Anyone else notice that there are far more women working out in the gym since 50sog hit the cinemas?  
Correlation doesn't equal causation, but the difference is striking.

Is it just me or is ops written voice extremely grating? My original reply to this was full e-thug.

He's a powerful writer, he's able to be annoying without writing anything annoying.

Never saw the movie but I got laid a lot because of it.
