Set up 2nd date for netflix at mine.

Any introspection on her perception of me using these cute shit nicknames like hunnie/hun.

Don't give head on the first date, you don't know where her pussy has been, you're trying too hard to impress her. She didn't return the favour because losing you is not a big deal to her - low attraction

She calls you hunnie because she sees you as a lap dog

Asd prevented you from getting some, but I don't think it will next time.

Made her orgasm by licking her out (full body shaking) and she didnt return the favour, but i didnt say anything.

She said, i really wanna fuck you but im trying to be good now.

Let me break this down:

1. She didn't want to fuck you
2. You rewarded that 'bad' behaviour (because you wanted to fuck) by making her come
3. After, she didn't even attempt to make you come
4. You rewarded further 'bad' behaviour (not attempting to make you come) by setting up a second date

DO NOT REWARD BEHAVIOUR THAT YOU DON'T LIKE/WANT TO CONTINUE.

You've put yourself in the provider category and have a lot to work on.

You just gotta whip that shit out and tell her to suck.

Guide her head down, tell her to open and put it in. If she resists at any point dead stop and freeze her out.

Eating pussy is a submissive behaviour (subconsciously, both for you and for her), even if people don't like to hear it, it still is. Sure eating pussy can be a nice thing to do rarely once in awhile with a girl youve

already established a strong alpha frame with, but starting off with that? Now you're in her beta box in her subconscious.
