Hi guys,

First thing first, I wanna say that the real thing is a much faster way to build rapport if you have time to invest going out and meeting new chicks but if you're like me and you just don't have it right now.... this is gonna save you a ton of it

1. Boost (\$) at peak times to build prospects list
2. Likes (Gold) prospects at peak times to spin new plates

***for BETTER RESULTS, you should remove showing your location (Gold) and change city/neighborhood after each boost

App's PEAK TIMES...

Monday, 9pm Tuesday, 5-10pm Wednesday, 5-10pm Thursday, 5-10pm Friday, 5-10pm Saturday, 5-10pm Sunday, 9pm

After a few weeks doing this, I can safely say that my cost-per-ONS is stable at 14\$ for my area AND according to my SMV (so you know an approximate before putting your money)

Enjoy !
