

Dealing with LD Women

August 6, 2019 | 12 upvotes | by [ProfessionalBit3](#)

I just finished Practical Female Psychology but was hoping there was more practical information on how to deal with the different types of women vs just one little paragraph. Are there any other books/blogs/videos/whatever that go into more detail about how to deal with the different types of women? Most specifically LD women?

Step 1: stop being a faggot

Step 2: lift and get hawt

Step 3: put your dick in a box

Hint - she's only LD with you. My wife said she would be fine with sex once or twice a month and now we fuck pretty much everyday and when we don't she gets pissy.

itiswr1tten • 15 points • 6 August, 2019 01:09 PM

Good advice but you forgot step 2.5, which is "cut a hole in the box".

Iammrp2 • 14 points • 6 August, 2019 12:53 PM

This is the right answer. Low desire women see their desire go up after a divorce. The issue is the man.

hack3ge • 5 points • 7 August, 2019 08:09 PM

Same reason women fuck their affair partners so much and are willing to do more with them. AWALT - now if you are hot as fuck and other women throw themselves at you then maybe she's broken but at that point you won't give a fuck so it doesn't matter.

FoxShitNasty83 • 3 points • 8 August, 2019 06:35 AM*

Nailed it!

Woman who I met is sending nudes and is dtf. Fat husband who can't get hard, become chad don't fear him.

red-sfpplus • 16 points • 6 August, 2019 11:49 AM

Latter-Day women are just like most women, however they are sexually oppressed.

Sexually oppressed women tend to act out.

I have wrote many bits on here about LD women, milfs and others that are fully DTF and will cheat.

They really give zero fucks about the church.

[deleted] • 8 points • 6 August, 2019 12:10 PM

Can't tell if trolling or serious.

savageinthebox • 10 points • 6 August, 2019 12:16 PM

And it's only Tuesday.

red-sfpplus • 4 points • 6 August, 2019 12:18 PM

What else is a LD woman?

Latter-day Saint's are mormons. I have wrote plenty of bits on here about them.

Unless LD in OP's mind is something else.

Iammrp2 • 11 points • 6 August, 2019 12:57 PM

Low desire. The guy is fat and his wife won't fuck him. But I know you're trolling to point out the low effort of this guys post

[deleted] • 3 points • 6 August, 2019 12:46 PM

The hint was in OP's post. He mentioned he just finished reading PFS (guessing you skipped) and this term pops up. However, the material is pretty scant.

Women with a lower sex drive (LD) will often place greater emphasis on the raising of children rather than on the producing of children. It is easy to see why nature has made it necessary to have both HD and LD women. We have found from experience, however, that LD women can sometimes be transformed into HD women, at least for a period of time. We will get into more detail in the following chapter, but for now consider that an LD woman who considers that she has her man all figured out will lose interest in him very fast. She will be more interested in a man who appears to be less preoccupied with sex and who is frequently away for long periods of time, especially with masculine-type missions and conquests.

When I read this book and then I read the descriptions of my wife I almost cried. Not because I was sad, but because it finally made sense! I wasn't fucking crazy at all. This is my bitch below.

It needs to be mentioned that a Low Sex Drive (LD) Materialistas can be particularly dangerous for a man. These women understand the male sexual drive, yet they do not share the same passion for sex. Since they are very calculating and always angling for money, they are able to fake sexual arousal fairly adeptly. They can also withdraw sexual affection quite easily, and they do! It is a trap designed to make the man spend more money in order to revive what he mistakenly experienced as passion coming from the woman.

red-sfpplus • 10 points • 6 August, 2019 12:48 PM

A woman has low sex drive due to the man she is with.

I would prefer to talk about LD women whom are milf whores. That is a real phenomenon we can talk about.

[deleted] • 5 points • 6 August, 2019 12:57 PM

They sound delicious.

FoxShitNasty83 • 3 points • 6 August, 2019 01:29 PM

I feel sick, I'm buying that book now

[deleted] • 0 points • 6 August, 2019 06:45 PM

Its my favorite read. It's the first thing I read, it toasted my mind and pushed me right out of the matrix and into reality in a very short period of time. I almost talked about fight club to every husband I knew.

Imaginary_Historian • 1 point • 7 August, 2019 05:53 PM

That sounds like RP in nightmare mode to me. Glad you were able to get somewhere with RP, but I would have dumped the bitch years ago and found someone more malleable in the first place.

RedPill-BlackLotus • 31 points • 6 August, 2019 11:49 AM

Start here and a gym pass.

They are like large breed cats, there is only one way to deal with them. You have maintain dominance, and keep them full of beef, or they eat you alive.

vox_veritas • 3 points • 7 August, 2019 12:24 AM

Beef? I tend to stuff mine full of sausage.

ReddJive • 9 points • 6 August, 2019 04:02 PM

Unless medically diagnosed there is no such thing.

Even still her hands and mouth work right?

If sex wasn't important to a marriage or any relationship then cheating wouldn't be a big deal.

Only it is.

Think about it.

Imaginary_Historian • 3 points • 7 August, 2019 06:17 PM

QFT. This logic is so impeccable that I don't even see how a woman could argue with it.

hack3ge • 5 points • 7 August, 2019 08:13 PM

If you have the balls - you should say it to your wife some time. I wish I had video taped her reaction when I did.

WolfofAllStreetz • 6 points • 6 August, 2019 02:42 PM

So you married a bitch that didn't want to have sex with you BEFORE marriage.

You played yourself.

FlyingSexistPig • 6 points • 6 August, 2019 12:35 PM

If she thinks that there are women looking at you with that look in their eye, she will suddenly have high libido towards you.

It's like this: If Brad Pitt wanted her, would she suddenly have high sex drive? Right. The problem isn't her, it's you. And if it is her, then look elsewhere.

screechhater • 3 points • 8 August, 2019 02:49 AM

No such thing

Have a married friend spinning a plate with a Sunday school teacher that tells him to lay down on the bed and just sucks him to drain him. She fucks her fat husband once a week to shut him the fuck up. She calls it her insurance fuck. She says he feels lucky to married to her.

[deleted] • 7 points • 6 August, 2019 12:56 PM

My wife is materialista type. Before we were married she had Gucci this and Prada that. Bought her own

diamonds and a Movado at 21. All of her money went to her appearance. She was groomed for this shit.

I learned about this and just pimp her out.

That is, you must put the woman to work for you, by having her do little things for your benefit, at your convenience, at her expense. This might be cooking or cleaning for you, or running errands to the market, or ordering items from the internet. Real-life prostitutes require a full-time, professional pimp, who handles the business side of her operations, and provides emotional support when necessary. The rest of us need only to recognize the symptoms of the Materialista when they emerge, and take immediate steps to deal with them.

She is my little slave and does all the things. If you want to stay home, that is fine. You want to stay home and then complain about it and say you are too tired for sex? Well guess what, I am going to outsource all of your shit. Now why are you here? She got to fucking pretty quick.

Which flavor of woman do you have?

red-sfpplus • 6 points • 6 August, 2019 11:59 PM

Dont be an Incongruent asshole.

These askMRP fags may not read your OYS but I do.

Dont be telling askMRP your wife is a little slave for you then bitch about not having a proper D/s relationship over where the big boys play.

[deleted] • 0 points • 7 August, 2019 12:03 AM

OK you got me red. She is a domestic slave currently. Working on the bedroom slave. One day when I am a big boy I hope to be just like you, just less homoerotic.

red-sfpplus • 6 points • 7 August, 2019 12:19 AM

just less homoerotic

Life is too short to cut out half the possible mating population. HA!

ProfessionalBit3[S] • 2 points • 6 August, 2019 02:07 PM

I have a Good Girl , unfortunately she is a LSE/LD... no sex before marriage and all that other good girl crap.. if only i knew then what i know now things would be different. It said a bunch about 'talking' to LDs to get them more 'in the mood' but that seems contradictory so I'll just stick with the standard RP plan and hopefully she comes around, if not oh well.

[deleted] • 6 points • 6 August, 2019 02:17 PM

A good girl will be a bad girl if you are the right man. You will have to be a serious fucking Chad though.

Looked at your OYS, you have a LOT of work to do my friend. Buckle up, and don't expect much out of her.

aggierogue3 • 2 points • 6 August, 2019 02:19 PM

The fact that this is your mindset this early on is likely good news, doesn't sound like you have much or any amount of "one-itis".

hack3ge • 2 points • 6 August, 2019 11:43 PM

Haha my wife knows I keep her around for two things: feeding and fucking.

I bought myself a smoker so there goes one of the two items. Fuck I love ribs.....

[deleted] • 1 point • 7 August, 2019 12:21 AM

Me too. Did we just become best friends? Wanna do bjj in the garage?

hack3ge • 1 point • 7 August, 2019 08:07 PM

I'm certainly down and have mats in my basement hahaha.

[deleted] • 2 points • 7 August, 2019 08:22 PM

Me too.

You into John Stamos?

Whatev22 • 1 point • 6 August, 2019 03:44 PM

You could make a field report on this and go into more depth

[deleted] • 1 point • 6 August, 2019 03:48 PM

Honestly, no one gives a shit about my wife because RP rules apply the same, AWALT. I am willing to answer questions though. You can PM me or fire away here.

Whatev22 • 1 point • 6 August, 2019 07:29 PM

I'll post in OYS. If you see me there you might give insights. Thanks

How did you control her spending and peer pressure for her to buy more and more expensive things?

[deleted] • 3 points • 6 August, 2019 05:59 PM

Day one of marriage I took finances. I paid her debts, took away all of her access to cash. Told her we don't live like that because I don't value it.

One Christmas I bought her some coach boots, she complained I didn't also get the black ones. I bought the black ones too. She bitched about something else. I lost it. Never bought her a Christmas or birthday present again. I tried so hard that year. I wanted to make her happy. I found out she was a gaping hole that couldn't ever be satisfied with material gifts.

Still to this day I don't support her buying habits. Every once in a while I'll throw her a grand to go buy her own shit or whatever she wants, but I'm not buying presents she can suck my dick.

Now she has a side job to make her own cash. Of her own volition she chooses to help contribute to household needs, but I don't require it. She makes less than 10% what I make, she can keep it. I don't buy her new furniture or big things anymore unless I want it. She wanted a guest room for her father to stay in, I made her pay for it. It's just how things work now. It took me 12 years to figure it out but I have a good system now.

AnIslandForYourself 1 points 6 August, 2019 06:17 PM **[recovered]**

So for women in general(not just for a wife) related to spending money you would say that the best thing to do would be to only spend on her if you judge it as appropriate?Or if you feel like it in general?I need to get used to fighting that social pressure to buy my girl shit.

The_Litz • 4 points • 6 August, 2019 07:54 PM

If you bow to social pressure it is indicative of a mindset that seeks validation from others.

Seek your own path to what YOU think is appropriate.

Example, in my Blue days I bought my wife a beautiful necklace, booked a weekend in a honeymoon suite at an exclusive resort and was 'rewarded' with ~~45~~ 5 minutes of starfish sex just before going home.

In contrast, my favourite plate. She is well off, one would think you need expensive gifts and shit to impress her. The most I have spent on her is Starbucks coffee.

The point is, YOU provide the value in a relationship, not gifts or material things.

On a more pragmatic note, how to run a household. Strike a good balance of buying quality furniture/household items when it is needed.

Don't be a stingy miser, don't be a cheque book chump.

[deleted] • 1 point • 7 August, 2019 12:21 AM

Agreed on everything. Good shit.

[deleted] • 1 point • 6 August, 2019 06:46 PM

OK stop. Does "When I Say No I Feel GUILTY" sound familiar?

helaughsinhidden • 2 points • 6 August, 2019 03:19 PM

There isn't a book for "different" women, because they don't exist. We say AWALT for a reason. Women are reactive to their environment and circumstances. You might need to factor in the strong influence of their social group IF they are exhibiting more authority and stronger frame than you are, but you can rise above it or minimize the other external influences.

Imaginary_Historian • 2 points • 7 August, 2019 05:50 PM

AWALT means that women are still women no matter how we slice it. It doesn't mean all women are exactly the same.

AWALT means is that all women behave according to certain rules. For instance, they all respond to RP. The degree in which they respond may vary though. Some women are easy, some are not, but they all respond.

Thad said, there actually are LD and HD women. While I agree that "LD" can be bullshit, i.e., 100% due to her not being attracted to her man, LD can also mean she is just plain fucked in the head and isn't that into sex in general, and although a total Chad would get her going, a total Chad would get an average woman going more.

But just because some women are easier to game than others, always remember AWALT, if for no other reason than to avoid oneitis. Even if our woman loves to fuck, there are countless more who do too, and our woman isn't special because of it, or anything else.

I think in MRP, we are particularly prone to oneitis. Let's not fool ourselves into thinking that with RP, all of us can make our wives behave exactly the way we want them to. Yes, we can always make our marriages better. But with some wives, it's better to cut our losses and divorce, and pick better next time. RP is about the man, not about the marriage; if it improves the marriage to our satisfaction, great, but that is not always the end game.

Don't

mrp_awakening • 1 point • 7 August, 2019 11:41 AM

Step 1: Be attractive. Step 2: Don't be unattractive.

Seriously... the number of women who are LD is much less than the number of women claimed to be LD by their partner. Chances are she's just LD for you. Is she shit testing or trying to start fights?

ProfessionalBit3[S] • 1 point • 7 August, 2019 04:30 PM

Shes definitely feeling the dread, its turning into 'there is so much pressure to have sex with you now that i just cant handle it, i cant get in the mood knowing that i have to fuck you to save our marriage'

So im trying to pull back on the initiation and show more IDGAF about sex to reduce the stress.. definitely had too many victim pukes early about how im not gonna be in a sexless marriage.

ChokingDownRP • 3 points • 7 August, 2019 05:08 PM

Not sure this sounds like dread so much as negotiated desire?

screechhater • 2 points • 8 August, 2019 02:46 AM

Are you out of your fucking mind ? Turn the dread up.

Make it perfectly clear that fucking is part of the marriage package. In the meantime make god damned sure you are seriously worthy of fucking.

Turning it down to take the pressure off is blue pill as it gets.

Guess what happens after several weeks of fucking ? Seriously
