

Plate buying you gifts?

21 upvotes | 4 November, 2019 | by ArnoldT1000

Plate bought me a gift for my birthday. Although she's a slut, she seems to like me a lot.

Is she trying to lock me down? What does it indicate when a plate buys you shit without you asking

Bro.

It's a gift. Enjoy it.

I definitely am, it was a great gift.

If it was a random gift, it would be better. Because it's a birthday gift, there may be expectations in terms of reciprocation.

Yes she is probably trying to lock you down. Say thank you and proceed as usual.

ArnoldT1000 • 2 points • 4 November, 2019 09:07 AM

Copy that, proceeded as usual and fucked her brains out.

She likes you & your cock.

I don't think it's behaviour toward locking you down, enjoy.

I think it is. Maybe she likes him a lot and would date him.

Yeah she's trying to lock you down. I've had many plates do this for my birthday. Also my birthday is in December and its no secret that is "cuffing season"

Women like to be paired up for the holidays and winter weather. They can't go slut it up as much in the freezing cold.

Anyways, yeah. Enjoy thr gift. Give her a heartfelt thank you, eat her pussy out like it's your god given Job...But remember, the second you commit, she'll be bored of you and drop you.

Try not to think about how many dicks she's had in there!

you need to learn to be in the present. in the present it's only his tongue. assuming she's been checked for

STDs what's the problem?

do you not kiss women either because they've given blowjobs?

do you let your mom kiss you on the cheek when you see her even tho your dad's cock has been in her gullet?

I mean she hasn't really indicated she wants that and she enjoys my dick so imma keep it simple and just fuck her

What was the gift? Was it knitting or something? Perhaps she just enjoys crafting for friends if so. If it wasn't, how expensive was it? \$20USD value or lower is all good. Anything above that I'd be iffy about unless she's also a ridiculously good personal friend (in that case, maybe \$50 USD value.) Anything above \$50 USD I'd be seriously raising an eyebrow at especially if you have no friendship outside.

i-am-the-prize • 1 point • 4 November, 2019 03:44 PM

if you are high value this is expected.

she's given you her body, which is what she controls.

you control (your) commitment so she's trying to value-add, to show she likes you. enjoy it. don't let it go to your head. ego is the enemy.

Can someone define the meaning of plate

SirKolbath • 9 points • 4 November, 2019 01:04 AM

Serious question, can you find the sidebar? With more people coming to the subreddit on mobile, it's not as apparent as it was when everyone was on computers using web browsers.

The answer you are looking for is in here.

On mobile it's not as easy to find. At least hes in The right place and got the spirit.

Altin_Beg • 2 points • 4 November, 2019 08:37 PM
