Nordic chad meme

Joey\_Lopez • 168 points • 5 February, 2020 03:21 AM

One time a girl with a really fat ass asked me that same question. I told her that I'm always looking at it. She was just shocked because nobody ever said yes. We were together for 7 years after that.

thesoloronin • 46 points • 5 February, 2020 08:11 AM

Honestly, this would get my repo destroyed cause this lady in my workplace, who despite was kind of a power tripping bully leveraging on her Tier 7/10 rank, has got the nicest ass in the office. And I'm talking like Lana Rhoades-level kind of piece of ass.

eazy\_ • 7 points • 5 February, 2020 08:01 PM

had to google lana rhoades.

basilisk\_girth • 11 points • 5 February, 2020 08:25 AM

Musicgoon • 176 points • 5 February, 2020 02:55 AM

"I am. Don't turn around yet I'm not done"..

Then proceed with a shit eating grin.

laserdicks • 35 points • 5 February, 2020 07:15 AM

shit eating grin

10 pts for enthusiasm anyway

MardGeer • 14 points • 5 February, 2020 01:21 PM

You eat shit with that grin?

theyearsstartcomin • 1 point • 5 February, 2020 06:22 PM

Yes

purplestuff11 • 1 point • 5 February, 2020 04:27 PM

It's the answer I'd go with. Gives her a chance to reciprocate interest or take it as a fun joke if she isn't interested. Can't really lose unless you're creepy about it.

LazerSpin • 1 point • 5 February, 2020 09:07 PM

Proceed to what? Stroke it out right then and there? Alpha move, bro.

Musicgoon • 6 points • 7 February, 2020 06:10 AM

That's a dumbass sperg move kid..

The alpha move would be to continue flirting and have a conversation.

If the first place you go to is whipping your cock out, you've got some serious social problems.

LazerSpin • 1 point • 8 February, 2020 05:33 PM

Sounds better than coprophilia.

H\_Crush • 8 points • 5 February, 2020 12:25 PM

You can say whatever you want if it fits you frame/your thinking. If you even have to ask what to say, you'll probably not in the right frame (still faking it).

strong dominating frame + a smirk + take it as a compliment, without caring about her reaction (never try to fake this)

RPOpenUp • 1 point • 5 February, 2020 09:21 PM

This. Thousands of examples can be given but you have to change your mindset

DerekMorganBAU • 20 points • 5 February, 2020 12:40 PM

I used to get away with shit that would get a normal nigga hemmed up my g. It's all about execution.

There was a Cuban bitch I used to work with that had a nice round ass. She was also my boss. As a joke I used to tell her to pick something up for me when there wasn't shit to pick up at all. I got her ass good (pun intended) one time she was bent over in front of me like "What am I picking up for you?????" Then after she caught on she just huffed and smiled then walked off.

The more I did it the more she laughed. I had a coworker that saw me do it to her and that nigga couldn't believe that I was getting away with it.

No\_Platform\_Andy • 7 points • 5 February, 2020 09:35 PM

white, urban genetics need a translation

hibloodstevia • 17 points • 5 February, 2020 02:18 PM

You need to speak more urban.

Ill\_mumble\_that • 3 points • 5 February, 2020 08:40 AM

VasiliyZaitzev • 2 points • 6 February, 2020 01:16 AM

Fuckin' A right I was.

Casd12 • 10 points • 5 February, 2020 04:11 AM

Safe bet teplies

"Why? Do you want me to?"

"You really want to know?" "Why do you want to know so bad?"

"Don't report me to HR please"

For the savages:

"Yeah, you should start hitting the gym"

"Yeah, no homo"

"Yeah, I'm waiting for it to give me it's number"

"Stare at your ass? You mean that ass? *Points at ass*, "is this the ass you are referring to?"

"Shhh, we're having a staring contest"

[deleted] • 66 points • 5 February, 2020 10:21 AM

What the fuck is this with 40+ votes? Replies like these really highlight your inexperience mate. Literally all he needs to say is "yes", not some autistic dream fantasy bullshit.

clickherebaby • 7 points • 5 February, 2020 05:25 PM

My thoughts exactly. "No homo" you probably thought that was real fucking clever

clickherebaby • 7 points • 5 February, 2020 05:26 PM

"Why do you want to know so bad?" what in the actual fucking autism

-ThePathIsTheGoal- • 3 points • 5 February, 2020 10:41 PM

Lmao I started cringing so hard as I went down the list.

omega05 • -10 points • 5 February, 2020 12:31 PM

Anybody can say yes. What happened to agree and amplify?

Zero-Milk • 11 points • 5 February, 2020 12:42 PM

Go back and read all of those aloud.

Now tell me with a straight face you'd actually say ANY of those things to an adult female in the real world and believe you'd get anything other than a confused, creeped-out response.

omega05 • -7 points • 5 February, 2020 12:44 PM

I wouldn't use over half of them but the general principle of agree and amplify still applies

Speedracer1111 • 5 points • 5 February, 2020 03:42 PM

If you wouldn't use half of them, it's bad advice. I wouldn't use any of them, which makes it horrible advice.

Yes is the perfect answer.

[deleted] • 2 points • 5 February, 2020 01:38 PM

Agree and amplify can be a good tool but once again some guys like to overcomplicate everything and in the end it's just completely tryhard, borderline autistic and creepy.

cracksniffer666 • 74 points • 5 February, 2020 07:24 AM

Crazy how this weird ass answer got upvoted, I'd never say that shit to a friend even jokingly. This answer is fedorable

damaged\_goods420 • 7 points • 5 February, 2020 04:00 PM

Using this

cracksniffer666 • 5 points • 5 February, 2020 05:15 PM

It's all yours, just don't say any of that other shit

ventuspilot • 1 point • 5 February, 2020 08:09 PM

"Shhh, we're having a staring contest" was kind of funny, tough.

Spets87 • 60 points • 5 February, 2020 07:39 AM

this is some cringe shit right here

Casd12 • -9 points • 5 February, 2020 12:17 PM

Funnily enough, this is exactly what my bluepilled friends tell me, but the dudes that actually gets girls always joins in and escalates with me.

I've also never had a bad experience, the worst thing that's happened is a non reactive response from the girl. But that's typically when I just met them and they're just getting to know me. Usually, they reply with some shit like "omg, you're such an asshole" or "I hate you" while grinning, or act all happy shocked with their mouths opened.

Remember bro, don't take life too serious, enjoy it and have fun with it

Zero-Milk • 8 points • 5 February, 2020 12:39 PM

You're not fooling anyone.

Casd12 • -6 points • 5 February, 2020 01:48 PM

If you think I'm lying then it only proves that your smv isn't high enough to pull off the shit I'm doing

Zero-Milk • 4 points • 5 February, 2020 01:48 PM

Whatever you say, bro.

clickherebaby • 2 points • 5 February, 2020 05:27 PM

"Pull off the shit im doing" this is fucking hilarious

Casd12 • 1 point • 5 February, 2020 05:36 PM

You know it's true. The higher smv you have the more shit you can get away with.

clickherebaby • 1 point • 5 February, 2020 05:42 PM

Doesn't mean you can get away with saying dumb shit lol

Casd12 • 1 point • 5 February, 2020 05:49 PM

But how am I getting away with it. I'm not getting shamed, no negative experiences, girls telling me to stop etc.

cracksniffer666 • 2 points • 5 February, 2020 05:19 PM

"I've also never had a bad experience." Well you've carved one

Zero-Milk • 9 points • 5 February, 2020 12:36 PM

Pure cringe.

blaseee • 10 points • 5 February, 2020 11:51 AM

Some of these are so cringe it hurts

animal-mother • 8 points • 5 February, 2020 08:20 AM

That lawyer reply is priceless.

Everyone calling cringe needs to understand just what is accepted when they have some swagger.

johncillo • -24 points • 5 February, 2020 07:25 AM

Lol do you have a time machine or something? You froze in the moment, it's over.

When a girl asks if you are checking her out, if she's attractive why wouldn't you say yes?

Idk with some of you. She opens you with that and you froze? Do you not drive on green lights either?

liquorbaron • 1 point • 5 February, 2020 06:34 PM

AGREE AND AMPLIFY

bakachelera • -2 points • 5 February, 2020 10:37 AM

Everybody here seems to be missing the possibility that this may be at work. The best course of action I'd recommend is not an agree and amplify but a neg. Something by the likes of "your ass is not that good for me to stare at it dont worry" or some shit. Remember the dont eat where you shit rule and remember the metoo bullshit.

LoneStarG84 • 2 points • 5 February, 2020 03:03 PM

Geez. If you weren't going to HR before, you are now.

damaged\_goods420 • 2 points • 5 February, 2020 04:01 PM

At work there's already like a 90% chance you're going to HR with any of these responses

“Good DAY madam, I would find the sight of your automobile waiting at the castle gates most appealing indeed. For now is not the best time for frolicking although nor is it the worst. As an old man who used to regale me tales of his early days battling it out with the renegade shoe horns on the factory floor, my father always taught me that patience is a virtue. “But papa!” I proclaimed loudly across the cold windswept shoe horn warehouse, only days before those young Helingrad boys were to torch the place until only dust remained, “doesnt fortune favour the bold?”. Oh i dreamed for hear him tell me for once, I was right, but father was too discerning for his own good. He wanted me to develop the foreground to reach conclusions that were not always going to fly freely down at the ol’ Wesson house, but as long as they rang true to me, I would never tell no one”
