

## Anyone explain this?

Matched with HB7 on bumble. Got her number couple weeks ago and twice made plans. First time she actually drunk video called me and told me to come over but I was at a friend's house across town and it was 2am. For the reschedule I tried making plans but she responded late and I was already committed.

That was last week. Now I follow up and I get this:

### [Text Convo](#)

I don't even know how or if I should proceed cause although she is attractive she is clearly insane. Or she goes through boyfriends on a weekly basis.

Thinking about saying "ladies first" or something like that.

That shit screams crazy. If you meet her do it in public first, and for the love of god wear a condom.

HoedownInBrownTown • 135 points • 21 November, 2019 11:37 AM

Wear a condom when he meets her in public?

frognads • 80 points • 21 November, 2019 12:05 PM

itiswr1tten • 15 points • 21 November, 2019 04:17 PM

Yeah. You gotta be ready to rock at a moment's notice. Get a rager, put condom on, go soft. Then get dressed and go out.

The post ejaculation clarity you get after nutting in a crazy girl is one of the most haunting feelings in existence

Friendly-Casper • 4 points • 21 November, 2019 03:12 PM

That's why I said what I did. I've learned it the hard way (no pun intended).

Already mentioned one somewhere in my comment history if you want to go fishing for it. The gist of it was that an ex that was pretty much off her rocker, took off one day after saying some weird shit to my mom about a family member of mine she'd never met that she had made up some fictional garbage (apparently they were a video game character by her reasoning and she wasn't joking either) that set off the red flag alert that she was a mental case and when I finally decided to do just that to end things, I got home from work to discuss it with her, all of her stuff was gone. It was a sigh of relief I didn't have to deal with it but about a year later roughly i got contacted by a friend who I had informed about the situation, that he had started dating her and he needed help to get her back to some of her family once she was released from a behavior center. Apparently she had tried to kill his mom. That was a serious bullet dodged and another girl was bipolar and went through some of my financial paperwork during one of her mood swings, found where I had some passwords written down for online account information and maxed out my credit cards (Cash advances included). Bitch put me over 15 thousand in debt by doing that and then skipped out a week later when I tried to make her pay it back. I had some poor taste in women to say the least.

entrep4 • 1 point • 21 November, 2019 07:42 PM

Dunno.. seems like a credit card type deal. Pay at the end of the month.

MotorsportEnthusiast • 67 points • 21 November, 2019 10:45 AM

HB 7online is like a HB 5-6 irl. You're giving too much thought to this.

Go game some actual HB 7's instead of trying to message a chick who doesn't even remember what you look like. It means she probably has tons of other guys hitting her up already, your chances are slim for what will be average pussy at best.

I\_LOVE\_CHIPS[S] • 16 points • 21 November, 2019 10:53 AM

I have other girls I can go to. I just wanted to see what people thought of this. Thanks for the response though.

babybopp • 12 points • 21 November, 2019 02:37 PM\*

That gal is the type U fuck in your car before you actually go out to look for some pussy.

6paths\_luds • 10 points • 21 November, 2019 01:19 PM

maddisser101 • 8 points • 21 November, 2019 02:27 PM

"We can meet up but I forget what you look like." Dude you know the answer here.

RivenHalf • 13 points • 21 November, 2019 12:30 PM

If you would even consider following that up then I really have to question how desperate you are lol the fact that you are even asking is slightly concerning to me. No dude...no...abandon fucking ship. Right now.

vandaalen • 7 points • 21 November, 2019 01:48 PM

Zero-Milk • 5 points • 21 November, 2019 12:47 PM

Crazy women fall in love quickly and intensely, and they will absolutely fuck your world up if you're not well-prepared to walk away at absolutely any moment. Proceed with caution, lest you bite off more than you can chew.

[deleted] • 5 points • 21 November, 2019 03:35 PM

"New phone who dis?"

HeartbreakHotline • 12 points • 21 November, 2019 11:46 AM

No no, dude, have fun with this one, send her a pic of a mega hot guy or something, then hard next, say some shit like don't remember ? Your loss, show her the gold, but don't let her touch it, she's crazy, don't stick your dick there, but atleast you can get a funny reaction, then block. It's up to you xD

silvereddi • 2 points • 21 November, 2019 08:24 PM

This. Please. She will be begging for sex and meetup, and will be biting her ass when he blocks her

drumsha • 3 points • 21 November, 2019 12:01 PM

masterpiece00 • 3 points • 21 November, 2019 12:34 PM

It was never in the bag, numbers are like stamps to women, She is fucking 3 guys on the regular, the night you missed out was a Sliding Doors moment and she met the greatest dick of her life.

She has demoted a few of her plates for Mr Big, including you.

hidden\_boi\_premium • 3 points • 21 November, 2019 12:37 PM

Ask how you know this isn't her crazy bf again

PhaedrusHunt • 3 points • 21 November, 2019 04:40 PM

Actually why don't you run an experiment since the consensus is she's nuts?

Create a dom sub relationship with her right now.

Tell her that her behavior to this point has been unacceptable and if you are going to carry on with her she has to do exactly what you say and ask for permission for everything.

Not really my thing but I've played with stuff like that a couple of times.

I'm sure there are some freaky dudes in here that could guide you through that better than me

What have you got to lose kid?

riggedved • 2 points • 21 November, 2019 01:22 PM

She has an on-off thing with her LTR. When they get back together, she feels guilt. Then they have a fight, and she's back on the CC.

Plate her if you can, but I'd advise you to stay away.

zerstorer75 • 1 point • 21 November, 2019 04:52 PM

Is that really the advice? Im in a similar situation right now.

user20180620 • 1 point • 21 November, 2019 06:08 PM

Whatever you do.... Keep all real world contact info very very private. You don't want crazy chicks knowing where you live, your full name, etc.

zerstorer75 • 1 point • 21 November, 2019 06:19 PM

True. I don't bring home women who i meet casually. But i didnt mean i met a crazy girl i mean i found out I've been screwing a girl who has a bf now. I told her if they dont work out let me know but i don't feel right keeping her as a fwb while she two times some poor bastard.

Fukboi1399 • 1 point • 21 November, 2019 11:50 AM

VigilantSmartbomb • 1 point • 21 November, 2019 12:41 PM

Dude why? Just forget her lol

DerpJungler • 1 point • 21 November, 2019 12:48 PM

Branch swinging in action. She wants to bounce on the closest dick to make herself feel better.

She probably set that text on template and forwarded it to 80% of her contacts like a spamming company's e-mail list.

I'd troll or drop.

TigerXtrm • 1 point • 21 November, 2019 12:59 PM

Run away and never return.

Original\_Dankster • 1 point • 21 November, 2019 01:42 PM

You don't actually need an explanation to unmatched / block the number and go on with your life

ChrisMD2016 • 1 point • 21 November, 2019 01:58 PM

Sometimes you have to learn to WALK AWAY. There are many other potential plates out there if your game is tight.

BusterVadge • 1 point • 21 November, 2019 03:13 PM\*

I'd send her a pic of Ron Jeremy to troll her.

lolomotif12 • 1 point • 21 November, 2019 03:23 PM

She sounds like she isn't even worth your cock.

georedit2018 • 1 point • 21 November, 2019 03:59 PM

If the answer is yes, go ahead Bro.

Bascome • 1 point • 21 November, 2019 04:17 PM

She doesn't know which one you are.

What does that tell you?

PhaedrusHunt • 1 point • 21 November, 2019 04:36 PM

Let's think about bumble for a second.

It is one dating app where a woman has to message the man first.

You got a lot of hot CEO and business type ladies on there but by definition they have to be aggressive because they have to message first.

When I was using dating apps bumble consistently got the hottest women but also the ones that were least compatible if you want to have an actual relationship because these are bitches that want to try to be in charge

So take it for what it's worth and don't overthink it.

Pump and dump

Have backup plans though cuz this bitch is a flake

iphone5000 • 1 point • 21 November, 2019 05:18 PM

Sobinia • 1 point • 21 November, 2019 01:28 PM\*

Send her a picture of an obese, ugly man and start acting like a thirsty beta (to an insane point. Say things like "I can't wait until I lose my virginity with you!") until she blocks you.

occupynewparadigm • -1 points • 21 November, 2019 11:14 AM
