https://www.reddit.com/r/asktrp/comments/4pzgnj/girlfriend_disrespects_me_in_public/

Just wanted to update everyone here that I did it. I didn't want to deal with any drama if I told her we are done and that she should leave so I just waited until she had to visit her family a city away. And then, I struck.

I dropped her off at the bus terminal and wished her a good trip. She didn't see it coming. She thought she had it all in her hands. "Are you going to miss me?" she asked as I was driving her. "No, not really." She laughed and gave me a playful nudge. Little did she know, I was dead serious.

As soon as I dropped her off, I made my way back home. I had already prepared the garbage bags and quickly cleaned out my place of her belongings. I called her grandmother (her mother and her grandmother don't talk and they live separately) and told her I would be dropping off her things. I told her it just didn't work out. I drove over and unloaded it all with her grandfather's help. Her grandfather gave me a handshake and said, "I'm sorry it didn't work out, buddy! You can come and visit us any time!"

I blocked her on FB. Around 9pm, the calls began. A few "WTF?" texts and a voicemail saying, "Hey, that's really nice of you. That's REALLY FUCKED UP!" to which I don't respond to.

The next morning, it hits her. We had a fight before she left because I didn't have any cash on me so I gave her my debit card to buy weed with. She bought weed and then she went out by herself and got shitfaced by the time I got home without even asking if she could. But the stupid bitch doesn't even realize that it's not a particular fight that we had. She doesn't even fucking see or recognize that she is essentially stealing from me and lying to me and fucking me over. I am the only one that works and she doesn't give a fuck at all. Here's the voicemail:

<https://a.pomf.cat/pifelh.m4a>

Her family hates her because she's a selfish cunt. That's why her grandma/grandpa didn't tell her I was dropping her shit off and that's why they told me I can visit them anytime. Shortly after she realizes that her mom, sister or grandma are not going to let her stay, the barrage of texts begins. "Why did you do this to me I cared so much about you" "If you loved me then why did you do this" "That is really fucked up of you" "I miss you so much" She was so entitled and arrogant that she honestly didn't think that treating me like shit would ever come back to bite her in the ass. She thought it was my job to pay for her shit. Well, fuck her.

The next day, a few missed calls and a shitload of texts later, she leaves this voicemail:

<https://a.pomf.cat/nvfaza.m4a>

More texts about what a piece of shit I am for leaving her penniless. She actually fucking said that as if it's my job to make sure that she is taken care of even after I kick her ass out. She texted me for a few days more and then it was silent. I called her grandma to see how she was dealing and she said she checked into a hospital and that she was staying at the homeless shelter.

Ha ha. Good riddance, cunt. She didn't love me. She didn't care about me. She used me as a means of getting by to get high and be a generally shitty person. She wouldn't spit on me if I was on fire. She only cared about herself. I feel bad for the dude that ends up with these damaged goods.

Off to the gym. Peace.

OP needs to be careful the next time he goes out walking due to his balls swelling to 5x their previous size.

[deleted] • 100 points • 9 September, 2016 04:59 PM

OP is the like the Grinch that stole a greedy bitch's Christmas.

I love these TRP feel good stories.

LOL

Sementeries • 40 points • 9 September, 2016 07:59 PM

called her grandma to see how she was dealing

Can't tell if OP is too good hearted or a sick cunt

[deleted] • 29 points • 9 September, 2016 08:08 PM

Maybe a little of both...

He's definitely learning.

CrodudeClassic • 25 points • 9 September, 2016 08:31 PM

And what happened, then? Well, in Whoville they say – that the Grinch's small balls grew three sizes that day. And then – the true meaning of Red Pill came through, and the Grinch found the strength of ten balls, plus two!

InChargeMan • 5 points • 10 September, 2016 12:06 AM

Literally LOL

bonerpotpie • 8 points • 10 September, 2016 12:55 AM

The wake up stories like these make me get a pride boner.

That is a Repeatable line. Using that. Next time I see a guy in a similar situation I'm going to say something like, "Leave her and be known as the Grinch that stole the greedy bitch's Christmas."

causeandcorrelation • 1 point • 10 September, 2016 10:20 AM

So few and far between

[deleted] • 23 points • 9 September, 2016 06:24 PM

I use stories like this, every time PPD TBP or some other fem talks about how mean we are.

Fuck you, this guy saved his own fucking life, fuck your morality.

OP, dont delete those links, I have a feeling this will become part of the sidebar

If bitch shows up with cops, demand to see the warrant. []

Don't let her in. Police have no way of knowing what belongs to whom.

Smigg_e • 4 points • 9 September, 2016 11:14 PM

Police won't even show up with her unless she has a court ordered civil standby. She's dumb

InChargeMan • 3 points • 10 September, 2016 12:07 AM

Not married, no reason to get a lawyer.

kick6 • 1 point • 9 September, 2016 10:53 PM

I can't imagine the raisins he had to begin with if pulling some bitch-shit like waiting for her to go out of town would cause 5x swelling.

AfterC • 179 points • 9 September, 2016 04:50 PM

Dear Diary,

We haven't spoken in a while because life has been really busy. So much has happened and I can't get to it all right now.

But one amazing thing happened. Today, OP was not a faggot.

Love,

Me

I drove over and unloaded it all with her grandfather's help. Her grandfather gave me a handshake and said, "I'm sorry it didn't work out, buddy! You can come and visit us any time!"

This is my favorite part to be honest.

OverDragon42 • 31 points • 9 September, 2016 06:31 PM

Yeah it shows that even the grandparents know that she is a piece of shit and he is a good standing guy in there eyes lmfao

"Why did you do this to me I cared so much about you" "If you loved me then why did you do this" "That is really fucked up of you" "I miss you so much"

Classic shaming tactics and attempts at pulling at your heartstrings. Kudos to you for recognizing and resisting.

Her family hates her because she's a selfish cunt. That's why her grandma/grandpa didn't tell her I was dropping her shit off and that's why they told me I can visit them anytime.

Family issues like that are a red flag you should watch for in the future.

Family being on your side, offering to maintain a relationship, is confirmation you're a damn good person and they know it. They know what's really going on, and they fully understand why you did what you did. You did the right thing, and you did it the right way.

Please, don't go picking through your garbage, don't take her back, don't fuck her, don't text her, don't engage her. You truly have nothing to gain, never forget that.

landon042 • 86 points • 9 September, 2016 04:49 PM

the Fucking voice god damn. No girls talk feminine anymore it's like all basic bitch nagging voice.

I don't think we all realize it but it's a big factor, a sweet soft spoken childish voice is a huge plus

Metalgear222 • 27 points • 9 September, 2016 09:54 PM

I can hear the lazy stoner in her voice. The kind of girl that does a sharp inhale through the nose all the fkn time cause it's always runny. My god the worst kind of bitch.

landon042 • 7 points • 10 September, 2016 12:06 AM

it's sad they're all on drugs to have fun/ but mostly forget the numbing pain of being pumped and dumped

Okay, here's a conundrum for you: I'm apparently a faggot for liking trans women, right? Thing is... I'm a woman. Does that make me straight because you bigots consider trans women to be men?

paebula • 19 points • 10 September, 2016 01:34 AM [recovered]

LOL it just keeps getting better.

frigidmouse • -5 points • 10 September, 2016 01:36 AM

It really does. I always forget that jerkoffs like you guys exist.

Mildly_Sociopathic • 22 points • 10 September, 2016 03:04 AM

If you rearrange parts of the sentence, it turns to "You jerk off to guys" which is apparently true.

rhys5584 • 2 points • 14 September, 2016 10:48 AM

Why are you here, you just trying to spin your wheel?

[deleted] • 1 point • 10 September, 2016 07:31 AM

GTFO WOMEN

KV-n • 6 points • 11 September, 2016 12:14 PM

Thing is... I'm a woman

oh, that explains everything. Just another old cunt bitter about men liking young girls the most. Nothing new to see folks, pass along!

london042 • 15 points • 10 September, 2016 12:04 AM

the shaming lol.

to put it simply, I'm a man with a deep voice I don't need another girl doing the same.

Imagine, you see a cute girl, not in a slut uniform, she's wearing a nice casual dress looking very feminine and embracing it.

Suddenly she opens her mouth... nagging bitchyness comes out, she has a scratchy manly voice you can tell she got from "trying to be one of the guys"

Complete 180 her looks no longer matter, I'm completely turned off.

but keep shaming, you betas won't understand that and you'll take what you can get

W_O_M_B_A_T • 2 points • 10 September, 2016 12:39 AM

I DGAF what her voice sounds like, if she's good in bed. I'm thinking more about what else can her mouth can do.

rhys5584 • 1 point • 14 September, 2016 10:52 AM

This is ironic.

frigidmouse • -1 points • 10 September, 2016 12:30 AM

My problem is equating a childish, powerless voice with femininity. Being attracted to femininity isn't a problem, but femininity isn't being subservient.

spurdosparade • 8 points • 10 September, 2016 04:26 PM

Jesus Christ, chill out, dude. It's just people's opinions in the fucking internet. Go lift some barbells or something.

VasiliiyZaitzev • 30 points • 9 September, 2016 05:37 PM

I love how it's somehow your fault that she's "homeless" because she can't stay with her grandparents, her mom or her sister. Why would that be? Because even her family doesn't want anything to do with her? So basically, she's burned every relationship she has in life, and yet it's somehow not *HER* that ruined her own life. What at twat.

MuhTriggersGuise • 17 points • 9 September, 2016 08:19 PM

Not only that, but she's unemployed so has no money for a place (his fault apparently), nor does she have any kind of savings to rely upon (again, his fault). Not only is she in this precarious position depending on someone else like that, but she treats the person like shit. What a lunatic.

CumForJesus • 9 points • 9 September, 2016 10:56 PM

Not only is she depending on one guy, and treating him like shit, but she's using him to buy weed. Like, really ? You use your sugar daddy to buy weed instead of a house ?

rot_barth • 3 points • 10 September, 2016 11:40 PM

Would you expect anything else from the soliptic hampster on overdrive?

knightSwolaire • 26 points • 9 September, 2016 05:37 PM

omg you REALLY delivered. Never heard a voicemail EVER in my reddit history. Your balls are the size of cantaloupes dude.

RXRob • 28 points • 9 September, 2016 06:44 PM

Is it just me, or if your relationship with one person was the only barrier between your current situation and homelessness would you not make a huge effort to keep that relationship sweet?

The entitlement and lack of foresight of these girls always blows my mind.

InChargeMan • 17 points • 10 September, 2016 12:11 AM

This is what I say about married women too. They could literally just give a BJ every 2 days and most guys would just deal with the rest of the BS until they die. They spend more time putting on makeup.

[deleted] • 3 points • 15 September, 2016 11:48 PM

Fuck, even HJ's

BenjiDread • 5 points • 10 September, 2016 12:23 AM

My thoughts exactly. My ex acted like me paying the rent and bills never happened..... Until she had to pay her own rent.

RXRob • 5 points • 10 September, 2016 07:14 AM

My ex reached a point where I had to sit her down and explain that I'd just put the deposit on a new house and that we would both have to move out in a month.

SovietMoose • 2 points • 10 September, 2016 02:42 AM

Logic my friend, logic.

jm51 • 2 points • 10 September, 2016 04:25 PM

Had a women in her 30s stay with me, full on alcoholic but fun...at first. Kinda amused her that I was a year older than her mother. I'm into homebrew so she had all the vod she wanted. Took 5 days before she started being a proper drag, on the 6th day I had her leave.

Late30sMasculist • 24 points • 9 September, 2016 04:46 PM

Listening to those calls I can see why you waited for her to be out of town to move her out instead of kicking her out yourself.

Next time, be more careful with who you get close to and expose yourself to.

CumForJesus • 1 point • 9 September, 2016 10:50 PM

Can you write what she said ? I'm not native, and i'm only good at writing english. Spoken english is very, very hard for me.

dons90 • 4 points • 25 October, 2016 03:17 AM

Might be late but here's the transcript. There were some inaudible portions which I've marked with a (?)

Voicemail #1

[Initial Operator Voice]

"That's really awesome, you packed up all my things and took them to my Grandma's house while I'm visiting(?) my fucking family? Over something that you said you weren't even mad over? That's really, uh, yeah, awesome. When you said I could take up money to buy weed, then I spent an extra \$, big fucking luck(?).

But uh yeah no that's great, have a nice life. There better be every single thing of mine in that packing(?) place otherwise I'll be coming back over there with the police to double check the apartment - And uh make sure that not a single thing is left back in there - I'm probably gonna be doing that anyways. So I'll come over tomorrow and I'll bring the RCMP(?) with me. They can escort me around and make sure you've packed up every single fucking thing of mine and uh, I'll call you and let you know what time I'm coming, thanks bye."

Voicemail #2

[Initial Operator Voice]

"Hi, just wanted to say thanks a lot, for not only ruining my life, but now I'm homeless because I can't stay here and I *can't get my mom so my life's a joke(??)*. So thanks a lot, I'll be probably hitch-hiking it back to Vancouver today, bye"

CumForJesus • 3 points • 25 October, 2016 10:07 AM

Thanks. Damn she's crazy.

Kudos to you for resisting telling her that after all the texts and calls.

MuhTriggersGuise • 9 points • 9 September, 2016 08:20 PM

The part where she talked about bringing the cops over to raid his place to "look" for more possessions of hers really got under my skin. Good on him for not reacting.

Sweet justice. Also the way she speaks doesn't sound like she actually gives a fuck about you.

"and I spent an extra 40 dollars, BIG FUCKING LOT"

What a bitch, good job.

BenjiDread • 7 points • 10 September, 2016 12:25 AM

This coming from someone who doesn't have 40 dollars and had to steal it. The entitlement is real.

jb_trp • 24 points • 9 September, 2016 04:17 PM

She's not penniless... She has a vagina. She'll find some other thirsty sucker to be her betabux and pay for all her shit.

Learn from this and be more discerning about who you commit to. There are about 10 red flags in your post... I'm assuming there are about 100 more in real life.

Sementeries • 13 points • 9 September, 2016 08:02 PM

She'll be crawling around the bars looking for a sucker to pound her day old fish.

wanderer779 • 6 points • 10 September, 2016 12:45 AM

I couldn't listen to them because my "nonsensical bitching" alarm triggered and closed it out. Its not t really necessary to listen. Just imagine a bitchy girl with a bitchy voice bitching about something and you've got the just of it.

MuhTriggersGuise • 4 points • 9 September, 2016 08:18 PM

Good move man. Hopefully you didn't get her pregnant. That was my biggest fear.

Part of me was hoping this was going to be the guy who was told by a roommate of his girlfriend's that she was into him, and if he fucked her he would tell the guy. Anyone remember that post?

seattleron • 5 points • 9 September, 2016 06:03 PM

The worst part for her is no explanation, but deep down she knows.

Just wait, you'll get an email or a long text or voicemail where she apologizes for exactly the reasons you kicked her out.

CumForJesus • 6 points • 9 September, 2016 10:55 PM

Those voicemails you shared really were the cherry on top. The first one you can really hear what a controlling, manipulative and vindictive person she is.

TheBeardedMarxist • 2 points • 10 September, 2016 01:36 AM

Holy vocal fry Batman.

lord-denning • 2 points • 10 September, 2016 02:15 AM

While we are all high-fiving OP, it's is worth taking a second to recognize that this girl referred to bringing the police over multiple times in her first voice mail. Women *know* instinctively that the police and the whole legal system are on their side. Op also mentions getting weed - I know things are changing, but in certain states a police check of premises could result in additional headache or worse.

My point simply is that kicking out a girlfriend in the current day and age incredibly brings risks with it if the girl is entitled. Document everything, check with a lawyer regarding your rights. If anyone else has any input that would be appreciated.

[deleted] • 2 points • 10 September, 2016 04:46 AM

Hi, ive been swallowing the pill for almost a year but I still have much to learn.

However, I have read OP's original story and this one and I have a question. Could this all have been avoided in the first place?

For example if OP had set the facts straight how he does not like to be called "the guy that pays for her shit" from the beginning? Like personally I might let that slide once as a joke or something but if it happened again I would definitely call her out on it (like almost to the extent that OP came to).

Also why doesnt she have a job? does she not work or something? Her both not having a job and smoking weed a two huge flags for me before I would even consider her as LTR material.

By the way, I agree with OP how he doesnt need to give a shit about her after they broke up. and bravo to OP for perfect execution of dumping her ass.

CumForJesus • 2 points • 9 September, 2016 10:53 PM

You want to fucking know how to avoid being called "the guy that pay for my shit" ? Don't fucking pay for her shit. You don't deserve respect at this point. Setting the facts straight ? The fact is, you do pay for her shit. OP learned a valuable lesson, and i'm sure he'll start veto-ing his future relations like you and me.

I just realised that her bitchy accent is the Canadian equivalent of the valley girl accent, except that's it's much worse. You can almost hear the gender studies dripping from every syllables.

the sooner you realize you are in a bad spot with a woman, the sooner you can choose to get out, and then you get out. And then you are a bit more picky about what kind of woman is worth a minute of your time.

From beta to double triple alpha. Savage really love that update

walawalawa • 1 point • 10 September, 2016 11:21 AM

I love these stories where the dude finds his balls and discovers the Red Pill. I see myself in each of these stories slowly moving past the crap.

This powered me the fuck up!!!

Bascome • 1 point • 10 September, 2016 02:29 PM

Next time you give money for anything your GF needs figure out what you are getting in return and make sure SHE knows it as well. Never hand over your bank cards or passcodes.

Half of this was your fault for setting yourself up as a doormat. Paying is not a manly thing to do, its a beta thing to do. It used to be necessary to get a date back in the 50's because women didn't have jobs or money.

There are zero reasons to pay anymore.

Anyone still have the voicemails?

juzeza • 1 point • 29 September, 2016 05:31 AM

Congrats.

She sounds toxic and probably abusing substances/will because of her character defects.

Very good decision. Now, try and keep from doing it again!

Melch_Underscore • 1 point • 5 February, 2017 01:01 AM

I had a similar experience, except I was married with kids. Never again.

DennisReynoldsAMA • 1 point • 9 September, 2016 06:57 PM

Lmao you're a boss dude, just block her number so you don't see her negative texts.

MuhTriggersGuise • 4 points • 9 September, 2016 08:38 PM

The voicemails came from "an unknown number". She's already blocked.

DennisReynoldsAMA • 2 points • 10 September, 2016 12:51 AM

Oh my bad. Good on you bro
