

Creating more opportunities to meet younger women?

3 upvotes | 7 December, 2020 | by InscrutablePUA

Question for the 30+ crowd here: I hear from a lot of you that getting younger (<25) women gets easier with age, if you keep yourself in shape and are self-sufficient financially. For those of you who are getting with younger women regularly, where and how are you generally meeting them?

Personally as a 34M I haven't had much luck through apps (obviously they are rigged against most dudes anyway), and nightlife is pretty much dead again in my city due to lockdowns. So is the best option day game? Are there other niches you've found to be good for meeting younger women regularly?

53 checking in. Regularly defile <25 year old ass. Read on.

So is the best option day game?

In general, yes.

Are there other niches you've found to be good for meeting younger women regularly?

So your move is to put yourself in favorable situations where young women are.

I enjoy writing, recording and performing original music. I am a singer and I play bass guitar and (to a lesser extent) acoustic guitar. I keep some of my songs downloaded onto my phone so when it comes up, wouldn't you know it, I have songs for girls to listen to. On a 1st date with one of my OLTRs, she told me, point blank, that she *"had to re-evaluate how cool I think you are, now."* Later on in the relationship, she surreptitiously recorded me at karaoke (it's never my idea to go, but sometimes I wind up there) singing a couple of songs she asked for, and would listen to them at night before sleep.

And, I get it, not everyone is a musician, etc. Read on (again).

Under normal (non-covid) circumstances I play co-rec beach volleyball in the summer, which puts me around young, fit women. I am a good player, I am patient with them, and I'm good at "talking to girls". What a shame.

Also, I Day Game like it's my job.

Fantastic comment, thank you! Music and volleyball scenes are legit... kudos to you for defying the societal norms. I'll have a read through the links

On a side note - I know you've posted about corporateland extensively. I work in mid-upper level management and find it tough to get out during the day without missing calls and meetings. The money's great, but the time bondage is real. How do you day game during the week?

VasilyZaitzev • 1 point • 9 December, 2020 06:30 AM

I have been working remotely for about 10 or so years. So make yourself indispensable and then disappear. Gil Schwartz (RIP) writing as Stanley Bing wrote a book about it that paralleled my life in CorporateLand.

Meetings are giant time-wasters and should be avoided or minimized when possible, because they are for people with no friends. Sometimes they are useful but the other 98% of the time they are BS. Nobody wants to be there, etc., and it likely could have been handled via email.

That said, not a lot of people Day Game during work hours (other than the idjits who do it in their own offices) because: work.

I'm round your age. I've had a little luck on the apps. And at nightlife. But I was in a college town for what it's worth. Just a numbers game when there THAT many girls around in that age range

InscrutablePUA[S] • 1 point • 7 December, 2020 11:12 PM

the good thing is there are plenty of colleges around me in my city. what was your approach - mostly day game or night game?

MrNeverDryDick • 2 points • 8 December, 2020 01:33 AM

Night mainly. Just the vibe seems much more flirty with all the liquid confidence going around. But I was also in a social group of college people. I was the oldest but we were all cool. And just kinda branched out from there.

Not 30+ but probably clubs and bars initially and then those chicks invite them to meet her friends

Anywhere.

I am 58. With a 21yo beauty

Look into the eyes. There are some types 100% reactive.

Some are even blunt and bold and approach you.

St31nway • 2 points • 8 December, 2020 01:05 AM

Can you elaborate on "look into the eyes"?

throw-away-1709 • 1 point • 8 December, 2020 12:13 AM

Social circles.

InscrutablePUA[S] • 1 point • 9 December, 2020 05:19 AM

what kind of social circles / how did you build them? I'm in a new city and trying to start from scratch

inbreδοstrptw • 0 points • 8 December, 2020 01:38 AM

Move to a city. Approach young girls

BeThyselfLoveThyself • -2 points • 7 December, 2020 11:42 PM

Any particular reason you're looking for a younger girl? I know it's only anecdotal, but sex with girls in their late 20s/30s has always been much better than sex with young 20s.

InscrutablePUA[S] • 1 point • 9 December, 2020 05:20 AM

i don't mind fucking girls in their 20s or 30s but IME early 20s are best
