About Buttercup

Don't message me if you just want egg and tail pics. Looking for a rooster who will treat me right, and settle down in a coop with some chicks up the road. I like cracked corn, millet, and wheat.

Do you know the difference between a rooster and a hooker? The rooster says cock-a-doodle-do and the hooker says any-cock-will-do!

goodmansaysfuckyou • 25 points • 24 January, 2020 05:11 PM

What's the rooster conversion for 6 feet tall?

loneliness-inc • 2 points • 26 January, 2020 05:46 PM

I think that **is** a rooster in the picture. I don't think that's a hen.

SirKolbath[S] • 3 points • 26 January, 2020 05:48 PM

I honestly don't know. I can barely recognize a chicken when it's not covered in pasta and Alfredo sauce.

loneliness-inc • 2 points • 26 January, 2020 05:53 PM

Lol!

Roosters have those prominent red stuff on top and bottom of their heads. Hens have that same stuff but smaller and pink.
