zero\_Betas • 1 point • 19 August, 2019 12:20 AM

Just say Lockean liberal.

rnsbrum • 2 points • 19 August, 2019 03:12 AM

No one has any idea who Locke is, its almost like when you call urself a Hoppean Libertarian

Project\_Zero\_Betas • 1 point • 19 August, 2019 03:14 AM

Hoppean Libertarian

MA in Polisci and you got me stumped

rnsbrum • 1 point • 19 August, 2019 03:25 AM

Oh well, I used to be a hardcore Anarcho-Capitalist and that made me delve deep into philosophy/polsci. But why would you go to college for that? Can't you simply read the books from the great men that are gone already?

Project\_Zero\_Betas • 1 point • 20 August, 2019 12:02 AM

Wanted to work in politics at the time, also did undergrad work in it. And reading a book on your own isn't exactly the same thing when it comes to

nuanced topics as having a professor and class to discuss the topics with.

Project\_Zero\_Betas • 1 point • 19 August, 2019 12:19 AM\*

All you're missing is "praxeology" and you'd have right-wing word Bingo

nickyricky101 • 2 points • 18 August, 2019 07:43 PM

Then you have to practice harder. I'm a firm believer in that the universe shows you not what you want but what you've earned. You can want a hot hot gf who is a virgin and only gets slutty with you but if you haven't earned it yet it won't appear.

magx01 • 2 points • 18 August, 2019 11:02 PM

I'll admit though that I could be a bit jealous since I've been going thru a dry period lol

And it's this that is causing your feelings on the matter. Nothing else.

LeatherBoundWisdom • 1 point • 18 August, 2019 07:28 PM

In my humble experience, slut shaming is a huge beta tell. Make sure you've read No More Mr Nice Guy and that you don't hold any resentment towards promiscuous women because you didn't get pussy when you were younger. This was something I had to uproot early on in swallowing the pill.

Cods\_gift\_to\_reddit • 8 points • 18 August, 2019 08:07 PM

Not really. If the slut shaming is from a position of weakness it's beta behaviour, from a position of strength it is an alpha behaviour.

I don't mind if a woman has had lots of sex in her past, but I want her to be classy about it

Gaidsbola • 1 point • 19 August, 2019 12:19 PM

No. I don't get angry at women for being women. Stop getting butt hurt because women you know are getting more sex than you. It's always the guys with low counts that get butt hurt about this shit.

trp28287 • -1 points • 18 August, 2019 01:00 PM

danielwissenbcaest • 1 point • 18 August, 2019 11:18 PM

[deleted] • 0 points • 18 August, 2019 08:36 PM

Not every girl has to be a girl you can take home to Mum and the family.

Lighten up and relax

[deleted] • 1 point • 19 August, 2019 12:37 AM

CasualPlay3r • 0 points • 19 August, 2019 01:16 AM

Jesusfeminist • -12 points • 18 August, 2019 05:27 PM
