

Wife calling me 'Daddy' a LOT...

October 8, 2019 | 13 upvotes | by [skizzum97](#)

Wife and I are in our early 30s, no kids, great sex life, great communication and dynamic between us. I swallowed the RP about 6 months ago and my wife responded to it immediately. Went from vanilla yet intimate/passionate sex to a more d/s dynamic, which she definitely is into. She started calling me 'Daddy' during sex and soon after it entered normal conversation and texts. I was a little put off at first because of the incest angle but she said she likes the term because she sees me as the man of the house, the future father of her children, the provider and leader, etc. Now, don't get me wrong, Im digging her enthusiasm and obvious adoration of me that is inherent in this dynamic but I can't help but have some concerns about how prevalent it has become. She does not ever do it in front of others (except to tease me when we get a moment alone) but the texts and solo convos are always overflowing with her calling me Daddy... So is this a red flag or just her being enthusiastic and fully embracing her sub role in our relationship? Do I need to be worried or should I just keep rolling with it? I do find it sexy but also want to avoid any slippery slopes it could lead to. How should I proceed?

Take a deep breath Daddy.

My LTR calls me 'fat cunt' what does this mean?

UltimateCrypto • 6 points • 8 October, 2019 07:49 PM

You're doing great. Keep it up

Partly, but mostly just trying to understand how to play it right going forward.

You're doomed.

rnsbrum • 6 points • 8 October, 2019 05:23 PM

Maybe she wants to be a mommy

vp latt • 11 points • 8 October, 2019 04:17 PM

What would you prefer? 'Master'? 'Sir'? I mean, at some level you're just going to be a little uncomfortable with any of those because you're still worried about what others will think if they overhear it or see it, right?

I'm no guru, but even I can tell you need to just up the DNGAF factor and just own it. If someone is nosy enough to ask you about it because of leakage, then they deserve an honest answer which will likely result in them wishing they hadn't asked and minding their own business in the future.

Beyond that, her use of the term seems to be giving her nice comfort material that you get for free. I don't see a point in messing with it.

You obviously are getting a case of the gays. No bueno daddy.

jjj2576 • 20 points • 8 October, 2019 03:55 PM

Don't be a dick. We're fucking strangers on the internet— not medical professionals.

OP— Ask your doctor if you have a case of the gays.

HIJKelemenP • 8 points • 8 October, 2019 04:01 PM

Fair. I just know a guy who had an uncle who's boss's stepdad slowly developed the gays. It can happen

overnight or progressively.

jjj2576 • 3 points • 8 October, 2019 04:12 PM

Some people say you're just born with it, Daddy,

The government puts chemicals in the water than turn frogs gay - Alex Jones.

That's awesome. My LTR calls me daddy too mainly during sex. I go with it and tell her she's been a good girl and fuck her hard. It makes her super wet.

It's a dominant, submissive thing. Take that dominant role and it will carry over in all aspects of your relationship. To me a dominant, submissive relationship takes the red pill captain/first officer model to the next level.

I love when women call me daddy. It is completely normal if they are totally subbed out to you. It is a good sign. "Fuck me daddy."

RicoDunne • 5 points • 8 October, 2019 05:35 PM

Daddy in slang usage by the younger set also refers to a person in charge or a female may use it in reference to another female as a woman worthy of being dominated by strong man.

Proceed with extreme caution. My wife started calling me daddy when we first got married, it's a bad thing. Be super worried.

tom-anonymous • 4 points • 8 October, 2019 04:46 PM

Every time I see your flair it makes me chuckle. BTW the Mods should tag OP with "Daddy" flair.

[deleted] • 4 points • 8 October, 2019 04:54 PM

The flair only works if you don't like it. I think he would resent it, and it would remind him of his faggotry. You have my support.

RicoDunne • 2 points • 8 October, 2019 05:33 PM

No way... that's like giving a kid a loaded gun. OP doesn't deserve that

tom-anonymous • 2 points • 8 October, 2019 06:45 PM

lol he's got some flair. I almost spit out my protein drink when I read it.

SteelSharpensSteel • 2 points • 8 October, 2019 07:47 PM

Good suggestion.

skizzum97 1 points 8 October, 2019 03:36 PM **[recovered]**

Can you elaborate on why I should be worried?

[deleted] • 8 points • 8 October, 2019 03:38 PM

It's a clear sign she is cheating on you.

skizzum97 1 points 8 October, 2019 03:44 PM **[recovered]**

Is that so? ☐

notsuppostocomnt • 11 points • 8 October, 2019 03:59 PM

He's joking OP relax.. it means nothing.

[deleted] • 7 points • 8 October, 2019 03:45 PM

Also, it could mean you have a serious case of the gays. I heard that can happen too. Just be careful bro.

RoccoPinkman • 5 points • 8 October, 2019 05:16 PM

You can't catch it twice, he's cool

SBIII • 4 points • 8 October, 2019 08:52 PM

Yes you can. The second time you get it, it cancels out the first case of the gays.

Then you go back to being straight.

If you catch it a third time, you have the gays for life.

Sounds like a normal Tren cycle to me.

[deleted] • 1 point • 9 October, 2019 02:15 AM

Actually laughed out loud.

RoccoPinkman • 1 point • 9 October, 2019 05:11 AM

They call it Gaids

slabsofmuscle • 3 points • 8 October, 2019 06:50 PM

What sort of things did you do to see these changes in how she responds to you?

red88lobster • 3 points • 8 October, 2019 07:36 PM

Next time she calls you daddy; bend her over the knee and tell her daddy is mad about all this kinky talk.

Tell her from now on every time she calls you daddy you will give her a firm spanking .

This will for sure aid you in your situation.

SBIII • 3 points • 8 October, 2019 08:55 PM

Next time you're fucking her, say 'take that cock, Mommy.. '.

red-sfpplus • 1 point • 9 October, 2019 02:20 AM

☐

coinbaserep • 3 points • 8 October, 2019 08:56 PM

My wife calls me daddy around the house (we have kids) but not in the bedroom. What does this mean?
Why won't she call me daddy while she's riding my cock. Just once I want her to say "fuck me daddy"
Maybe she's not as broken as I originally thought ?

peaceandlug • 2 points • 8 October, 2019 06:28 PM

What, you've never heard the phrase "Call me Daddy"??

It means chicks be digging on you.

tom-anonymous • 2 points • 8 October, 2019 06:46 PM

Who's your daddy and what does he do?

marv86kw • 2 points • 8 October, 2019 07:04 PM

Who cares what she calls you?

red-sfpplus • 2 points • 8 October, 2019 11:18 PM

As long as she doesn't call me bro.

SoyTanto • 2 points • 9 October, 2019 01:10 PM

Normal for Latinas. "Papi"

JameisBong • 1 point • 8 October, 2019 11:10 PM

Do you prefer step daddy instead?

RoccoPinkman • 1 point • 9 October, 2019 04:47 AM

A friend of a friend told me you have to suck a dick to get rid of it.
