

## **R/marriedredpill TRP but with blue pill tendencies.**

September 2, 2019 | 1 upvotes | by [MeansToABenz](#)

---

Please understand that I am not trying to offend anyone with this sentiment. But how is r/marriedredpill not TRP but with blue pill tendencies? TRP seems to be so so anti-marriage that I think mrp must be red pill but with blue pill tendencies. Or is mrp the notion that the real red pill is using the wisdom of TRP to get/do what you want to do?
